Pathway of Light April Smith,2009-06 Pathway of Light is a book of poems based on the life of the author These are unlike any poems you ve ever read Real life situations are turned into words that rhyme They will touch your heart and soul Through reading these heart felt poems you will be challenged in ways you may not imagine possible You will laugh cry and perhaps even pray The author has been through times of loneliness hopelessness heartache fear and shattered dreams as well as times of great joy peace and hope beyond her dreams She found there s a difference between having religion and having a relationship with God In the hardest time of her life she had little desire to live But something kept her going Someone rather A thirst entered her soul to seek the meaning of life God touched her heart and soul setting her on a quest to understand why most of what she learned in traditional religion was not biblical She found that we must not turn to others to get to Heaven

but to God Himself After writing poems through it all she shared some with her husband and close friends who encouraged her to publish them that others may receive hope too As you read be encouraged and discover God s great faithfulness
