Mississippi Poets Catharine Savage Brosman, 2020-08-25. Mississippi has produced outstanding writers in numbers far out of proportion to its population. Their contributions to American literature, including poetry, rank as enormous. *Mississippi Poets: A Literary Guide* showcases forty-seven poets associated with the state and assesses their work with the aim of appreciating it and its place in today's culture. In Mississippi, the importance of poetry can no longer be doubted. It partakes as Faulkner wrote of the broad aim of all literature to uplift man's heart. In *Mississippi Poets*, author Catharine Savage Brosman introduces readers to the poets themselves, stressing their versatility and diversity. She describes their subject matter and forms their books and particularly representative or striking poems. Of broad interest and easy to consult, this book is both a source of information and a showcase. It highlights the organic connection between poetry by Mississippians and the indigenous music genres of the region: blues and jazz. No other state has produced such abundant and impressive poetry connected to these essential American forms. Brosman profiles and assesses poets from the twentieth and twenty-first centuries. Grounds for selection include connections between the poets and the state, the excellence and abundance of their work, its critical reception, and both local and national standing. Natives of Mississippi and others who have resided here draw equal consideration. As C. Liegh McInnis observed, "You do not have to be born in Mississippi to be a Mississippi writer. If what happens in Mississippi has an immediate and definite effect on your work, you are a Mississippi writer."

Thomas Merton and James Laughlin Thomas Merton, James Laughlin, 1997. Cloistered in a remote Kentucky monastery, Thomas Merton struggled as a young man to reconcile his preferred contemplative life and his public passion for writing. Here is the remarkable development of Thomas Merton, monk, poet, and social critic, as documented in nearly 30 years of correspondence with his mentor and publisher, James Laughlin.

All Poets Welcome Daniel Kane, 2003-03-26. This landmark book, together with its accompanying CD, captures the heady excitement of the vibrant, irreverent poetry scene of New York's Lower East Side in the 1960s. Drawing from personal interviews with many of the participants, from unpublished letters, and from rare sound recordings, Daniel Kane brings together for the first time the people, political events, and poetic roots that coalesced into a highly influential community. From the poetry reading venues of the early sixties, such as those at the Les Deux M'gots and Le

Metro coffeehouses to The Poetry Project at St Mark's Church a vital forum for poets to this day Kane traces the history of this literary renaissance showing how it was born from a culture of publicly performed poetry The Lower East Side in the sixties proved foundational in American verse culture a defining era for the artistic and political avant garde The voices and works of John Ashbery Amiri Baraka Charles Bernstein Bill Berkson Ted Berrigan Kenneth Koch Bernadette Mayer Ron Padgett Denise Levertov Paul Blackburn Frank O'Hara and many others enliven these pages and the thirty five track CD includes recordings of several of the poets reading from their work in the sixties and seventies The Lower East Side's cafes coffeehouses and salons brought together poets of various aesthetic sensibilities including writers associated with the so called New York School Beats Black Mountain Deep Image San Francisco Renaissance Umbra and others Kane shows that the significance for literary history of this loosely defined community of poets and artists lies in part in its reclaiming an orally centered poetic tradition adapted specifically to open up the possibilities for an aesthetically daring playful poetics and a politics of joy and resistance
