Section 4 Gods Two Creations:

Creation and Salvation Daniela Scialabba,2019-07-05 The recent debate on the religion of ancient Israel is strongly influenced by the idea that monotheism is the root of violence Daniela Scialabba seeks to investigate inclusive tendencies in Old Testament monotheism focussing on the idea of God as a universal creator who has pity with all his creatures

Creation, Evolution and Meaning Robin Attfield,2018-07-17 This book presents the case for belief in both creation and evolution at the same time as rejecting creationism Issues of meaning supply the context of inquiry the book defends the meaningfulness of language about God and also relates belief in both creation and evolution to the meaning of life Meaning it claims can be found in consciously adopting the role of stewards of the planetary biosphere and thus of the fruits of creation Distinctive features include a sustained case for a realist understanding of language about God a contemporary defence of some of the arguments for belief in God and in creation a sifting of different versions of Darwinism and their implications for religious belief a Darwinian account of the relation of predation and other apparent evils to creation a new presentation of the argument from the world s value to the purposiveness of evolution and discussions of whether or not meaning itself evolves and of religious and secular bases for belief in stewardship

Life-study of Galatians Witness Lee,2023-09-27 The book of Galatians reveals that in God s economy Christ replaces the law and it is religion versus tradition The churches in Galatia had begun well receiving the Spirit through faith but were now striving to be perfected by the flesh through the law 3 3 The Judaizers had bewitched the Galatians so that they considered the ordinances of the law above the Son of the living God Paul responds by telling the distracted Galatians that Christ gave Himself for our sins that He might rescue us out of the present evil age according to the will of our God and Father 1 4 In this book the current evil age is not the secular world but the religious world in its present manifestation which distracts God s people from the living person of the Son of God This book exposes the inability both of the law and of circumcision showing that the law cannot impart life to regenerate us and that circumcision cannot energize us to live a new creation But the Son of God who has been revealed in us can enliven us to make us a new creation and the Christ who lives in us can afford us the riches of His life to live the new creation The desire of God s heart is not that we would keep the law but that His Son would be revealed in us operate in us live in us and be formed in us that we may know Him receive Him as our life and become the sons of God individually and the household of the faith corporately The book of Galatians unveils that the crucified Christ not the law with its ordinances is the center of God s economy

Christ, Creation and the Cosmic Goal of Redemption J.J. Johnson Leese,2018-05-17 J J Johnson Leese discusses how the apostle Paul s writing on Christ s relationship to creation read alongside the interpretations of Irenaeus of Lyon provide a meaningful contribution to contemporary debates on the interrelationship between religion and nature Leese draws upon the integration of three related scholarly trends the increased importance placed on biblical creation themes the emergence of ecotheology and the history of reception while focusing on the Pauline corpus and readings of Paul by Irenaeus

thus uncovering a robust creation and ecotheological theology Irenaeus approach provides the possibility for Paul to contribute to ecotheology by way of a theological vision where the whole of reality in relationship to Christ and creation and by extension to soteriology and ecclesiology are central components of Paul's theology

Beyond Male and Female? Sam Ashton, 2023-09-21 In this incisive work Sam Ashton provides a compelling consistent and erudite argument for a foundational approach to the matter of sexual difference drawing on biblical and doctrinal material and using resources in their original languages He tracks and traces the sexed body as it moves from creation through the fall to redemption now and final consummation not yet In doing so Ashton presents what is perhaps the strongest case that can be made for male and female He created them Each chapter privileges biblical exegesis drawing upon figures in church history notably Augustine and Aquinas as and when they illumine Scripture By doing so the book considers the difficulty presented to sexual dimorphism by the phenomenon of intersex Ashton seeks to develop an understanding that is generous inclusive and affirming so he works carefully through the writings of Thatcher Song and Cornwall in a way that invites engagement and dialogue With the complete divine drama in view the book offers synthetic judgments about what remains essential for the structure of the sexed body as it travels through history and what may be accidental to the sexed body's direction within a particular theo-dramatic act Ashton concludes by considering ways to transition from dogmatic judgments about intersexuality to the moral pastoral care of concrete intersex individuals briefly thinking about the complex matter of marriage

The God of Israel R. P. Gordon, 2007-04-19 Collection of essays discussing many unresolved or largely unaddressed issues about this unique deity

Weaving the New Creation James W. Fowler, 2001-02-20

The Place of God at the Bookends of the Bible David W. Larsen, 2023-10-09 What if everything in the Bible has a larger outer context than is usually accounted for Missional and biblical theologies suggest that the Bible presents a grand story like a play with multiple acts The acts typically include creation fall redemption and finally restoration But what if the whole story itself occurs in another larger setting occurring within a mission running in the background throughout the whole Bible How might this aid our research reading and application And why is this being proposed now This book explores these questions The larger context is the production of the place of God a home and homeland wherein God with his people dwell on earth Since place is underdeveloped in biblical studies the book presents a new method for interpreting place Then the book lays out the case that a grand mission to produce the place of God becomes the outer context for the whole Bible Finally the book defends this proposal with an in-depth placial commentary of the bookends of the Bible since these bookends provide keys to unlock this message thereby inviting further study on the rest of the Bible and on the implications for this transformative perspective

Reconsidering Creation Ex Nihilo in Genesis 1 Nathan J. Chambers, 2020-11-15 There is a broad consensus among biblical scholars that creation ex nihilo from nothing is a late Hellenistic concept with little inherent connection to Genesis 1 and other biblical creation texts In this book Nathan J Chambers forces us to reconsider the question

arguing in favor of reading this chapter of the Bible in terms of ex nihilo creation and demonstrating that there is a sound basis for the early Christian development of the doctrine Drawing on the theology of Augustine of Hippo and Thomas Aquinas Chambers considers what the ex nihilo doctrine means and does in classical Christian dogma He examines ancient Near Eastern cosmological texts that provide a potential context for reading Genesis 1 Recognizing the distance between the possible historical and theological frameworks for interpreting the text he illuminates how this doctrine developed within early Christian thought as a consequence of the church's commitment to reading Genesis 1 as part of Christian Scripture Through original close readings of the chapter that engage critically with the work of Jon Levenson Hermann Gunkel and Brevard Childs Chambers demonstrates that far from precluding interpretive possibilities reading Genesis 1 in terms of creation from nothing opens up a variety of interpretive avenues that have largely been overlooked in contemporary biblical scholarship Timely and innovative this book makes the case for a new or recovered framework for reading Genesis 1 that will appeal to biblical studies scholars and seminarians
