## **Pauls First Letters Galatians 1 And Ii Thessalonians Study Guide Commentaries:**

Commentary: Paul's First Letters Bob Utley, 1998      *1 & 2 Thessalonians: An Introduction and Study Guide* Richard S. Ascough, 2017-01-12 1 Thessalonians provides a fascinating glimpse into the origins and social life of the Christ group in the ancient Roman city of Thessalonike while 2 Thessalonians reveals how the community developed at a somewhat later time This guide narrates the story of the founding of the group by considering the social and cultural contexts the literary form the rhetorical strategies the theologies and the reception of the two canonical letters While centering on the texts of 1 and 2 Thessalonians themselves Ascough draws widely on literary and archaeological data giving particular attention to typical group behaviours among small unofficial associations in the Greek and Roman period The first four chapters focus on 1 Thessalonians from the initial formation of the Christ group out of a small association of artisans through to how members negotiated various sorts of relationships with Paul and his companions with outsiders in Thessalonike and beyond and especially with fellow believers within the group itself The final two chapters turn attention to the shifting circumstances that required a second letter to be written with its focus on disorder and disruption of social practices and theological beliefs The epilogue briefly surveys Christianity at Thessalonike beyond the 1st century This guide presents an overview of the historical development of the Christ group at Thessalonike Moving beyond treating the canonical letters as simple repositories of theological opinions Ascough demonstrates how 1 and 2 Thessalonians reveal ordinary life in ancient Roman cities In so doing he invites readers to enter the world of one of the many fascinating communities of Christ believers in the 1st century of the Common Era      **Help for Holiness** Paul F. Evans, 2018-10-30 At one time there was a great deal of interest in the topic of holiness but not so much anymore Theological wrangling and impossible legalism has left many in the church frustrated and confused with part of that confusion arising from idealism in the pulpit that rang hollow in the lives and experiences of ordinary believers But what if there was significant help from God in the enterprise of living a morally triumphant life where habitual sinning was not inevitable and where the development of godly character was possible and found through a maturing relationship with God and growth in the Christian life The apostle Paul certainly thought so In Help for Holiness author and senior pastor Paul F Evans revisits the topic of holiness and explores Paul s admonition that believers shouldn t seek more rules legalism nor give in to moral pessimism that says we cannot help but sin every day in word thought and deed Instead through morally transformative justification and regeneration followed by a commitment to the crucifixion of the old life in the death of Christ we can be raised to new life which through ongoing surrender to the Spirit can in fact produce the conduct and character God is looking for In this postmodern world we do not need to abandon an emphasis on righteous and holy living God really has made a provision for us to succeed morally Holiness was started by grace and God will complete it in us by grace through the Spirit      The First and Second Letters to the Thessalonians Gordon D. Fee, 2009-07-10 In this commentary Gordon Fee aims first and foremost to offer a fresh exposition of the text of 1 and 2

Thessalonians He shows the reader what is in the biblical text what the text meant in the first century and what it means now Fee reveals the logic of each argument or narrative before moving on to the details of each verse and he concludes each section with a theological practical reflection on the meaning of the text today Among other things Fee explores the occasion for writing for each epistle restoring 2 Thessalonians to the place it deserves as a full companion to the first letter rather than merely a tagalong to 1 Thessalonians *The 1 and 2 Thessalonians Commentary Collection* Michael W. Holmes, Gary Shogren, John Byron, 2017-04-25 This 1 and 2 Thessalonians commentary bundle features volumes from the NIV Application Commentary Series Zondervan Exegetical Commentary Series and Story of God Bible Commentary Series authored by Michael W Holmes Gary S Shogren and John Byron The diverse features from each of the volumes gives you all the tools you need to master the books of 1 and 2 Thessalonians **An Annotated Bibliography of 1 and 2 Thessalonians** Weima, Stanley E. Porter, 2019-07-01 This bibliography lists some 1300 works germane for the interpretation of 1 and 2 Thessalonians It includes all relevant works written in the 20th century as well as a sizeable number of important sources from the 19th century Virtually all the works listed are annotated except for commentaries and dictionary articles These annotations do not merely describe the content of each source but attempt to summarize its central thesis or argument The works listed are classified and cross indexed in such a way that the user is able to track down easily the relevant sources on any given topic or passage in the Thessalonian letters *Annotated Bibliography of First and Second Thessalonians* Jeffrey Alan David Weima, Stanley E. Porter, 1998 This bibliography lists some 1300 works most of which are annotated that are germane for the interpretation of 1 and 2 Thessalonians It includes all relevant works written in the 20th century as well as a sizeable number of important sources from the 19th century **Paul's First Letters** Bob Utley, 1998-01-01 [A Guide to Biblical Commentaries and Reference Works, 11th Edition](#) John F. Evans, 2025-01-21 A Guide to Biblical Commentaries and Reference Works 11th Edition by John F Evans summarizes and briefly analyzes all recent and many older commentaries on each book of the Bible giving insightful comments on the approach of each commentary and its usefulness for biblical interpretation The easy to use book provides analysis in canonical order and includes helpful appendices for compiling a personal research library A Guide to Biblical Commentaries and Reference Works 11th Edition is a key reference tool for any student of the Bible pastors laity and scholars alike [Catalogue of Printed Books](#) British Museum.
