

The background of the slide is a photograph of a sunset or sunrise. The sky is filled with dark, heavy clouds, some of which are illuminated from below by the sun, creating a mix of deep blues, purples, and oranges. The sun itself is a bright, glowing orb positioned just above the horizon line. The horizon is a straight line that divides the sky from the water. The water in the foreground is dark and calm, with a few small, light-colored patches that could be rocks or sandbars. The overall mood is serene and contemplative.

Near Death Experiences and Sacred Scripture Douglas Charles Hodgson, 2024-08-30 Near Death Experiences and Sacred Scripture The Parallel Messaging examines striking similarities and parallels between messaging found in accounts of those who have written about their near death experiences and in accounts contained in the sacred scriptures of the world's great religions This symmetrical and mutually reinforcing messaging is timeless in nature and is arguably more relevant today than in any previous period in human history as humanity continues to face existential threats to its survival In an era of rampant materialism and consumerism armed conflict environmental degradation species extinction global warming as well as an obsessive preoccupation with self rather than others and a devaluation of the life's sanctity It's timely to spark a revived interest in and knowledge of God and the afterlife and in seeking answers to life's larger religious spiritual philosophical and metaphysical questions This book will provide assurance and solace to those who are terminally ill or fear the death of their physical body for those who are suffering a difficult bereavement and for those who feel lost and confused about the meaning and purpose of life and what lies ahead of them

Davies, 2013-06-28 This book explores Mormon theology in new ways from a scholarly non-Mormon perspective Bringing Jesus and Satan into relationship with Joseph Smith the founding prophet Douglas Davies shows how the Mormon Plan of Salvation can be equated with mainstream Christianity's doctrine of the Trinity as a driving force of the faith Exploring how Jesus has been understood by Mormons his many Mormon identities are described in this book he is the Jehovah of the Bible our Elder Brother and Father probably also a husband he visited the dead and is also the antagonist of Satan Lucifer This book offers a way into the Mormon problem of evil
