Love Is Lasting:

Love That Lasts Jefferson Bethke, Alyssa Bethke, 2017-10-10 In *Love That Lasts* New York Times bestselling author of *Jesus Religion* Jefferson Bethke and his wife Alyssa expose the distorted views of love that permeate our culture and damage our hearts minds and souls Drawing from Jeff's prodigal son personal history and from Alyssa's *True Love Waits* experience the Bethkes point to a third and better way Blending personal storytelling with biblical teaching they offer readers an inspiring realistic vision of love dating marriage and sex Young people today enter adulthood with expectations of blissful dating followed by a romantic fulfilling marriage only to discover they've been duped They learned about love and sexuality from social media their friends Disney fairy tales pornography or even their own rocky past and they have no idea what healthy lifelong love is supposed to be like The results are often disastrous with this generation becoming one of the most relationally sick sexually addicted and divorce ridden in history Looking to God's design while drawing lessons from their own successes and failures the Bethkes explode the fictions and falsehoods of our current moment One by one they peel back lies such as the belief that every person has only one soul mate that marriage will complete you and that pornography and hook ups are harmless

The Good Marriage: How and Why Love Lasts Judith Wallerstein, 2019-08-09 When it first appeared in 1995 The Good Marriage became a best seller It offers timeless clues to the secret of happy long lasting marriages Based on a groundbreaking study of fifty couples who consider themselves happily married psychologist Judith Wallerstein presents the four basic types of marriage romantic rescue companionate and traditional and identifies nine developmental tasks that must be successfully undertaken in a good marriage separation from the family of origin up and down vicissitudes of early years children balance of work and home dealing with infidelities and more The men and women Wallerstein interviewed readily admit that even the best relationship requires hard work and continuing negotiation especially in the midst of societal pressures that can tear marriages apart But they also convey an inspirational message for almost all of them feel that their marriage is their single greatest accomplishment The Good Marriage explains why and its lively mix of storytelling and analysis will challenge every couple to think in a profoundly different way about the most important relationship in their lives Should be required reading for all who are interested in marriage W Walter Menninger Should prove a lifesaver for many couples Publishers Weekly Will enrich the sparse literature on happy marriages USA Today One of the nice things about The Good Marriage is its modesty It doesn't pretend to offer a philosophy or even a lecture on marriage It takes no position on the ideologically charged issues of women's marital roles and status Equally important it ignores the two most common ways of talking about marriage as a contract negotiated between two equal parties and as the pathway to individual fulfillment For this reason it is refreshingly free of rights talk and therapy talk Indeed Wallerstein places much more emphasis on the development of good judgment and a moral sense than on the acquisition of effective communication or negotiation skills Barbara Dafoe Whitehead The Atlantic A lagniappe to enduring couplehood The strength of this study is that Ms Wallerstein a gifted interviewer persuades the couples to reveal their interior lives in rich explicit detail Susan Jacoby The New York Times Book Review Written in a masterful style that often reads like the best popular fiction Wallerstein and Blakeslee again combine their substantial talents deftly and entertainingly exploring the foundations of good marriages Tara Aronson San Francisco Examiner Chronicle Groundbreaking Boston Globe This is a wonderfully readable and immensely valuable book full of wise and original insights about the many many roads to marital happiness Judith Viorst With wisdom humor and sympathetic understanding Judith Wallerstein helps us recognize and rediscover the good marriage lucid psychologically sophisticated and generously wise David Blankenhorn Newsday Historically informative as well as profoundly wise psychologically Joan M Erikson For a long time as a Rabbi I've been using The Good Marriage by the late Judith Wallerstein in my pre marital counseling She provides amazingly helpful insights which open up conversations and lead couples to think much more deeply about what they are getting themselves into and what they might need to do to keep their marriages strong Rabbi Carl M Perkins A welcome

addition to the field of literature on contemporary marriage The style is clear concise sensitive and occasionally personal Her personal additions add warmth emotional consciousness and greater insight into what makes individuals and couples happy in their relationships This book has value for the many audiences interested in relational theory that want to approach relationships from a realistic and positive perspective Nancy Williford Clinical Social Work Journal In The Good Marriage Wallerstein s new study of 50 married couples offers affirmation that the process of marriage itself presents a vehicle for transformation A best selling author Wallerstein employs a thoughtful nonaggressive style that appeals to the general public Wallerstein has performed an invaluable service in The Good Marriage Elizabeth M Tully M D Journal of Academy of Child and Adolescent Psychiatry Solid impressive Those interested in social policy should be pleased that so well respected a liberal academic as Ms Wallerstein has written a book that celebrates marriage and points the way toward restructuring it Wall Street Journal With extraordinary skill and compassion Wallerstein and Blakeslee take us inside the lives of fifty American couples and find that a good marriage still provides the best framework for enduring love and intimacy Sylvia Ann Hewlett A very appealing book clearly written and clearly thought out Library Journal Wallerstein s major contribution is not about how and why love lasts but about how and why love develops It is in such a context less idyllic but more realistic that the book will prove to be a lasting contribution Readings A Journal of Reviews and Commentary in Mental Health *Love's Lasting Song* Leslie P. Garcia, 2001-02-28 Julie Barnes knew she was in trouble the minute she kissed the horse but she didn t expect to be flung into the arms of international Latino singing star Joaquin Gonzalez who had frequented her fantasies for years But the Joaquin of her dreams was unlike the real life arrogant entertainer who after picking her up off the Nuevo Laredo street where the horse slung her set about wooing Julie As the anonymous author of the best selling novel Shades Julie s horrified to discover that Joaquin has been cast to star as the male lead in the film version of her book and that the film will be shot right on the streets of Laredo Although Joaquin is perfect for the part of Alfonso the fiery Latin lover he definitely isn t perfect for safe sensible determinedly unattached Julie who has fallen hopelessly in love with the sexy star How could he ever give up his swinging Don Juan lifestyle and settle for Julie As the filming ends Julie faces some hard facts about her past and makes some tough decisions about her future Will she remain safe and alone in Laredo Or will she always hear Love s Lasting Song **The Unspoken Rules of Lasting Love** Margaret Light, 2025-05-21 The Unspoken Rules of Lasting Love is a powerful and intimate guide that reveals the hidden truths that make or break relationships Far beyond clichés and surface advice this book explores the quiet often overlooked habits that sustain real connection like emotional safety shared growth daily communication and the courage to repair after conflict With honesty and depth it shows that love isn t sustained by romance alone but by intentional practice mutual respect and vulnerability For anyone who wants to love better this book offers not just insight but a new language for building love that lasts Love that Lasts Dorothy Jongeward, Michelle Raffin, 1993 The four million selling author of Born to Win provides readers looking for lasting partners
