Boys and Girls Vivian Gussin Paley, 2014-04-22 The classic work that revealed the complicated world of children s play and what we can learn from it for education For more than forty years Boys and Girls has a classic account of the little known world that young children create together when they play Vivian Gussin Paley takes readers inside a kindergarten classroom to show them in detail how boys and girls play and how by playing and fantasizing in different ways they work through complicated notions of gender roles and identity The children's own conversations stories playacting and scuffles are interwoven with Paley's observations and accounts of her vain attempts to alter their stereotyped play In the decades since the book's original publication play in kindergarten and early years of school has lost ground to structured teaching and even testing which makes Paley s book updated for a new era more important than ever To teach kids successfully we must make Shoofly Pie & Chop Shop Tim Downs, 2009-10-13 In 2003 the Shoofly Pie introduced an intriguing and space for play unique detective forensic entomologist Nick Polchak So popular did Polchak become that author Tim Downs has now published five Bug Man novels And now for the first time the first two Bug Man novels under one cover Shoofly Pie Within minutes of a murder the first fly arrives at the scene Soon there are hundreds then thousands and each one knows the victim s story Thirty year old Kathryn Guilford turns to Dr Nick Polchak the Bug Man to help her learn the truth about the apparent suicide of her longtime friend and onetime suitor Polchak introduces her to a mysterious world of blood seeking flies and flesh eating beetles But there s a problem Kathryn Guilford has a pathological fear of insects Now she must confront her darkest fears to unearth a decade long conspiracy that threatens to turn her entire world upside down Chop Shop Young Dr Riley McKay has worked hard toward her career in pathology But her promising future is threatened when suspicious activities bungled autopsies concealed evidence and unexplained wounds incriminate her supervising pathologist at the Allegheny County Coroner's Office in Pittsburgh Dr Nathan Lassiter When Riley is ignored by her seniors and threatened by Dr Lassiter she turns in desperation to Dr Nick Polchak the Bug Man to help her uncover the truth From a handful of tiny maggots Nick and Riley begin to unearth the facts The flies on the wall can talk Forensic entomologist Nick Polchak is listening The Family Nobody Wanted Christopher Sergel, 1957 Playbook The Greatest Show Michael Downs, 2012-03-05 Fire sweeps along the wall of a circus tent while inside thousands of people enjoy a Ringling Brothers and Barnum and Bailey matinee Within minutes flames consume the canvas and vast sections collapse killing 168 people and injuring hundreds more Inspired by the 1944 Hartford Circus Fire the interconnected stories in Michael Downs s The Greatest Show explore the aftermath of a disaster in a world of clowns elephants and childhood fantasies In the opening story Ania Liszak a young Polish housemaid steals circus tickets from her employer to take her three year old son Teddy to the matinee The fire nearly kills both and leaves them scarred in different ways Teddy's mother enjoys the beautiful strangeness of the scar on her face but the patches across Teddy's body inspire cruel schoolmates to call him Lizard Liszak

Over time his mother transforms her pain into drama while Teddy having no memory of that day seeks ways to return to it These and other captivating characters appear throughout the book creating a portrait of an American city and its people over five decades raising questions about wounds and healing memory and forgetting and about the human capacity for kindness with all its futility and power in the midst of great loss International Molders' and Foundry Workers' Journal The Torch-Bearers George Kelly, 2022-06-03 In The Torch Bearers George Kelly masterfully crafts a comedic foray into the world of community theater where domestic life and thespian ambitions collide The narrative unfolds through three meticulously structured acts encompassing rehearsals at home the live performance on stage and the ensuing aftermath Through sharp dialogue and situational comedy Kelly examines the role swap within a household when a housewife steps into the limelight leaving the domestic sphere for the stage He employs a subtle yet poignant critique of gender norms and societal expectations wrapping his themes in a veneer of humor doubling as both a social commentary and an entertainment piece within its early 20th century context In exploring the author George Kelly's oeuvre one cannot overlook the manner in which his own heritage of a vaudeville family has imprinted upon his storytelling The elements of stagecraft and familial dynamics present in The Torch Bearers may very well be a reflection of Kelly's intimate knowledge of performance culture blended with observations of the changing role of women during the time His insight into the theater combined with a keen wit positions him as a nuanced chronicler of American life and mores For those aficionados of classic American theater or anyone interested in the interplay between gender roles and societal expectation. The Torch Bearers is a delightful and insightful read Kelly s work will not only resonate with readers due to its historical significance but will also entertain and provoke thought through its comedic brilliance and underlying social critiques It is a testament to the enduring charm of a well penned play where laughter might reveal more than mere jest and where the human condition is explored The Smart Set ,1902 through the spirited antics of its protagonists A Compensatory Gift of Unvielding Sturdiness Michael A. Connelly, 2015-01-23 Ronnie Leigh is born with a disfigured face and a questionable gift of unusual intuition inherited from his mother He gets off to a rocky start in life with behavioral and personality problems compounded in that he knows from an early age that most people are immediately put off by his appearanceand that some even dislike him on sight With the help of his understanding and loving parents and a caring child psychologist Ronnie learns to appreciate what he does have and not dwell on what he does not What he has innately are intelligence and athletic ability and what he learns through early adversity are persistence perspective the value of hard work in the classroom and on the baseball fieldand for him especially the healing calming and strengthening power of vigorous exercise beyond what most people are capable of Ronnie struggles to make close friends even as strives to advance as a pitcher in the Boston Red Sox minor league system Meanwhile he has a good heart extraordinary fighting skills and that gift curse of special intuition the combination of which forces him to make some difficult decisions and eventually to undertake some dangerous and extreme but ultimately
