Security Or Armageddon Israel's Nuclear Strategy:

Security Or Armageddon Louis René Beres, 1986

Israel's Nuclear Dilemma (Routledge Revivals) Yair

Evron, 2014-06-03 Originally published in 1994 Yair Evron opens the book with an account of the development of Israel's nuclear doctrine and the internal disagreements within the Israeli political and strategic elite over how nuclear policy should be conducted. There follows an analysis of the reactions from Arab states and of how, with the exception of Iraq, they have so far refrained from developing their own nuclear weapons.

Israel's Nuclear Dilemma Yair Evron, 2005-07-28

The development of Israel's nuclear capacity: controversy within the military elite, implications for Arab-Israeli relations and arms control in the region.

The Politics and Strategy of Nuclear Weapons in the Middle East Shlomo Aronson, 2012-02-01

Based on research from an array of American, Arab, British, French, German, and Israeli sources, this book provides a nuclear history of the world's most explosive region. Most significantly, it gives an exposition of Israel's acquisition and political use or nonuse of nuclear weapons as a central factor of its foreign policy in the 1960-1991 period. In stressing the factor of nuclear weapons, the author highlights an often neglected aspect of Israeli security policy. This is the first interpretation of the historical development of nuclear doctrine in the Middle East that assesses the strategic implications of opacity: Israel's use of suggestion rather than open acknowledgment that it possesses nuclear weapons. Aronson discusses the strategic thinking of Israel, the Arab countries, the U.S., the former Soviet Union, and other countries, and connects Israeli strategies for war, peace, territories, and the political economy with the use of nuclear deterrence. The author approaches the development of Israeli doctrines on nuclear weapons and defense in general within a large matrix that includes the United States, Israeli perceptions of Arab history, culture, and psychology, and Israeli perceptions of Israel's own history, culture, and psychology. He also deals with Arab perceptions of Israel's nuclear program and with Arab and Iranian incentives to go nuclear. In addition, he discusses at length the importance of nuclear factors in the conduct of the Persian Gulf War and examines the implications of the decline of the former Soviet Union for arms control and peace in the Middle East.

The Oxford

Handbook of Israeli Politics and Society Reuven Y. Hazan, Alan Dowty, Menachem Hofnung, Gideon Rahat, 2021 Few countries receive as much attention as Israel, and are at the same time as misunderstood. The Oxford Handbook of Israeli Politics and Society brings together leading Israeli and international figures to offer the most wide-ranging treatment available of an intriguing country. It serves as a comprehensive reference for the growing field of Israel studies and is also a significant resource for students and scholars of comparative politics, recognizing that in many ways Israel is not unique but rather a test case of democracy in deeply divided societies and states engaged in intense conflict. The handbook presents an overview of the historical development of Israeli democracy through chapters examining the country's history, contemporary society, political institutions, international relations, and most pressing political issues. It outlines the most relevant developments over time while not shying away from the strife both in and around Israel. It presents opposed narratives in full force, enabling

readers to make their own judgments

Israel's National Security Predicament David Rodman, 2023-09-29 This book provides a ground breaking assessment of the Israeli national security experience from the establishment of the country through to the present day Seventy five years after its establishment the State of Israel continues to face an acute national security predicament as a result of the still unresolved Arab Israeli conflict This monograph offers a new framework for analyzing this experience first exploring the crucial events of the past and present that define it including interstate wars asymmetrical wars low intensity conflicts and developments in weapons of mass destruction The book then probes how Israel's evolving national security doctrine has addressed these various challenges over the years highlighting the roles of a number of variables deterrence warning and decision strategic depth and defensible borders the quality and quantity of fighting men and machines intelligence self reliance in military matters foreign policy and the influence of ethnic demography societal resilience economic prosperity and water security Written in accessible non technical language the book will appeal to general readers seeking an introduction to Israeli security as well as to specialists and researchers in various fields including Israeli history Middle Eastern politics and security studies

Scientists and the State Etel Solingen, 1994 An important comparative study of scientists place in the twentieth century state

Clausewitz and Escalation Stephen J. Cimbala, 2012-11-12 Published in 1991 Clausewitz and Escalation is a valuable contribution to the field of Military Strategic Studies

The Global Community Yearbook of International Law and Jurisprudence 2021 Giuliana Ziccardi Capaldo, 2022-10-14 The 2021 edition of The Global Community Yearbook of International Law and Jurisprudence constitutes the only thorough annual survey of major developments in international courts General Editor Giuliana Ziccardi Capaldo selects excerpts from important court opinions supported by contributors who provide expert guidance on those cases The topical organization and subject index make the thorough comprehensive content easy to navigate

The Global Community Yearbook of International Law and Jurisprudence 2019 Giuliana Ziccardi Capaldo, 2020-08-20 The Global Community Yearbook is a one stop resource for all researchers studying international law generally or international tribunals specifically The Yearbook has established itself as an authoritative source of reference on global legal issues and international jurisprudence It includes analysis of the most significant global trends in a way that allows readers to monitor the development of the global legal order from several perspectives The Global Community Yearbook publishes annually in a volume of carefully chosen primary source material and corresponding expert commentary The general editor Professor Giuliana Ziccardi Capaldo employs her vast expertise in international law to select excerpts from important court opinions and to choose experts from around the world to contribute essay guides which illuminate those cases Although the main focus is recent case law from the major international tribunals and regional courts the first four parts of each year's edition features expert articles by renowned scholars who address broader themes in current and future developments in international law and global policy themes that appear throughout the case law of the many courts covered

by the series as a whole The Global Community Yearbook has thus become not just an indispensable window to recent jurisprudence the series now also serves to prepare researchers for the issues facing emerging global law The 2019 edition both updates readers on the important work of long standing international tribunals and introduces readers to more novel topics in international law The Yearbook continues to provide expert coverage of the Court of Justice of the European Union and diverse tribunals from the International Court of Justice ICJ to criminal tribunals such as the International Criminal Court ICC and the International Residual Mechanism for Criminal Tribunals MICT to economically based tribunals such as ICSID and the WTO Dispute Resolution panel This edition contains original research articles on the development and analysis of the concept of global law and the views of the global law theorists such as a judicial knowledge sharing process as a tool for courts working together in a universal constitutional structure the role of human rights treaty monitoring bodies in the international legal order and an examination of the consequences of the UN compact for the safe orderly and regular migration on international law The Yearbook provides students scholars and practitioners alike a valuable combination of expert discussion and direct quotes from the court opinions to which that discussion relates as well as an annual overview of the process of cross fertilization between international courts and tribunals The Yearbook provides students scholars and practitioners alike a valuable combination of expert discussion and direct quotes from the court opinions to which that discussion relates as well as an annual overview of the process of cross fertilization between international courts and tribunals and a section focusing on the thought of leading international law scholars on the subject of the globalization This publication can also be purchased on a standing order basis

Cascade of Arms Andrew J. Pierre, 1997-11-01 With the post cold war emphasis on the proliferation of weapons of mass destruction the neglected dimension has been the spread of advanced conventional arms Yet these are the arms most likely to be used in conflict They present the greatest diversion from economic and social development and are the centerpiece of regional security balances This book examines the policies and practices of the major arms supplying nations looks at the impact of weapons purchases on the principal recipient regions and the possibilities for regional arms control and dissects the economics of arms exports for the producer nations in both the developing and industrialized worlds The book thoroughly discusses the opportunities for and obstacles to achieving multilateral restraint on arms In addition to the editor contributors are Ian Anthony Stockholm International Peace Research Institute Nicole Ball Overseas Development Council Julian Cooper University of Birmingham Lawrence Freedman and Martin Navias King's College London Rodney Jones Policy Architects International Ethan Kapstein University of Minnesota Michael Klare Five College Program in Peace and World Security Studies Andrew Mack Australian National University Abdel Monem Said Aly Center for Political and Strategic Studies Cairo Janne Nolan Brookings Institution Andrew Ross Naval War College Gerald Segal International Institute for Strategic Studies and Gerald Steinberg Bar Ilan University Israel Copublished with the World Peace Foundation

Israel's National Security Efraim Inbar, 2007-12-21 This volume presents a comprehensive

analysis of Israel's security challenges since the 1973 October War Efraim Inbar takes the reader on a historical journey through Israel's relations in the Middle East that begins with an analysis of Israel's strategic thinking after 1973 and ends with an important look at the recent Second Lebanese War and the Iranian nuclear challenge Israel's National Security delves not only into Israel's responses but also its relationships in the international community providing a complete picture of how Israel's strategic environment has evolved over time Relevant to today's current political atmosphere the volume dissects the influences of the growing appeal of Islamic extremism on the peace process Israel strategic partnerships with India and Turkey and Israel's relations with the Palestinians

Surviving Amid Chaos Louis René Beres, 2016-04-04 Now facing a genuinely unprecedented configuration of existential threats Israel's leaders must decide whether to continue their deliberate nuclear ambiguity policy the bomb in the basement as they consider such urgent and overlapping survival issues as regional nuclear proliferation Jihadist terror group intersections with enemy states rationality or irrationality of state and sub state adversaries assassination or targeted killing preemption and the probable effects of a Cold War II between Russia and the United States Israel must develop a strategic posture that will involve a suitably coherent and refined nuclear strategy This book critically examines Israel's rapidly evolving nuclear strategy in light of these issues and explains how it underscores the overarching complexity of strategic interactions in the Middle East

Israeli Secret Services Frank Clements, 2017-07-05 The Israeli Institute for Intelligence and Special Services the Mossad is probably the best known of the world's intelligence services one of the most suspected and certainly one of the most intriguing However despite its fame the available literature other than Hebrew is limited and scattered amongst a variety of subject areas because the tentacles of the Mossad are similarly varied The aim of this volume is to document the range of English language material available on the Mossad from its pre official origins in Europe during the Second World War to the present period of the Middle East peace process The organization had its origins in the aftermath of the Holocaust being the agency responsible for organizing the illegal Jewish immigration into Palestine before becoming officially constituted in 1951 Since its formation the Mossad has been intimately involved in each of the significant events in Israel's history including actions against its Arab neighbors the hunting of wanted Nazis spectacular actions such as the raid on Entebbe to free the hostages counter terrorist activities and high technology espionage against friend and foe alike This bibliography will be of interest to researchers covering intelligence activities and to students scholars and librarians interested in the history of Israel and its relations with its Arab neighbors The early material on the Mossad will also be of special concern to students of the Holocaust and its aftermath

Nuclear Logics Etel Solingen, 2009-02-09 Nuclear Logics examines why some states seek nuclear weapons while others renounce them Looking closely at nine cases in East Asia and the Middle East Etel Solingen finds two distinct regional patterns In East Asia the norm since the late 1960s has been to forswear nuclear weapons and North Korea which makes no secret of its nuclear ambitions is the anomaly In the Middle East the opposite is the case with Iran Iraq Israel and Libya

suspected of pursuing nuclear weapons capabilities with Egypt as the anomaly in recent decades Identifying the domestic conditions underlying these divergent paths Solingen argues that there are clear differences between states whose leaders advocate integration in the global economy and those that reject it Among the former are countries like South Korea Taiwan and Japan whose leaders have had stronger incentives to avoid the political economic and other costs of acquiring nuclear weapons The latter as in most cases in the Middle East have had stronger incentives to exploit nuclear weapons as tools in nationalist platforms geared to helping their leaders survive in power Solingen complements her bold argument with other logics explaining nuclear behavior including security dilemmas international norms and institutions and the role of democracy and authoritarianism Her account charts the most important frontier in understanding nuclear proliferation grasping the relationship between internal and external political survival Nuclear Logics is a pioneering book that is certain to provide an invaluable resource for researchers teachers and practitioners while reframing the policy debate surrounding nonproliferation

The Arab-Israeli Conflict Transformed Hemda Ben-Yehuda, Shmuel Sandler, 2012-02-01 The Middle East conflict be it between the state of Israel and Arab states or between Jews and Palestinians is a staple of international news Utilizing both theoretical approaches and empirical evidence Hemda Ben Yehuda and Shmuel Sandler argue that despite the recent upswing in violence particularly over the Palestinian issue conflict has gradually been giving way since the 1970s to a more orderly regime of conflict management By integrating ethnonational theoretical literature into their analysis the authors move beyond the current International Relations debate over the relative merits of realist neo realist approaches versus neo liberal institutional approaches Ethnic state disputes are the primary source for failing to terminate the Arab Israeli conflict

US Military Strategy and the Cold War Endgame Stephen J. Cimbala, 2014-01-14 At the end of the Cold War security concerns are more about regional and civil conflicts than nuclear or Eurasian global wars Stephen Cimbala argues that deterrence characteristics of the pre Cold War period will in the 21st century again become normative

The Middle East ,1989 **Air university review, 1979** ,1979 **Bulletin of the Atomic Scientists** ,1986-03

Thank you very much for downloading **Security Or Armageddon Israels Nuclear Strategy**. As you may know, people have look numerous times for their chosen books like this Security Or Armageddon Israels Nuclear Strategy, but end up in harmful downloads.

Rather than reading a good book with a cup of tea in the afternoon, instead they cope with some malicious virus inside their laptop.

Security Or Armageddon Israels Nuclear Strategy is available in our book collection an online access to it is set as public so you can get it instantly.

Our books collection hosts in multiple countries, allowing you to get the most less latency time to download any of our books like this one.

Merely said, the Security Or Armageddon Israels Nuclear Strategy is universally compatible with any devices to read

Security Or Armageddon Israels Nuclear Strategy Introduction

In the digital age, access to information has become easier than ever before. The ability to download Security Or Armageddon Israels Nuclear Strategy has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Security Or Armageddon Israels Nuclear Strategy has opened up a world of possibilities. Downloading Security Or Armageddon Israels Nuclear Strategy provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Security Or Armageddon Israels Nuclear Strategy has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Security Or Armageddon Israels Nuclear Strategy. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Security Or Armageddon Israels Nuclear Strategy. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal

distribution of content. When downloading Security Or Armageddon Israels Nuclear Strategy, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Security Or Armageddon Israels Nuclear Strategy has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Security Or Armageddon Israels Nuclear Strategy Books

1. Where can I buy Security Or Armageddon Israels Nuclear Strategy books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Security Or Armageddon Israels Nuclear Strategy book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Security Or Armageddon Israels Nuclear Strategy books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.

7. What are Security Or Armageddon Israels Nuclear Strategy audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Security Or Armageddon Israels Nuclear Strategy books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
