Bepin Behari, 2013 This book presents the ancient Hindu astrology in its occult and esoteric aspects Traditional practitioners often failed to defend the veracity of the subject and dispel the scepticism of modern intellectuals The ancient revelations have been restated here to meet contemporary requirements The ancient seers presented Vedic Astrology under various assumptions and in allegorical and symbolic languages They assumed polydimensional extension of human consciousness which was closely related with planetary impulses Apart from the general approach to this ancient science the study presents

in depth the astrological description of the nature of man It also provides deeper implications of various planetary combinations Advanced practitioners as well as general readers will find the book informative illuminating and highly rewarding

Between the Sea and the Sky P. T. Mathew SJ,2020-05-05 Between the Sea and the Sky is an inquiry into the religious world of a traditional fishing community on the Southwest coast of India It explores the vital role religious and spiritual beliefs play in sustaining people in such a precarious even deadly occupation Despite periodic natural calamities and the extreme challenges that accompany their everyday lives a remarkable spirit of resilience is evident in this coastal community Using the concept of lived religion Mathew explores the theological religious and spiritual contours of this remarkable community and draws from them broader insights into the nature of belief
