Sylvia Walby

Patriarchy At Work Patriarchal And Capitalist Relations In Employment:

Patriarchy at Work Sylvia Walby, 2013-05-20 The concept of patriarchy is one which signals a sharp divide between traditions of feminist thought Sylvia Walby attempts to conceptualize patriarchy in a way that takes account not only of the complexity of relationships of gender but also of the subtleties of the interconnections of patriarchy and capitalism She rejects those accounts which treat patriarchy as a unified set of relations or which confine the site of patriarchy to any one privileged sphere such as the family Instead she elaborates a novel view of patriarchy as a set of relatively autonomous relations the connections between which are spelled out through a variety of detailed case studies In contrast to many other views of capitalist patriarchy Sylvia Walby characterizes the relationship between capitalism and patriarchy as a relationship not of harmony and mutual accommodation but of tension and conflict This thesis is substantiated through a comparative historical analysis of three contrasting areas of employment cotton textiles engineering and clerical work These analyses show the shortcomings of much conventional literature in sociology history and economics on women s employment which pays insufficient attention to the independence of patriarchal relations The book draws upon sociological historical economic and geographic materials to argue for an understanding of gender relations in terms of the specific tensions and compromises between patriarchal and capitalist relations Exploring the impact of the state on patterns of employment and unemployment completes a book rich in theoretical and empirical analysis *Patriarchy at Work* will be recognized as a major contribution to feminist thought and the social sciences

Patriarchy at Work Sylvia Walby, 1986 *Women and Work in Britain since 1840* Gerry Holloway, 2007-05-07 The first book of its kind to study this period Gerry Holloway s essential student resource works chronologically from the early 1840s to the end of the twentieth century and examines over 150 years of women s employment history With suggestions for research topics an annotated bibliography to aid further research and a chronology of important events which places the subject in a broader historical context Gerry Holloway considers how factors such as class age marital status race and locality along with wider economic and political issues have affected women s job opportunities and status Key themes and issues that run through the book include continuity and change the sexual division of labour women as a cheap labour force women s perceived primary role of motherhood women and trade unions equality and difference education and training Students of women s studies gender studies and history will find this a fascinating and invaluable addition to their reading material

Tourism and Gender-based Violence Paola Vizcaino, Heather Jeffrey, Claudia Eger, 2020-08-14 This book focuses on the multiple and interconnected manifestations of violence that women girls encounter in tourism consumption and production while seeking to open the debate on violence against sexual minorities LGBT and discussing men boys as victims and perpetrators of GBV

Law and Gender Joanne Conaghan, 2013-08-22 What role does gender play in shaping the law and legal thinking This book provides an answer to this question examining the historical role of gender in law and the relevance of gender to modern jurisprudence It presents a

clear concise introduction to thinking about gender issues for lawyers and law students **Conversing on Gender** G. G. Bolich, 2007-08 *Conversing on Gender* is as its subtitle indicates a primer for entering the broad conversation on gender that can be found both inside and outside of academic circles The book considers the relation of gender to sex and sexuality reviews prominent theories of gender and covers basic gender issues Out of Eden Beverly J. Stratton, 1995-01-01 *Out of Eden* contributes towards conversations about interpreting scripture Rather than adopting traditional views creation and fall or growth this study integrates literary critical theories and feminist scholarship to read the Genesis narrative in relation to concerns of contemporary communities The question of how we might engage the interpretative process and the rhetorical power of texts as we live our lives out of Eden is addressed Stratton argues that the interpretation of Genesis 2-3 matters that there are consequences for the actions we take on the basis of our interpretations and that we should enter the interpretative process only with care Theory on Gender Paula England, 1993-01-01 How do various social theories explain gender inequality Are these theories infused with masculinist biases that need to be redressed with insights from feminist theory To address these questions this collection of original essays features prominent sociologists discussing the strengths and the limitations of the theoretical traditions within which they have worked Among the theoretical perspectives included are those of Marxism world system theory macrostructural theories rational choice theory neofunctionalism psychoanalysis ethno methodology expectation states theory poststructuralist symbolic interactionism and network theory Each of the chapter length essays of the first two sections provides an overview of the theory explains its implications for gender inequality reviews empirical research and comments upon sexist biases or other limitations of the perspective The final section contains chapters on feminist debates over methodology critical commentaries on the preceding papers by four feminist scholars and replies by the original authors Political Theology Francis Schüssler Fiorenza, Klaus Tanner, 2013-11-15 In this collection six leading theologians on political theology explore the contemporary states and potential future of the discipline Offering a highly nuanced and complex picture of older and newer Political Theology these scholars examine the multifaceted interconnections and tensions between political theologies liberation theologies feminist theologies and theologies that see themselves as postcolonial or decolonizing Among other topics the authors address the ecumenical and global nature of political theology the lack of critical feminist analysis in most political liberation and postcolonial theologies the statements regarding political theology in the encyclicals of Benedict XVI and the specific tasks that political theology must address to remain effective and relevant Contributors include Jürgen Moltmann Johann Baptist Metz Elisabeth Schüssler Fiorenza Francis Schüssler Fiorenza Klaus Tanner and Michael Welker **Routledge Library Editions: British Sociological Association** Various, 2021-07-14 The volumes in this set originally published between 1969 and 2001 is comprised of original books published in conjunction with the British Sociological Association The set draws together original research by leading academics based on study groups and conference papers in the areas of youth race the

sociology of work gender social research urban studies class deviance and social control law development and health Each volume provides a rigorous examination of related key issues This set will be of particular interest to students and academics in the field of sociology health and social care gender studies and criminology respectively
