The Love That Keeps Us Sane Marc Foley, 2000 Seeing life in light of Eternity This is not a book about using Th r se s little way as a path to holiness Th r se s spirituality is often dismissed as cloyingly sweet and sentimental useless for modern seekers This new IlluminationBook uncovers how Th r se s sweetness was just a stylistic convention expected in the religious writing of her day Beneath the form says the author is a straightforward spirituality that offers a practical concrete and very realistic method for preserving one s sanity in an often insane world At the heart of Th r se s method is learning how to keep one s perspective by seeing all things in light of eternity seeing all things the way God sees This enables one to live more authentically and more attentively The method helps readers to become involved in life without being absorbed by it to love without becoming enmeshed and to deal with life s absurdities without losing faith or peace of mind Five simple everyday choices help foster this perspective and transform ordinary life into moments of true grace Those already devoted to the Little Flower will love this fresh new look at her spirituality In addition the book makes for enlightening and perhaps surprising reading for pastors clergy and religious directors of religious ed retreat directors chaplains and family counselors The principle of viewing life in light of eternity can also provide comfort and relief for parents dealing with children for those experiencing change or loss and for people in therapy

remarkable memoir tracing his transformative journey from homelessness to lauded artist **The Threefold Way of Saint Francis** Murray Bodo, 2000 A spiritually practical work inspired by St Francis that invites us to love God through ourselves others and the natural world Especially for You Ron Marcotte, 2024-05-31 I m a Christian and an American two precious unmatchable irreplaceable gifts I am extremely grateful for both and never want to lose them This is my explanation of these gifts especially for you what they mean for you and everyone as well as myself the whole purpose of our lives I want to share them with you even if you don t call yourself Christian or American This provides epiphanies Hopefully you will see more clearly the value the worth the truth of these gifts The reward for you for me for us is happiness beginning with ten thousand years bright shining as the sun with no less days to sing God s praise than when we d first begun This provides a special recipe not for food but the necessary elements for obtaining that reward Christ provided the way for us he proclaimed it clearly he showed us how to get there through certain attitudes eight in all which we must blend into one This also provides an example of the exact opposite the antithesis which can rob us of these gifts if we do not live and act according to Christ s teachings to be blessed We could not get a photo for the back cover Please add your own recall of the events of January 6 2021 the truth which we all saw A mob climbing the walls battering the windows and doors to get in the gallows to hang Vice President Pence the hollering to find Nancy Pelosi and the violence and desecration of our Capitol All of this was in an attempt to prevent Congress from doing its duty as representatives of our democracy to designate a new President January 6 2021 was the most significant attempted Presidential crime in American history *Living Simply in an Anxious World* Robert J. Vande Kappelle, 2023-01-20 Whether religiously theists atheists agnostics or simply seekers each of us is on a journey of faith spiraling through stages seasons or phases of spirituality On this journey we discover that spirituality is more caught than taught and that faith enriched more by subtraction than by addition is more about unlearning than learning At the center of Jesus life and message stands the exhortation to receive and share divine love The two volumes of Heart to Heart excerpted from Dr Vande Kappelle s published writings examine the meaning and implications of the biblical Great Commandment to love God and others as

oneself This volume examines the spiritual journey inward and its companion volume the journey outward Ultimately there is only one spiritual journey the journey Godward and there is only one commandment Divine love is the key to everything Unloved people misbehave fail to love or fail to change Loved people aren't concerned with rules regulations or beliefs Rather because they are loved they take proper care of themselves and in so doing care for nature and others as extensions of themselves Heart to Heart is written for those who affirm the value of lifelong spiritual growth realize the limits of logic and embrace the paradoxes in life If you are willing to commit less than ten minutes a day over a seven month period you will undertake a spiritual journey of epic proportions guaranteed to transform you morally and spiritually In addition you will come to embrace Christianity as the transformative movement envisioned by Jesus for humanity a way of life grounded in compassion justice service humility and love of others

Addiction Robert P. Vande Kappelle, 2019-05-24 What is addiction and how do we know if we are addicted Speaking sociologically we are addicted because we live in addictive societies that turn us into consumers and materialists Speaking biologically we are addicted because that is how we are hardwired Speaking spiritually we are addicted because we seek spiritual satisfaction through things other than God Humans can be addicted to most any object ideology and belief but they cannot be addicted to the true God for reasons disclosed in this text As this book demonstrates addiction is a pattern of learned behavior that utilizes ancient mental pathways designed to promote survival and reproduction When neural connections intended to promote eating reproduction parenting and social relationships are diverted into addiction their blessings can become curses While heredity parenting trauma and additional psychological and sociological factors play significant roles in compulsive behavior addiction is essentially a developmental disorder a way to manage an environment that feels threatening and overwhelming Change getting unstuck is possible but it requires five ingredients acknowledgment resolution substitution human help and divine help Because addictions represent complex interactions between biological psychological social and spiritual forces the solution must be holistic as well Designed as a study guide for groups or individual use this book approaches the topic comprehensively examining the nature of addiction its cause symptoms consequences and means of recovery
