Making War Not Love Gender And Sexuality In Russian Humor

Eliot Borenstein

Making War Not Love Gender And Sexuality In Russian Humor:

Making War, Not Love Emil Draitser, 1999-08-20 Emil A Draitser offers an insider's view on the sociological and psychological functions of Russian sexual folklore and the way it reflects male female relationships leaving no dirty joke untold as he examines such taboo subjects as adultery impotence and gender and violence

Military Masculinity and Postwar Recovery in the Soviet Union Erica L. Fraser, 2019-01-01 Catastrophic wartime casualties and postwar discomfort with the successes of women who had served in combat roles combined to shatter prewar ideals about what service meant for Soviet masculine identity The soldier had to be re imagined and resold to a public that had just emerged from the Second World War and a younger generation suspicious of state control In doing so Soviet military culture wrote women out and attempted to re establish soldiering as the premier form of masculinity in society *Military Masculinity and Postwar Recovery in the Soviet Union* combines textual and visual analysis as well as archival research to highlight the multiple narratives that contributed to rebuilding military identities Each chapter visits a particular site of this reconstruction including debates about conscription and evasion appropriate role models for cadets misogynist military imagery in cartoons the fraught militarized workplaces of nuclear physicists and the first cohort of cosmonauts who represented the completion of the project to rebuild militarized masculinity

The Pragmatics of Humour Across Discourse Domains Marta Dynel, 2011 Brings together a range of contributions on the linguistics of humour This title elucidates the whole gamut of humorous forms and mechanisms such as surrealist irony incongruity in register humour mechanisms of pun formation as well as interpersonal functions of conversational humour

Women and Gender in Central and Eastern Europe, Russia, and Eurasia Mary Zirin, Irina Livezeanu, Christine D. Worobec, June Pachuta Farris, 2015-03-26 This is the first comprehensive multidisciplinary and multilingual bibliography on Women and Gender in East Central Europe and the Balkans Vol 1 and The Lands of the Former Soviet Union Vol 2 over the past millennium The coverage encompasses the relevant territories of the Russian Hapsburg and Ottoman empires Germany and Greece and the Jewish and Roma diasporas Topics range from legal status and marital customs to economic participation and gender roles plus unparalleled documentation of women writers and artists and autobiographical works of all kinds The volumes include approximately 30 000 bibliographic entries on works published through the end of 2000 as well as web sites and unpublished dissertations Many of the individual entries are annotated with brief descriptions of major works and the tables of contents for collections and anthologies The entries are cross referenced and each volume includes indexes

Libertinage in Russian Culture and Literature Alexei Lalo, 2011-09-09 Much of the previous scholarship on Russia's literary discourses of sexuality and eroticism in the Silver Age was built on applying European theoretical models from psychoanalysis to feminist theory to Russia's modernization This book argues that at the turn into the twentieth century Russian popular culture for the first time found itself in direct confrontation with the traditional high cultures of the upper classes and intelligentsia producing

modernized representations of sexuality This Russian tradition of conflicted representations heretofore misassessed by literary history emerges as what Foucault would call a full blown bio history of Russian culture a history of indigenous representations of sexuality and the eroticized body capable of innovation on its own terms not just those derivative from Europe

Slavic Sins of the Flesh Ronald D. LeBlanc, 2012-07-03 A pathbreaking gastrocritical approach to the poetics of Dostoevsky Tolstoy and their contemporaries

Sex, Politics, and Putin Valerie Sperling, 2015 Is Vladimir Putin macho or is he a fag Sex Politics and Putin investigates how gender stereotypes and sexualization have been used as tools of political legitimation in contemporary Russia Despite their enmity regime allies and detractors alike have wielded traditional concepts of masculinity femininity and homophobia as a means of symbolic endorsement or disparagement of political leaders and policies By repeatedly using machismo as a means of legitimation Putin s regime unlike that of Gorbachev or Yeltsin opened the door to the concerted use of gendered rhetoric and imagery as a means to challenge regime authority Sex Politics and Putin analyzes the political uses of gender norms and sexualization in Russia through three case studies pro and anti regime groups activism aimed at supporting or undermining the political leaders on their respective sides activism regarding military conscription and patriotism and feminist activism Arguing that gender norms are most easily invoked as tools of authority building when there exists widespread popular acceptance of misogyny and homophobia Sperling also examines the ways in which sexism and homophobia are reflected in Russia s public sphere

Baba Yaga Andreas Johns, 2004 Baba Yaga is a well known witch from the folklore tradition of Russia Ukraine and Belarus A fascinating and colorful character she resembles witches of other traditions but is in many ways unique Living in the forest in a hut that stands and moves on chicken legs she travels in a mortar with a pestle and sweeps away her tracks with a broom In some tales she tries to harm the protagonist while in others she is helpful This book investigates the image and ambiguity of Baba Yaga in detail and considers the meanings she has for East Slavic culture Providing a broad survey of folktales and other sources it is the most thorough study of Baba Yaga yet published and will be of interest to students of anthropology comparative literature folklore and Slavic and East European studies

The Worlds of Russian Village Women Laura J. Olson, Svetlana Adonyeva, 2013-01-10 Russian rural women have been depicted as victims of oppressive patriarchy celebrated as symbols of inherent female strength and extolled as the original source of a great world culture Throughout the years of collectivization industrialization and World War II women played major roles in the evolution of the Russian village But how do they see themselves What do their stories songs and customs reveal about their values desires and motivations Based upon nearly three decades of fieldwork from 1983 to 2010 The Worlds of Russian Rural Women follows three generations of Russian women and shows how they alternately preserve discard and rework the cultural traditions of their forebears to suit changing needs and self conceptions In a major contribution to the study of folklore Laura J Olson and Svetlana Adonyeva document the ways that women s tales of traditional practices associated with marriage childbirth and death reflect both

upholding and transgression of social norms Their romance songs satirical ditties and healing and harmful magic reveal the complexity of power relations in the Russian villages

Sappho in the Holy Land Chava Frankfort-Nachmias, Erella Shadmi, 2012-02-01 This unique collection examines the experience of lesbians in Israel providing insight into some of the institutions that have helped shape that experience The book analyzes and interprets how culturally specific political ideological and social systems construct lesbian identities experiences and dilemmas and it also explores how a specific society is seen understood and interpreted from a lesbian perspective Written by scholars professionals and grassroots activists representing different sectors of the Israeli political spectrum this book provides a broad perspective of the lesbian experience in Israel

Soviet Self-Hatred Eliot Borenstein, 2023-06-15 Soviet Self Hatred examines the imaginary Russian identities that emerged following the collapse of the Soviet Union Eliot Borenstein shows how these identities are best understood as balanced on a simple axis between pride and shame shifting in response to Russia's standing in the global community its anxieties about internal dissension and foreign threats and its stark socioeconomic inequalities Through close readings of Russian fiction films jokes songs fan culture and Internet memes Borenstein identifies and analyzes four distinct types with which Russians identify or project onto others They are the sovok the Soviet yokel the New Russian the despised ridiculous nouveau riche the vatnik the belligerent jingoistic patriot and the Orc the ultraviolent savage derived from a deliberate misreading of Tolkien's epic Through these contested identities Soviet Self Hatred shows how stories people tell about themselves can tragically become the stories that others are forced to live

Encyclopedia of Women's Folklore and Folklife Pauline Greenhill, Liz Locke, Theresa A. Vaughan, 2008-12-08 From the stone age to the cyber age women and men have experienced the world differently Out of a cosmos of goddesses and she devils earth mothers and madonnas witches and queens saints and whores a vast body of women's folklore has come into bloom International in scope and drawing on more than 130 expert contributors this encyclopedia reviews the myths traditions and beliefs central to women's daily lives More than 260 alphabetically arranged entries cover the lore of women across time space and life Students of history religion and spirituality healing and traditional medicine literature and world cultures will value this encyclopedia as an indispensable guide to women's folklore In addition there are entries on women's folklore and folklife in 15 regions of the world such as the Caribbean Central Asia the Middle East and Western Europe Entries provide cross references and cite works for further reading and the encyclopedia closes with a selected bibliography of print and electronic resources Students learning about history world cultures religion and spirituality healing and traditional medicine and literature will welcome this companion to the daily life of women across time and continents

Canadian-American Slavic Studies, 2001 A quarterly journal devoted to Russia and East Europe

The Politics of Fantasy Eliot Borenstein, 2025-08-19 What happened when J K Rowling's mega blockbuster born in the United Kingdom and launched to global heights by Hollywood and the full force of Western marketing came knocking on President Putin's door The arrival of boy wizard and international

star Harry Potter in a recently neoliberal Russia was enormously influential but neither smooth nor uncontested The franchise quickly became a lens that focused Russian ambitions and fears during an era characterized by both the hegemony of globalized popular culture and a nationalized conservative backlash With crisp engaging prose Eliot Borenstein leaps from Harry Potter into an exploration of the culture wars and moral panics sparked in Russia by Western inspired children s literature extending back into the Soviet period and through the invasion of Ukraine As cultural products pitched ostensibly to children the Harry Potter books and films became the perfect objects for criticism translation adaptation parody attack mimicry and meme making allowing Russians to carve out their own space in the worldwide market of magical multiverses

Peacebuilding with Women in Ukraine Maureen Flaherty,2012-07-23 Twenty years post independence Ukraine remains split still floundering toward viable democracy Active participation in civic affairs required for democracy is unfamiliar for most Ukrainian citizens having internalized centuries of divisive oppression under a series of authoritarian regimes Democracy building and peace building require participant agency and voice rising out of oppression people often need support to speak about and transform their lived experiences Peacebuilding with Women in Ukraine Using Narrative to Envision a Common Future by Maureen P Flaherty explores the roles women s shared narrative dialogue and group visioning play in the support of personal empowerment and bridge building between diverse communities Despite participants initial beliefs that their regional counterparts shared little in common with them in the process of telling their personal life stories women were able to reflect upon their own values and strengths and with this rooting they were then able to reach out to others Rather than looking for differences participants sought ways to express a shared vision for an inclusive functional peace building future for themselves their families and Ukraine as a whole Peacebuilding with Women in Ukraine is a model for emancipatory social action and social change while the women s stories offer a window into the formative years and present day lives of eighteen women born and raised in the Soviet Union This study is a unique contribution to peace studies and to the history and building of a country that has most often had its history written for it **Komiks** José

Alaniz,2011-02-03 Jos Alaniz explores the problematic publication history of komiks an art form much maligned as bourgeois mass diversion before during and after the collapse of the USSR with an emphasis on the last twenty years Using archival research interviews with major artists and publishers and close readings of several works Komiks Comic Art in Russia provides heretofore unavailable access to the country s rich but unknown comics heritage The study examines the dizzying experimental comics of the late Czarist and early revolutionary era caricature from the satirical journal Krokodil and the postwar series Petia Ryzhik the Russian Tintin Detailed case studies include the Perestroika era KOM studio the first devoted to comics in the Soviet Union post Soviet comics in contemporary art autobiography and the work of Nikolai Maslov and women s comics by such artists as Lena Uzhinova Namida and Re I Alaniz examines such issues as anti Americanism censorship the rise of consumerism globalization e g in Russian manga the impact of the internet and the hard won

establishment of a comics subculture in Russia Komiks have often borne the brunt of ideological change thriving in summers of relative freedom freezing in hard winters of official disdain This volume covers the art form s origins in religious icon making and book illustration and later the immensely popular lubok or woodblock print Alaniz reveals comics vilification and marginalization under the Communists the art form s economic struggles and its eventual internet migration in the post Soviet era This book shows that Russian comics as with the people who made them never had a normal life [Stalin's Romeo Spy](#) Emil Draitser,2010-03-19 Living a life that seems incredible even for a spy novel Dmitri Bystrolyotov was a sailor doctor lawyer and writer fluent in many languages whose success as a spy hinged on the fact that he was a charming handsome and very adept at seducing women He stole military secrets from Germany and Italy and fed Stalin information from all over Europe with his conquests including a French embassy employee the wife of a British official and a disfigured Gestapo officer His story took an unexpected turn when at the height of Stalin s purges he was arrested tortured and sentenced to hard labor in the Gulag where he risked further punishment by documenting how the regime he once served fully and unquestioningly had descended into a monstrous legacy of crimes against humanity [Shush! Growing Up Jewish Under Stalin](#) Emil Draitser,2008-09-04 This memoir conveys us back to Draitser s childhood and adolescence and provides a unique account of post Holocaust life in Russia We live side by side with young Draitser as he struggles to reconcile the harsh values of Soviet society with the values of his working class Jewish family Despite the waves of anti Jewish campaigns which swept over the country and climaxed in the infamous Doctors Plot we feel the Draitsers loving family life lively evocative and rich with humor This intimate story ends with the death of Stalin and through the author s anecdotes about his ancestors presents a sweeping panorama of two centuries of Jewish history in Russia **BOOK JACKET** [Women without Men](#) Jennifer Utrata,2015-05-21 Women without Men illuminates Russia s quiet revolution in family life through the lens of single motherhood Drawing on extensive ethnographic and interview data Jennifer Utrata focuses on the puzzle of how single motherhood frequently seen as a social problem in other contexts became taken for granted in the New Russia While most Russians including single mothers believe that two parent families are preferable many also contend that single motherhood is an inevitable by product of two intractable problems weak men reflected they argue in the country s widespread chronic male alcoholism and a weak state considered so because of Russia s unequal economy and poor social services Among the daily struggles to get by and get ahead single motherhood Utrata finds is seldom considered a tragedy Utrata begins by tracing the history of the cultural category of single mother from the state policies that created this category after World War II through the demographic trends that contributed to rising rates of single motherhood to the contemporary tension between the cultural ideal of the two parent family and the de facto predominance of the matrifocal family Providing a vivid narrative of the experiences not only of single mothers themselves but also of the grandmothers other family members and nonresident fathers who play roles in their lives Women without Men maps the Russian family against the country s profound

postwar social disruptions and dislocations
Toporkov, 1999

Эрос И Порнография В Русской Культуре Marcus C. Levitt, A. L.
