Secular Works Madrigali Spirituali A Cin:

Secular Choral Music in Print ,1996 *The A to Z of Sacred Music* Joseph P. Swain,2010-04-09 Nearly all religious traditions have reserved a special place for sacred music Whether it is music accompanying a ritual or purely for devotional purposes music composed for entire congregations or for the trained soloist or music set to holy words or purely instrumental in some form or another music is present In fact in some traditions the relation between the music and the ritual is so intimate that to distinguish between them would be inaccurate The A to Z of Sacred Music covers the most important aspects of the sacred music of Buddhism Christianity Confucianism Hinduism Islam Judaism and other smaller religious groups It provides useful information on all the significant traditions of this music through the use of a chronology an introductory essay a bibliography appendixes and hundreds of cross referenced dictionary entries on major types of music composers key religious figures specialized positions genres of composition technical terms instruments fundamental documents and sources significant places and important musical compositions [Historical Dictionary of Sacred Music](#) Joseph P. Swain,2016-10-11 Sacred music is a universal phenomenon of humanity Where there is faith there is music to express it Every major religious tradition and most minor ones have music and have it in abundance and variety There is music to accompany ritual and music purely for devotion music for large congregations and music for trained soloists music that sets holy words and music without words at all In some traditions Islamic and many Native American to name just two the relation between music and religious ritual is so intimate that it is inaccurate to speak of the music accompanying the ritual Rather to perform the ritual is to sing and to sing the ritual is to perform it This second edition of Historical Dictionary of Sacred Music contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 800 cross referenced entries on major types of music composers key religious figures specialized positions genres of composition technical terms instruments fundamental documents and sources significant places and important musical compositions This book is an excellent access point for students researchers and anyone wanting to know more about sacred music

The Girl's Own Annual ,1886 **Printing Music in Renaissance Rome** Jane A. Bernstein,2024-02-16 Jane A. Bernstein presents the first broad study of the cultures of music and the book in Rome during the Renaissance and Post Tridentine periods Emphasizing the exceptionalism of Roman music publishing she highlights innovative technologies milestone publications and the close connection between musical repertoires and the materiality of the book She also analyzes the Church's predominant influence on the industry and in turn the impact of the Roman press on such important composers as Palestrina Marenzio Victoria and Cavalieri *Essays on Italian Poetry and Music in the Renaissance, 1350-1600* James Haar,2023-11-15 These essays illuminate the changing nature of text music relationships from the time of Petrarch to Guarini and in music from the madrigals of Giovanni da Cascia to those of Gesualdo da Venosa Haar traces a line of development from the stylized rhetoric of Trecento song through the popularizing trends of Quattrocento music and on to
