State and Instability in the South Caroline Thomas, Paikiasothy Saravanamuttu, 1989-06-18 This collection of essays looks at the State and instability in the south from both a domestic and international viewpoint covering countries ranging from Japan to the Sudan **A Political And Social History Of Guyana, 1945-1983** Thomas Spinner, 2021-11-28 Originally published in 1984 this is a documented account of the political history of the former British colony of Guyana Providing a reflection of the increasing involvement of the United States in the Caribbean and Central America on the long term political social and economic effect that intervention can have on the small states of less developed countries during the period of 1945 to 1983 The text includes a detailed historical account of post World War II politics and moves onto the emergence of the nationalist movement in Guyana in the late 1940s and the cold war period of the 1950s concluding with the consequences both politically and economically in the 1980s **The Matrifocal Family** Raymond T. Smith, 2014-04-23 The essays in this collection focus attention on the enormous contribution made by women in maintaining family relations in situations of both racial and gender domination Internationalism in Children's Series K. Sands-O'Connor, M. Frank, 2014-04-08 Internationalism in Children's Series brings together international children's literature scholars who interpret internationalism through various cultural historical and theoretical lenses From imperialism to transnationalism from Tom Swift to Harry Potter this book addresses the unique ability of series to introduce children to the world *International Armed Conflict Since 1945* Herbert K. Tillema, 2019-04-08 International Armed Conflict Since 1945 is a bibliographic handbook that briefly describes each of 269 international wars and other war threatening conflicts occurring between 1945 and 1988 Beyond the Sociology of Development Ivar Oxaal, Tony Barnett, David Booth, 2012-08-21 Conceived as a response to the economic naivety and implicit metropolitan bias of many 1950s and 60s studies of the sociology of development this volume first published in 1975 provides actual field studies and theoretical reviews to indicate the directions which a conceptually more adequate study of developing societies should take Much of the book reflects strongly

the influence of Andre Gunder Frank but the contributors adopt a critical attitude to his ideas applying them in empirical situations within such African and American countries as Kenya Guyana Tanzania and Peru Others pursue the lines of enquiry opened up by Latin American theories of economic dependency and by the new school of French economic anthropology

Area Handbook for Jamaica Irving Kaplan, 1976 General study of Jamaica covers historical and geographical aspects the social structure living conditions education culture mass media the government the political system the economic structure defence the administration of justice etc Bibliography pp 287 to 314 glossary maps and statistical tables
