Southern plantations are an endless source of fascination That s no surprise since these palatial homes are rich in history representing a pivotal time in U S history that truly is gone with the wind With the Civil War literally exploding all around many of these homes were occupied either by Confederate or Union troops Nowhere else in the south were plantations so affected by the nation s bloodiest war than in Virginia At times families fled leaving behind slaves to manage the property There are still more than 60 plantations in Virginia today most of them open to the public Some have been restored others undergoing that process If only the walls could talk the stories we might hear That s what we hope to bring into this book on The Plantations of Virginia We ll take the tours and talk to the guides and dig even further if there is more to discover We hope that travelers will be enlightened before they travel to Virginia their visits will thus be enriched and that residents will equally love exploring this deep history of Virginia Accompanying the text will be photographs taken by one of the authors showing in all their splendor the exteriors of these plantations as well as areas of interest inside the buildings *Patrick Henry* Various (Ed. Charles F. Horne),2018-01-01 Patrick Henry was born in Hanover County Virginia May 29 1736 died in Charlotte County Virginia June 6 1799 He was the son of Colonel John Henry of Mount Brilliant a Scotchman by birth who was the nephew of Dr William Robertson the historian Henry received only the limited education accessible in the rural locality in which he was born consisting of the rudiments of an English training and absolutely no acquaintance with the classics At the age of fifteen he was placed in a country store as assistant salesman or clerk After a year s experience his father purchased a small stock of goods for him and set him up on his own account in partnership with his brother William
