Landmark Essays on American Public Address Martin J. Medhurst, 2020-08-26 This volume traces the historical evolution of American academic thought concerning public address what it is how it ought to be studied and what can be learned by engaging rhetorical texts in an analytical fashion To begin one must distinguish among three separate but interrelated uses of the term public address as practice theory and criticism The essays in this volume represent landmarks in the literal sense of that term they are marks on the intellectual landscape that indicate where scholars and ideas have passed and in that passing left a mark for future generations It is appropriate to revisit the landmarks that have set public address off as a field of study and it allows readers to remember the struggles that have led to the current situation Most of the authors of the following chapters are deceased but their ideas live on transformed adapted modified rejected and reborn The scholarly dialectic continues What constitutes a study in public address how best to approach rhetorical texts which analytical tools are required for the job how best to balance text with context and what role ought theory to play in the conduct or outcome of critical inquiry these questions live on To answer them at all is to engender debate and that is how it should be if the intellectual vitality of public address is to be maintained The papers are a prolegomenon to such studies for they mark where scholars have been and point the way to where they still must go **Encyclopedia of Rhetoric and Composition** Theresa Enos, 2011-04-06 This reference guide surveys the field covering rhetoric s principles concepts applications practical tools and major thinkers Drawing on the scholarship and expertise of 288 contributors the Encyclopedia presents a long needed overview of rhetoric and its role in contemporary education and communications discusses rhetoric s contributions to various

fields surveys the applications of this versatile discipline to the teaching of English and language arts and illustrates its usefulness in all kinds of discourse argument and exchange of ideas *Speaking Professionally* Alan Jay

Zaremba,2014-12-18 Updated with new and current examples throughout this concise guide is a rich resource for anyone who wants to become more effective in speaking settings It covers all the basics and identifies essential principles that will help readers to efficiently prepare deliver and evaluate presentations **Perspectives on Political Communication in Africa** Bruce Mutsvairo,Beschara Karam,2018-02-27 This edited collection is a cutting edge volume that reframes political communication from an African perspective Focusing on sub Saharan Africa and occasionally drawing comparisons with other regions of the world this book critically addresses the development of the field focusing on the current opportunities and challenges within the African context By using a wide variety of case studies that include Mozambique Zambia Rwanda Zimbabwe Ghana Kenya Uganda South Africa Ivory Coast and Nigeria the collection gives space to previously understudied regions of sub Saharan Africa and challenges the over reliance of western scholarship on political communication on the continent Slave of All Narry Santos,2003-06-01 The Gospel of Mark is often described as a paradoxical gospel a riddle that teases its readers response and a narrative that possesses an enigmatic and puzzling character Santos argues that this puzzling character is seen clearly in the paradox of authority and servanthood in the gospel In tracing and analyzing this paradox throughout the Markan narrative he first develops a literary method for the study of paradox and having applied the results to authority and servanthood in Mark he discusses key contributions of the paradox to the three Markan issues of the disciples role in the Gospel the Messianic Secret and a profile of the Markan community The Force of Fantasy Ernest G. Bormann,2001 In this book first published in 1985 Ernest G Bormann explores mass persuasion in America from 1620 to 1860 examining closely four rhetorical communities the revivals of 1739 1740 the hot gospel of the postrevolutionary period the evangelical revival and reform of the 1830s and the Free Soil and Republican parties Each community varies greatly but Bormann asserts that each succeeding community shares a rhetorical vision of restoring the American Dream that is essentially a modification of the previous visions Thus they form a family of rhetorical visions that constitutes a rhetorical tradition of importance in nineteenth century American popular culture A Rhetorical Analysis of the Political Preaching of the Reverend Jerry Falwell Vernon Oliver Ray,1989 **Listening, a Practical Approach** James J.
