Stanzas of Service Michael Clark, 2024 Stanzas of Service Reflections from a Soldier's Heart is a compelling collection of 68 poems that traverse the emotional landscape of military service with the introspective depth of a combat medic's perspective Each poem is a lyrical reflection on what it is to be a medic strength and vulnerability chaos and calm despair and hope The anthology encapsulates the raw essence of duty and the silent courage that underpins the soldier's life while also touching on the healing roles they play beyond the battlefield With themes of sacrifice and growth the poems offer a bridge for readers to the inner sanctum of a soldier's experiences This collection is a profound ode to service capturing the

indomitable spirit of those who serve and the enduring impact of their journey *A Life Lived Backwards* Mark T. Creaven, 2017-02-10 Mental health professionals are just starting to talk about and treat the long term effects of the trauma that emergency workers emergency medical technicians fire fighters first responders emergency room personnel live with every day Advanced Emergency Medical Technician AEMT Mark Creaven s therapy has been writing poetry And he writes good poetry at times lyrical at times harsh and painfully evocative always honest Mark s poetry is not just about the things he s seen in his long career as a first responder As he says When you re not in an ambulance you still have your life to live Loves and losses deaths and births The result is an intimate chronicle of one man s life and of the way of life in a vanishing corner of rural New England where life is as harsh as the winters This is poetry that will speak to emergency workers everywhere and to any man who has reached late middle age carrying his own burdens of love loss and loneliness Critical Acclaim for *A Life Lived Backwards* Mark Creaven s new collection of poems *A Life Lived Backwards* is a starkly lyrical memorial of the harshness of life in the last rural frontier of Vermont known as the Northeast Kingdom As an emergency medical technician a friend a neighbor and a caring human being Mr Creaven has seen it all suicide unspeakable highway wrecks family violence livelihoods going up in flames along with house and barns Yet in the end *A Life Lived Backwards* is a tribute to our ability through love not just to endure but to transcend just about the worst horrors imaginable Howard Frank Mosher Vermont author Shelley wrote in 1821 In a time of violence the task of poetry is in some way to reconcile us to our world and to allow us a measure of tenderness and grace with which to exist Creaven s work *A Life Lived Backwards* offers the reader such grace creating something from the proverbial nothing of life s lacunae in compassion juxtaposed with indifference Nearly two hundred years after Shelley s *A Defence of Poetry* Creaven s words hold lyrical ground offering fragile fortitude and tender tenuous redemption Neila Descelles clinical psychologist Through a full and honorable life that has included service in the military mental health and emergency medical services Mark Creaven has seen more than his share of the suffering death and loss that most people carefully protect themselves from experiencing In the first chapter of *A Life Lived Backwards* he gives the reader a rare glimpse into the occasional joy and frequent trauma experienced by emergency workers As an EMS and ER veteran I have become perhaps too numb to traumatic scenes but the jarring imagery of Creaven s poems ripped off my protective layers and lay bare my own unhealed wounds The concise evocative and emotionally difficult poems serve their purpose to reader and perhaps writer Someone must treat the dead and dying and these heroes bear a heavy burden for society The subsequent chapters contain some lighter passages but continue the theme of devastating loss still painful to read and effectively exposing my own fears and losses There is no refuge here from the reality that people and things die suffering happens buildings rot and burn relationships fail and we all die alone in some sense Whether redemption is found is up to the reader but Mark Creaven s important work gives voice to the traumas that fill sleepless nights of millions Paul Newton M D M M M F A A F P *Reflections of War* Eddie Morales, 2017-07-30 A soldier lives in fear for their life day after

day in a combat zone how can they really describe to someone what that feels like It is hard to capture in a narrative Through the medium of poetry Eddie Morales intuitively expresses the essence of those battles both in combat and the secondary battle once the veteran returns home Reflections of War Part 1 is a series of compassionate poems that express the feelings and sensations of the combat veteran This book is a powerful journey into a battlefield of the heart and soul as the poetry lives out the searing pain and hardship of the soldier in war Then the soldier comes home from war and the pain and strife should be over But the war lives on in their mind evocatively expressed in poetry by the author After returning home there is a second battle to fight the scars on the psyche that must be dealt with or they can have dangerous consequences Eddie Morales is not a combat veteran He has had numerous interviews with veterans during which he has listened with intent to hear the world of the warrior He put that on paper so forcefully that combat veterans nod and say he gets it The author is a martial arts instructor and former law enforcement officer and has honed his skills of expression carefully to share the stories in his poems Reflections: A Vet's View ,2001-01-01 Reflections Into My Soul Francine N. D'aprile,2009-03-23 Through my journey in life I have met many people Everyone has a story to tell sometimes our lives take us into so many directions that at the end of the journey you look back and wonder where have all the years gone by The pathway that led me to this book took me in many directions in my life Writing Poetry has always been a passion of mines As I take you into my soul you will come to realize that deep within ourselves we are all the same From my years in Hawaii to the love of a United States Marine Corps Vietnam Vet I continue Along Life s Journey and then I hit the lowest point in my life My poetry continues with a mixture of inspirational thoughts and other poems At the end of the day may you be inspired by Reflections into My Soul and write your own poetry of life *Reflections of War* Eddie Morales, Mr.,2017-09-07 A soldier lives in fear for their life day after day in a combat zone how can they really describe to someone what that feels like It is hard to capture in a narrative Through the medium of poetry Eddie Morales intuitively expresses the essence of those battles both in combat and the secondary battle once the veteran returns home Reflections of War Part 2 is a series of compassionate poems that express the feelings and sensations of the combat veteran This book is a powerful journey into a battlefield of the heart and soul as the poetry lives out the searing pain and hardship of the soldier in war Then the soldier comes home from war and the pain and strife should be over But the war lives on in their mind evocatively expressed in poetry by the author After returning home there is a second battle to fight the scars on the psyche that must be dealt with or they can have dangerous consequences Eddie Morales is not a combat veteran He has had numerous interviews with veterans during which he has listened with intent to hear the world of the warrior He put that on paper so forcefully that combat veterans nod and say he gets it The author is a martial arts instructor and former law enforcement officer and has honed his skills of expression carefully to share the stories in his poems **The After Life** Steven Bates,2016-12-01 Poetry which reflects a veteran s life after his military service **Reflections of a World War II Veteran** Paul Willis,2015-12-01 **Reflections of the Inner**

Spirit Natalie Selena Bee, 2006-06-01 Follow along as the author relates his experiences from the time he enlists in the Army Air Force in 1942 thru training as an Aviation Cadet and finally as the pilot in command of a B 17 Flying Fortress as the 8th Air Force mounts its attack against Hitler's Germany Enjoy moments of humor live incidents of aviation suspense and feel the sorrow of tragic times [A Soldier's Mind, a Soldier's Heart](#) W. C. Stinson, 2007-03 A Soldier's Mind A Soldier's Heart is about romance and pain and it's about conflicts and the effects of war I was a combat medic in the Army and some of what is written is about case studies of people met along the way and the outcomes It is a book of life's joys and sorrows tragedies and happy endings and all that one may experience in between It is a book about death and life and choices Each poem is a short story of events situations conditions places and people set to verse most real and some fantasy that speak of various subject matter from religious dogma to political satire Finally it is a book that will make you cry or laugh cause one to ponder or be enlightened From beginning to end you will not be able to put it down until each line has been read **Vet's Reflections on Life** Russell Pyle, 2019-06-17 After the Vietnam War Russell lived in Everett Washington having spent the end of his enlistment in Bremerton shipyard across the water from Seattle in Puget Sound After attending college and settling in civilian life after six years Navy time it became necessary to return home Social stigma after Vietnam and finances left a choice of leaning on friends or a return to home to start over at the age of twenty seven The return to Nashville helped keep the thread of music and writing alive Finding adapting to civilian life and work lonely and difficult he began retreating mentally and emotionally into himself and began writing down thoughts beginning with a letter to a friend left behind Typical of letters not mailed and thoughts unsaid these were collected over the years reflecting on deeper meaning of life experiences viewpoints of the past searching identity and meaning of the present as each page was recorded anticipation and remembrance highs and lows of life Collected by his wife Suzanne for family sister and Indian friend and mentor in a volume for the holidays one year This book is the narrative of those collected thoughts **Reflections of a Beret** Steven Bates, 2016-10-01 Steven Bates USAF has put together a variety of his poems written through his career and deployments as well as his personal life and suicide attempts It is his hope that somewhere in this book one of his poems will strike a chord in another person and help him or her through a very tough or precarious situation in their life and help them to also realize they are not alone in their struggle His poems are merely about things seen and heard by himself or others throughout his life as he wore his beret thus they are simply Reflections of a Beret *Poems in the Key of Life* Charles A.
