Love Notes Ryan Dalgliesh,2008-02 Dalgliesh presents a concise look at what the Bible teaches about everything related to love Relationships *Love Notes from God* Amanda Burke,2011-09-27 Grief and loss are taboo subjects A mother doesn't want to talk about her child who died Or does she A woman who miscarries isn't losing as much as a mother who loses a newborn Or is she A father doesn't grieve as much as a mother Or does he Our culture is full of misconceptions about grief and loss Few mention the thousands of miscarriages and stillbirths the babies and small children who die every day leaving parents with empty arms and grieving hearts The journey through grief can be long and lonely for the families left behind *Love Notes from God* examines how parents cope when they go through a miscarriage or lose an infant Find out what you can say or do to help them and also learn what is never appropriate to say to someone who is grieving God's Love Letters to You Larry Crabb,2011-05-09 Dear your name here I love you Love God What if you had a letter from the Lord of the Universe written specifically to you with unique insight into who He is and what He has planned for you What if you could enter into a real conversation with the God of the Bible WELL YOU DO AND YOU CAN The greatest love letters of all time did not come from the pen of a playwright or the mouth of a poet They weren't formed on warped sheets of music or with the quills of romantics These letters come from the Word of the Almighty God Based on 66 Love Letters Dr Larry Crabb's intimate conversation with God this devotional experience offers the chance to completely change the way you think about love Give yourself forty days to fall head over heels in love with the Savior who calls you by name and welcomes you into a sweeping incredible relationship with Him Discover the language and story of true love as it was originally intended personal letters from God to you *Love Letters from God* Bonnie G. Revelation: A Love Letter from God Katheryn Maddox Haddad, 2014-08-14 Revelation is not a book of gloom and doom It is a book of hope A book of reassurance that no matter how bad things get in the world God is still in control and still loves us like light shimmering in the soul It was written during a time when Christians were losing jobs and homes friends and family During a time when Christians were being imprisoned tortured and killed They were laying everything on the line for Jesus Everything They needed hope They needed this love letter This is a history of the world before Jesus was born especially the world of the

Israelites It is also an account of Jesus birth ministry and death It ends with the final doom of Satan and the final victory of the church the heavenly Jerusalem After all does not chapter 1 verse 19 state that John was to write therefore what you have seen past what is now present and what will take place later future The scriptures always interpret themselves therefore the author takes you through each scene with applicable background scriptures to magnify the meaning with unique clearness This is God s last love letter to the world He has done everything possible to help us escape hell including offering his only begotten son to die in our place We are his children He loves us and does not want us to be hurt He tells of the overwhelming joy he can give those who accept his Son as Lord of their life He also tells us that if we become Christians he will protect us as he always protected his children in the past This is one last reassurance One last love letter from God Cast aside all the horror stories you have been told about Revelation View it now with fresh new eyes be awed and be showered with God s love

God's Love Letters from Nana Judy Ann Bowman, Nana s book of love letters which was written for Jesus s precious children consists of thirteen letters The thirteenth letter is a birthday letter appropriate for any month These carefully thought out letters were prayed over and were changed many times with the inspiration of God s input and love for his little ones They do not have to start in January as a continuation or connection between each month They are written as separate entities with each letter introducing the month about which I am writing This would include the time of year the seasons and many of the holidays There are exaggerated adjectives and exclamations to bring out refreshing fun laughter and surprise to the child in the sentences The younger years of my past are woven together with present life situations to capture and stimulate the child s imagination New and creative ways are introduced in playing crafts and jokes they can share with their friends The intent above all is to intertwine the love of Jesus throughout the letters This is circled around love that is expressed to them and love that can come from them toward others The captivatingly tailored letters are inspired by God to help instill confidence and good moral conduct and to mold a godly character in the children

Love Letters to God Lynn D. Morrissey, 2010-07-07 Women yearn to share their experiences with the Lover of their souls in a way that is honest and simple yet deeply satisfying The key to this intimate self expression is prayer journaling By pouring her heart out on paper to God a woman can enjoy God's loving presence explore her purpose and passion appreciate life's beauty and answer its perplexities experience spiritual transformation and leave a permanent record of God's faithfulness in her life Love Letters to God is a woman's invitation to take a personal pilgrimage through her own sacred writings to the very heart of God DISCOVER THE WAY TO GOD'S HEART Your holding an invitation in your hands an invitation to take a personal pilgrimage through your own sacred writings to the very heart of God If you're intimidated by praying aloud or easily distracted during your devotional time pouring your heart out on paper will give you the privacy and intimacy you need Inspired by these beautifully written reflections you'll find the most fulfilling way to enjoy God's loving presence explore your purpose and passion and leave a permanent record of His love and faithfulness in your life Find freedom healing hope and security as you share your deepest longings with the lover of your soul Story Behind the Book Writing one's prayers in a journal unlike verbal or silent prayers provides an actual safe place to grow spiritually and to enjoy and enhance a personal relationship with God Verbal prayers are soon forgotten but our love letters to God become a permanent place for exploring our hearts a tangible testimony of God's love and faithfulness in our lives and a detailed document of our spiritual journeys We can literally see the progression of changes in our lives as expressed on the pages of our soul our prayer journals and we can see God's answers to our prayers recorded there Like the psalmists many people have discovered that writing is the key to intimate self expression providing a deep emotional catharsis that is often missing from their verbal or silent prayers *Love Letters to God* Yvonne Annette Stroud, 2021-04-12 Relationships require nurturing in order to be strong No relationship requires more nurturing than our relationship with God God doesn't need to spend time with us to get to know us After all he is the all seeing all knowing ever present God However we need to spend

quality time with God to get to know him In getting to know God we are strengthened encouraged and empowered Within the pages of this book you will find a journey that creates time for you to spend with God Daily reads and tasks are perfect for everyone even the busy The love letters have been strategically ordered by God and sectioned into three parts While they are my personal words to God read them as though they were coming from you Embrace the message in each letter In addition you will be asked to honestly reflect on your life in ways you might never have reflected Be true to yourself More importantly be true to God Finally each poem has a day set aside for you to meditate on God s Word and listen to what God is saying to you personally While reading straight through the book is tempting it is recommended you take each step one day at a time God has designed this journey to be thirty six days for a reason Just as he took his time creating the earth in all its beauty God wants this time spent with him to establish a beauty he has designed especially for you All you have to do is open your heart to God as you travel Quote from the book No one does more for us than God Even when we forget about God he doesn t forget about us
