Intimate Partner Violence in LGBTQ Lives Janice L. Ristock,2011-04-26 Queer lives remain at the margins of most academic inquiry into domestic violence When same sex violence is considered it is most commonly as an added on without close attention to the specificity and meaning of violence within the lives of lesbian gay bisexual transgender Two Spirit and queer people LGBTQ This edited volume seeks to change this discourse by bringing together the most innovative research about intimate partner violence that is specific to the lives of LGBTQ people Including contributions based on research conducted in the United States the United Kingdom Canada and Australia the volume is framed around central themes conceptualizing violence exploring differing spaces and lived experiences of violence and the ethical challenges of responding to violence The contributors also consider issues of race class gender sexuality and other social differences moving beyond a simple gender lens to one involving a framework of intersectionality

The Distracted Couple Larry Maucieri PhD,Jon Carlson PsyD,2014-01-23 In total this volume addresses many of the issues that couples face when either one or both partners has ADHD and the many ways that clinicians can help them in dealing with these issues Although historically the diagnosis and treatment of ADHD have focused on children more recently clinicians and researchers have explored the impact of ADHD on adults Few however have focused on the effects of adult ADHD on relationships and marriages which makes this a must read for all of those interested in and working with adults with ADHD
