Golden Nuggets from the Mountains Fred B. Lunsford,2010-11 The late 1920 and early 1930's was the time of the Great Depression Little or no work was available so people could earn money for survival All mountain families grew vegetables kept a milk cow and raised some

hogs Those who owned their mountain farms lived well by working hard and managing well They cut timber to sell and earn a little money necessary for clothing and other things they couldn't grow It was widely known that gold had been found in the mountains Men would put in endless hours panning for gold in the small mountain streams Now and then someone would find a gold nugget Most of the time it would be the size of a pea or maybe the size of a marble Gold was a symbol of wealth When someone found a nugget and word got around everyone would be talking about Uncle Ben striking it rich However I never knew of anyone selling his gold for a pile of money One day I realized that gold nuggets were not only present in these mountains but that there were golden nuggets in the experiences of my life in these mountains It is with great joy that I share these stories with anyone who cares to read them Fred Lunsford

Thakur,2021-11-22 The story of *The Mountains Within* is prototypical of the people who grew into first ever consciousness of their own identities from the obscurity of innumerable socio cultural microcosms that had existed at the subterranean level for centuries and millennia over the length and breadth of India before the Independence The story moves from present to past to future with the main protagonist s grand daughter setting out to reconstruct the life story of her grand father she admires The story is contemporary and relevant to a whole lot of Indians who finished their journeys of existence at the beginning of the new millennium As they sit back vacuous and dazed after the retirement they cannot help ruminating over the past vis vis their own lives No matter how objective their self appraisal they cannot escape being dubbed a generation of ineffectual crusaders who fell from grace by succumbing to hypocrisies both personal and collective They cannot exonerate themselves from the stigma of making a mess of a newly liberated country through moral turpitude and lack of individual will They cannot face up to the younger generation of today and convince them they had no role to play in the fabrication of myths such *Mera Bharat Mahaan* There are no Nuremberg Trials for the crimes we commit within our minds and souls However if history is continuity between the past and the present then *The Mountains Within* does leave some doors open for Nuremberg Trials of the mind and the souls for these Indians *The U.S. Marine Corps Mountain Warfare Training Center, 1951-2001* Orlo K.
