

Portugal The Decline And Collapse Of An Authoritarian Order

Lawrence S. Graham, Harry M. Makler

Portugal The Decline And Collapse Of An Authoritarian Order:

Portugal's Political Development Walter C Opello Jr,2019-07-05 Portugal s early developmental experience created a highly centralized administrative state that continues to have a powerful influence on the nature and style of the country s government and politics Emphasizing this theme Dr Opello shows that contrary to the conclusions of scholars who have analyzed Portugal from Latin American or Third World perspectives Portuguese political development is more comparable to the pattern of development of West European countries especially France He compares Portugal s political experience with that of other West European countries and concludes by speculating about the future of Portugal s fledgling democracy

Portugal Tom Gallagher,1983 Portugal Lawrence Graham, *Handbook of Portuguese Studies* Ieda Siqueira Wiarda,1999-11-19 **Contemporary Portugal** Lawrence S. Graham,Harry M. Makler,2014-07-03 Despite worldwide interest in the Portuguese Revolution of 1974 Portugal remained for most people a little known and poorly understood country neglected for years by social scientists Editors Graham and Makler brought together for the first time in one substantive volume most of the leading social science experts on Portugal The contributors highly original research represents the best work generated by the International Conference Group on Modern Portugal at its two major conferences held in 1973 and 1976 The result is a comprehensive collection of essays discussing in detail the events leading up to the revolution the causes of the military coup and the movement of a society on the brink of revolutionary upheaval toward open democratic parliamentary elections As the first interdisciplinary study to span fifty years of Portuguese history from the Estado Novo of 1926 to the eventual social democratic republic this book stands alone in its field The specialist as well as the general reader will find insights into the dynamics of Portugal s people politics and economics *The Oxford Handbook of Portuguese Politics* Jorge M. Fernandes,Pedro C. Magalhães,António Costa Pinto,2022-09-29 The Oxford Handbook of Portuguese Politics brings together the best scholars in the field offering an unrivalled coverage of the politics broadly defined of the country over the past 50 years The Handbook includes eight sections First it looks at the past and present by making an overview of Portuguese political developments since democratization in the 1970s Second it looks at political institutions as the building blocks of Portuguese democracy The third section examines mass politics and voters that is a thorough analysis of the demand side of mass politics The fourth section turns to the supply side of mass politics by looking at parties and the party system The fifth section looks at the Portuguese society by unpacking a plethora of societal aspects with direct implications for politics The sixth section examines governance and public policies with a view to understanding how a constellation of public policies has an impact on the quality of governance and in fostering well being The seventh section looks at Portugal and the European Union The eighth and final section unpacks Portuguese foreign policy and defence Historical Dictionary of Portugal Douglas L. Wheeler,Walter C. Opello Jr.,2010-05-10 Portugal is a small Western European nation with a large distinctive past replete with both triumph and tragedy One of the continent s oldest nation

states Portugal has frontiers that are essentially unchanged since the late 14th century The country's unique character and 850 year history as an independent state present several curious paradoxes As of 1974 when much of the remainder of the Portuguese overseas empire was decolonized Portuguese society appeared to be the most ethnically homogeneous of the two Iberian states and of much of Europe This in spite of the fact that Portuguese society had received during 2 000 years of infusions of other ethnic groups in invasions and immigration Phoenicians Greeks Celts Romans Suevi Visigoths Muslims Arab and Berber Jews Italians Flemings Burgundian French black Africans and Asians Indeed Portugal has been a crossroads despite its relative isolation in the western corner of the Iberian Peninsula between the West and North Africa Tropical Africa and Asia and America Since 1974 Portugal's society has become less homogeneous as there has been significant immigration of former subjects from her erstwhile overseas empire The third edition of Historical Dictionary of Portugal greatly expands on the second edition through a chronology an introductory essay a bibliography and hundreds of cross referenced dictionary entries on important persons places events and institutions as well as on significant political economic social and cultural aspects *The Portuguese Military And The State* Lawrence S Graham, 2019-07-09 Lawrence S Graham focuses on the implications of the Portuguese case for understanding more fully broader cross national patterns in politics and governance showing how the Portuguese case may constitute an alternative model especially for Latin America and Eastern Europe

Military Disengagement from Politics Constantine P. Danopoulos, 2024-12-06 First published in 1988 *Military Disengagement from Politics* explores the reasons and conditions for military withdrawal from politics It gives an in depth analysis of specific grounds and circumstances of a representative list of countries whose military intervened ruled and eventually withdrew allowing for either full scale civilian rule or a more circumscribed set up in which the armed forces retain varying degrees of control in the governing process The book provides a comparative and cross cultural examination of eight countries covering a wide region of the world It offers a carefully chosen array of case studies representing Asia Africa Europe the Middle East and Central and South America This volume is a must read for students and researchers of political science Europeanization and the Southern Periphery Kevin Featherstone, George Kazamias, 2014-05-12 Europeanization is a term increasingly used in the social sciences to describe the impact convergence or response of politicians and institutions in relation to the European Union This volume explores the concept in a variety of different settings in order to clarify its meaning The Developing Place of Portugal in the European Union Jose Magone, 2017-12-02 After decades of isolation and a turbulent transition to democracy Portugal's integration into the European Union has given political economic social and cultural stability to a country that had to overcome the trauma of losing an empire This volume clearly is a major contribution to the study of how Portugal became part of the European Union as a political system and its development towards Europeanization and domestication Magone first lays a theoretical framework for the study of Europeanization and discusses political parties the political system and Portuguese society in terms of Europeanization He then examines public

administration how the European Union and the OECD impacted on the modernization agenda and includes a discussion of the national EU policy coordination Magone also considers the Portuguese Euro elite and how they interacted with the Portuguese presidency and the processes of decision making going on among the different levels of the governance system of the European Union He highlights a case study of the Portuguese presidency of the European Union which took place in the first half of 2003 In addition Magone discusses the impact of the EU structural funds on Portugal and scrutinizes Portuguese foreign and defense policies in particular its reconstructed foreign policy which was clearly instrumental in achieving the independence of East Timor He reviews the growing integration of Portugal into the emerging structures of the Common Foreign and Security Policy CFSP concluding with the challenges that Portugal will face in the future in the education health and business sectors An interesting finding is the growing alienation of the population from the political class who clearly make all the decisions in relation to the European Union without proper consultation of the population through referenda In sum this book is vital to understand one of the oldest nation states of the world Jos M Magone is senior lecturer

The Soldier and the Changing State Zoltan Barany, 2012-09-16 The Soldier and the Changing State is the first book to systematically explore on a global scale civil military relations in democratizing and changing states Looking at how armies supportive of democracy are built Zoltan Barany argues that the military is the most important institution that states maintain for without military elites who support democratic governance democracy cannot be consolidated Barany also demonstrates that building democratic armies is the quintessential task of newly democratizing regimes But how do democratic armies come about What conditions encourage or impede democratic civil military relations And how can the state ensure the allegiance of its soldiers Barany examines the experiences of developing countries and the armed forces in the context of major political change in six specific settings in the wake of war and civil war after military and communist regimes and following colonialism and unification apartheid He evaluates the army building and democratization experiences of twenty seven countries and explains which predemocratic settings are most conducive to creating a military that will support democracy Highlighting important factors and suggesting which reforms can be expected to work and fail in different environments he offers practical policy recommendations to state builders and democratizers

Eurocommunism & Eurosocialism Bernard Edward Brown, 1979

Latin Fascist Elites Paul H. Lewis, 2002-12-30 Many dictatorships are short lived but a few manage to stay in power for decades Lewis takes three Latin fascist tyrants Mussolini Franco and Salazar and shows how they perpetuated their rule through the careful recruitment and circulation of top echelon subordinates to carry out their orders Long established dictatorships have to respond to political and social pressures surrounding them just as democracies do but it is harder to study them because they are closed systems One possible way of viewing their internal processes is by observing who they recruit into top leadership positions Every dictator however powerful must delegate some authority to an elite stratum just below him By watching which kinds of men are recruited how

long they are kept in power and whether different skills are sought at different times it may be possible to chart the evolution of a 20 or 30 year regime The Mussolini Franco and Salazar regimes all fit the criteria of being long established Mussolini ruled for almost 21 years Franco for over 37 and Salazar for 36 Moreover all three shared a family resemblance as being fascist Comparing them affords the additional advantage of adding to our understanding of the Latin variant of fascism as contrasted to the Central and Eastern European A provocative work for scholars students and other researchers involved with European Politics Modern European History and fascist regimes *Varieties of Corporatism* Peter J.

Williamson,1985-11-14 Originally published in 1985 this book provides a comprehensive discussion of the concept of corporatism It seeks to develop models of the different types of corporatism against the background of a general model It represents a systematic attempt to clarify rather than simply discuss the concept of corporatism in its various usages It examines the three varieties of corporatism a body of nineteenth and twentieth century prescriptive economic and social thought the practice of certain authoritarian regimes with private ownership of the means of production and wage labour and a theoretical tool of analysis employed to study relations between organised groups and the state in ostensibly liberal democracies It draws on a wide range of historical and contemporary writing on the subject and includes a detailed study of the ideas behind and nature of corporatism in Fascist Italy and in Portugal under Salazar and Caetano The discussion of the varieties of corporatism is clearly related to debates in the social sciences on its nature **Portugal : the decline and collapse of an authoritarian order** Lawrence S. Graham,1975 **The Portuguese Revolution** Ronald H.

Chilcote,2010-01-16 Building on decades of research leading scholar Ronald H Chilcote provides a definitive analysis of the 1974 1975 Portuguese revolution which captured global attention and continues to resonate today His study revisits a key historical moment to explain the revolution and its aftermath through periods of authoritarianism and resistance as well as representative and popular democracy Exploring the intertwined themes of class state and hegemony Chilcote builds a powerful framework for understanding the Portuguese case as well as contemporary political economy worldwide The New Mediterranean Democracies Geoffrey Pridham,2016-01-29 This volume first published in 1984 discusses the viability of applying the Mediterranean model to three countries that were transitioning to democracy Spain Greece and Portugal combining both comparative and national case study approaches In particular Spain Greece and Portugal offer comparable examples of the problems of establishing new democratic systems within relatively unstable and economically less developed environments This title applies different theories of regime transition to the countries in question This volume will be of interest to students of politics **Spain's Transition To Democracy** Andrea Bonime-blanc,2019-07-09 After the death of longtime dictator Generalissimo Franco in 1975 King Juan Carlos acted decisively to institute a dramatic change in Spanish politics By appointing an unknown Christian democrat Adolfo Suarez as prime minister the king paved the way for the transformation of Spain from an authoritarian regime to a liberal democracy Central to this singular transition was the

formulation of the new Spanish constitution an unusual process of political give and take Dr Bonime Blanc examines the evolutionary phases of the constitution making process describing the conflicts maneuvers and compromises of the principal political players involved Analyzing the negotiations and their constitutional results she pinpoints the factors that make a successful transition to democracy possible In her closing chapter the author illustrates the lessons of the Spanish case and their practical implications for future transitions to democracy

The European Union and the Regions Barry Jones, Michael Keating, 1995-05-25 Is Europe witnessing the death of the once mighty nation state If it is then two of the most powerful factors in its post war decline have been European integration and regionalism Both challenge the nation state s monopoly of authority one from above the other from below Although it is increasingly recognized that the two are connected This book provides a definitive examination of the new patterns of politics and policy that link the three levels of European Union nation state and region Looking at each member state in turn the authors emphasize the diversity of the European experience European integration has differing impacts on different regions In some it is seen as a threat centralizing power and increasing their peripherality To others it is an opportunity to by pass national governments and assert their personality The authors are sceptical of the Europe of the Regions scenario in which nation states fade away in favour of the other two levels But they do show how the Maastricht commitment to subsidiarity together with the twin forces of European integration and regional assertion are profoundly changing the politics of Europe as it moves into the twenty first century

The Enigmatic Realm of **Portugal The Decline And Collapse Of An Authoritarian Order**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing in short supply of extraordinary. Within the captivating pages of **Portugal The Decline And Collapse Of An Authoritarian Order** a literary masterpiece penned by way of a renowned author, readers attempt a transformative journey, unlocking the secrets and untapped potential embedded within each word. In this evaluation, we shall explore the book's core themes, assess its distinct writing style, and delve into its lasting effect on the hearts and minds of those that partake in its reading experience.

Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Portugal The Decline And Collapse Of An Authoritarian Order full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Portugal The Decline And Collapse Of An Authoritarian Order eBooks, including some popular titles.

FAQs About Portugal The Decline And Collapse Of An Authoritarian Order Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Portugal The Decline And Collapse Of An Authoritarian Order is one of the best book in our library for free trial. We provide copy of Portugal The Decline And Collapse Of An Authoritarian Order in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Portugal The Decline And Collapse Of An Authoritarian Order. Where to download Portugal The Decline And Collapse Of An Authoritarian Order online for free? Are you looking for Portugal The Decline And Collapse Of An Authoritarian Order PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Portugal The Decline And Collapse Of An Authoritarian Order. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Portugal The Decline And Collapse Of An Authoritarian Order are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for

lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Portugal The Decline And Collapse Of An Authoritarian Order. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Portugal The Decline And Collapse Of An Authoritarian Order To get started finding Portugal The Decline And Collapse Of An Authoritarian Order, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Portugal The Decline And Collapse Of An Authoritarian Order So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Portugal The Decline And Collapse Of An Authoritarian Order. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Portugal The Decline And Collapse Of An Authoritarian Order, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Portugal The Decline And Collapse Of An Authoritarian Order is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Portugal The Decline And Collapse Of An Authoritarian Order is universally compatible with any devices to read.
