Love Is A Flame Of The Lord More Homilies On The Just Word:

Love is a Flame of the Lord Walter J. Burghardt, 1995 In several ways the present set of homilies continues an approach to preaching apparent in the more recent of my collections which the Paulist Press has graciously presented to the public First there is an ongoing struggle with Scripture Three sets of such responsibilities cover the gamut of human living 1 Love God above all else 2 Treat every man woman and child like another self 3 Touch the earth the nonhuman with unfailing reverence *The Reading and Preaching of the Scriptures in the Worship of the Christian Church, Vol. 7* Hughes Oliphant Old, 2010 The Reading and Preaching of the Scriptures in the Worship of the Christian Church is a multivolume study by Hughes Oliphant Old that canvasses the history of preaching from the words of Moses at Mount Sinai through modern times In Volume 1 The Biblical Period Old begins his survey by discussing the roots of the Christian ministry of the Word in the worship of Israel He then examines the preaching of Christ and the Apostles Finally Old looks at the development and practice of Christian preaching in the second and third centuries concluding with the ministry of Origen *Masters of Preaching* Ray E. Atwood, 2012-02-16 The history of Catholic homiletics is rich and layered with theology and spirituality Every period of Church history contains preachers who have been blessed with oratorical skills and spiritual depth They are saints scholars bishops priests and deacons from the Eastern and Western traditions Masters of Preaching the first book of its kind lays the foundations for a deeper understanding of Christian preaching It is an important contribution to the subjects of history and preaching This exceptional text sheds light on the lives and sermons of the Church's most talented preachers Through the lives and works of thirty-one men the reader will experience fine sermons from the most eloquent homilists There is much to learn from this important book **Liturgy with Style and Grace** Gabe Huck, 2020-03-06 This book presents the basics of liturgy for parish liturgy committees and planning teams liturgical ministers and anyone interested in learning more about the way we worship It offers planners and ministers a way to gain a sense of all the ways liturgy expresses the life of a parish Whether read from beginning to end or simply selected by a particular topic these articles assist with teaching and learning about the liturgy Discussion questions and helpful quotations from a variety of sources are available for individual use or group study The new revision includes updated quotes from liturgical documents and texts as well as revised study questions and sidebar quotes **Long Have I Loved You** Walter J. Burghardt, 2000 This life work crystallizes and clarifies the major developments in Catholic thought and practice before and after Vatican II Each chapter focuses on an essential theme theology spirituality scripture social justice ecumenism priesthood apostolate of the laity women in the church medicine and ethics crisis in the church and illuminates them through stories experiences and insights Anyone interested in understanding the watershed history of Catholicism in the 20th century will value Walter Burghardt as a reliable guide and fascinating companion Who was who in America Marquis Who's Who, 1943 The Whole Works of ...
