Paths To Homelessness Extreme Poverty And The Urban Housing Crisis:

Paths To Homelessness Doug A Timmer,D. Stanley Eitzen,Kathryn D. Talley,D Stanley Eitzen,2019-06-04 The major theme in this book is that people are homeless because of structural arrangements and trends that result in extreme impoverishment and a shortage of affordable housing in U S cities It explains the economic and historical causes of homelessness with accounts of individuals and families *Homeless Not Hopeless* Edna Molina-Jackson,2008-08-28 The importance of moving toward a national policy to end homelessness is crucial In this striking examination of the roles that homeless people and the U S government play in causing and curtailing the escalating phenomena of homelessness Edna Molina Jackson asserts that there is a great need to alter the socio economic structures that generate extreme and entrenched forms of poverty that lead to homelessness *Homeless Not Hopeless* explores the role social networks play in the daily survival of homeless Latino and African American men Using a qualitative research design author Molina Jackson observes how these men initiate participate in and maintain social networks and how these networks function The findings support a more empowering view of homeless men as active rational and competent actors engaged in negotiating their social world Members rely on social networks composed of a hierarchy of casual and intimate affiliations The networks of Americanized Latinos and African Americans facilitate their integration into a subculture of street life while those of recent immigrant Latinos revolve around their struggles to find work avoid deportation and enlist the support of paisanos

The Creation of a Federal Partnership Margaret M. Brassil, 2010-11-03 With the ongoing recession and housing crisis it has never been more important to understand the federal and state governments roles in affordable housing The Creation of a Federal Partnership takes a fresh look at the history of national and state housing policy by examining the role played by state housing agencies since the 1970s Establishing new ground in the field this volume discusses how the relationship between the federal and state levels has evolved over time The result Margaret M Brassil argues is that the federal government s broad policy guidelines allow states to better address their own social issues an improvement for policy and ultimately for the people it serves

No Room of Her Own D. Hellegers, 2016-04-30 This oral history collection brings together extended interviews with fifteen women illuminating the part that gender roles play in ensnaring women in cycles of domestic abuse and homelessness and highlighting the physical stresses It also challenges liberal myths about homeless people and homeless women in particular

Homelessness in America Robert Hartmann McNamara, 2008-08-30 Homelessness is one of the most compelling social problems in the United States Dating from the early years in Colonial America to the current problems relating to homeless women and children homelessness has been the topic of discussion of scholars social activists and policy makers Many types of social problems are linked to homelessness including poverty substance abuse foster care and crime As a result unpacking the issues has proven to be a challenge for anyone interested in this topic Homelessness in America offers an assessment of what is known about each segment of the homeless population which contrary to conventional belief is comprised of a wide variety of faces from many backgrounds It explains linkages to other social issues and provides a balanced overview of homelessness in light of the varying perspectives on the topic While much of what has been written about homelessness has come from the academic perspective agendas often interfere with an accurate understanding of the problem Clearly there is a place for other types of perspectives including those that view homelessness through political and legal lenses These groups have provided us with a robust body of information within which we may better understand the questions relating to homelessness McNamara has brought together the voices of these groups in order to reveal the numerous political economic and social constraints that beset current attempts to solve homelessness In addition the commonly held belief that homelessness is a result of laziness or a poor work ethic is turned on

its head to reveal that homelessness is truly a multifaceted and complex issue Racism in Contemporary America Meyer Weinberg,1996-05-23 Racism in Contemporary America is the largest and most up to date bibliography available on current research on the topic It has been compiled by award winning researcher Meyer Weinberg who has spent many years writing and researching contemporary and historical aspects of racism Almost 15 000 entries to books articles dissertations and other materials are organized under 87 subject headings In addition there are author and ethnic racial indexes Several aids help the researcher access the materials included In addition to the subject organization of the bibliography entries are annotated whenever the title is not self explanatory An author index is followed by an ethnic racial index which makes it convenient to follow a single group through any or all the subject headings This is a source book for the serious study of America s most enduring problem as such it will be of value to students and researchers at all levels and in most disciplines

America's Shame Barbara A. Arrighi,1997-07-30 Rejecting those who urge a bootstrap approach to people living in extreme poverty on the edge of society sociologist Barbara Arrighi makes an eloquent compassionate plea for empathy and collective responsibility toward those for whom either the boots or the straps are missing This book further offers solutions in consciousness raising community collaboration and informed responsible public policy The book is a critique of a system that purports to serve yet sometimes impedes the welfare of those who are in need of the basic elements for survival including affordable shelter It analyzes the structural factors of poverty and the social psychological costs of being poor and lacking a home Utilizing interview findings from families who have lived in a shelter in northern Kentucky and from staff members the book examines the degrading effects of shelter life on women s self respect and children s development Rather than an examination of individual pathologies leading to lack of shelter it centers on women and children living in shelters and offers a sociological study of poverty and the family **Vulnerability in a Mobile World** Helen Forbes-Mewett,2019-11-25

Populations across the world are becoming increasingly mobile for many different reasons Some are searching for a better and safer life others migrate for economic or environmental purposes education or identity formation While mobility may bring better life chances this book shows that for some it means experiencing vulnerability
