About Faith

By Maya Anthony

In the soil of the heart, a seed is sown,
A tiny speck of faith, often unknown.
With care and trust, it begins to sprout,
Growing stronger as we cast out doubt.

Through trials and storms, it perseveres,
This small seed of faith, calming fears.
With roots in God's love, it takes its place,
A mighty oak of faith, by His grace.

In faith's embrace, we find our way,
Guided by God's light, day by day.
Though small at first, it holds the scope,
To fill our lives with endless hope.

We all face some major and some minor challenges that may move us to seek Gods voice in it all These challenges perhaps make us question our faith or become tempted to stop trying stop following or stop turning to or loving the Word of God Jesus Christ But once we earnestly seek we do receive and come out better on the other side just because weve taken that step of faith even though it may start out to be as small as a mustard seed Furthermore being unprepared for an oncoming difficulty can throw us off track and leave us shaken due to grief discouragement or temptation in the end Resources such as the Bible and positive literature are a blessing and when taken advantage of they offer treasures and just what we need to get through this life and on to the next as conquerors strong bold and fully equipped in the Lord Moreover getting along well with others and being good and faithful servants is something we can do to greatly improve our spiritual lives So when there is no one else qualified to turn to without making matters worse or when no one else seems to say the right words it is wise to tap into the various resources that can actually help without causing major setbacks This book of simple unsophisticated easy to read poetry is one of those resources **Inspirational Poems of Faith and Prayer** R. 101 Treasurable Poems of Faith, Hope, and Love Chad Joseph Thieman, 2011. Review of Book: The first time I ever read Chad's Christian poetry I was astounded. It was illuminating and alive. His poetry grabs onto you and sinks deep within, capturing the very essence of the soul. Understanding the simplicity of his poetry yet the depth of it on a spiritual level is fascinating. This statement conveys only a shadow of him. The heart of Chad Thieman can only be found in *101 Treasurable Poems of Faith, Hope and Love*. Curtis Neil Curtis and I first met while working together at the Blockade Runner Beach Resort on Wrightsville Beach. He came to me and told me that he had read some of my work. He said that he would help me get published and ever since we have worked together. Curtis is my investment partner and promotional manager. Chad: The book you are holding in your hands is a treasure chest of poetry, proverbs and parables that can be used to reach many hearts. Every poem has a Bible verse prescribed to it for further study and research on the topic discussed within the piece. This book is a great tool which can be used in adult Bible studies, youth groups, church retreats as well as for personal meditation and reflection.
