Kaplan,1988-11-17 **Postmodernity and its Discontents** Zygmunt Bauman,2013-05-20 When Freud wrote his classic *Civilization and its Discontents* he was concerned with repression Modern civilization depends upon the constraint of impulse the limiting of self expression Today in the time of modernity Bauman argues Freud s analysis no longer holds good if it ever did The regulation of desire turns from an irritating necessity into an assault against individual freedom In the postmodern era the liberty of the individual is the overriding value the criterion in terms of which all social rules and regulations are assessed Postmodernity is governed by the will to happiness the result however is a sacrificing of security The most prominent anxieties in our society today Bauman shows derive from the removal of security The world is experienced as overwhelmingly uncertain uncontrollable and frightening Totalitarian politics frightened by its awesome power the new social disorder frightens by its lack of consistency and direction The very pursuit of individual happiness corrupts and undermines those systems of authority needed for a stable life This book builds imaginatively upon Bauman s earlier contributions to social theory It consolidates his reputation as the interpreter of postmodernity The book will appeal to second year undergraduates and above in sociology cultural studies philosophy and anthropology **Encyclopedia of**

Postmodernism and The Other Ziauddin Sardar,1998 Postmodernism has often been presented as a new theory of liberation that promotes pluralism and gives representation to the marginalised peoples of the non west and other cultures In this major assessment of postmodernism from a non western perspective Ziauddin Sardar offers a radical critique of this view Covering the salient spheres of postmodernism from architecture film television and pop music to philosophy consumer lifestyles and new age religions Sardar reveals that postmodernism in fact operates to further marginalise the reality of the non west and confound its aspirations By tracing postmodernism s roots in colonialism and modernity Sardar demonstrates that the dominant contemporary intellectual fashion peddling an insidiously oppressive and subtle revisionism is the most comprehensive onslaught on the non west ever experienced In stern retort the author offers ways in which the peoples of the non west can counter the postmodern assault and survive with their identities histories and cultures intact
