The Program Era Mark McGurl,2011-11-30 McGurl offers a fundamental reinterpretation of postwar American fiction asserting that it can be properly understood only in relation to the rise of mass higher education and the creative writing program The Program Era will be at the center of debates about postwar literature and culture for years to come

Value and the Humanities Zoe Hope Bulaitis,2020-06-29 Tracing the shift from liberal to neoliberal education from the nineteenth century to the present day this open access book provides a rich and previously underdeveloped narrative of value in higher education in England Value and the Humanities draws upon historical financial and critical debates concerning educational and cultural policy Rather than writing a singular defence of the humanities against economic rationalism Zoe Hope Bulaitis constructs a nuanced map of the intersections of value in the humanities encompassing an exploration of policy engagement scientific discourses fictional representation and the humanities in public life The book articulates a kaleidoscopic range of humanities practices which demonstrate that although recent policy encourages higher education to be entirely motivated by outcomes fiscal targets and the acquisition of employability skills the humanities continue to inspire and aspire beyond these limits This book is a historically grounded and theoretically informed analysis of the value of the humanities within the context of the market

Literature Against Criticism Martin Paul Eve,2016-10-17 This is a book about the power game currently being played out between two symbiotic cultural institutions the university and the novel As the number of hyper knowledgeable literary fans grows students and researchers

in English departments waver between dismissing and harnessing voices outside the academy Meanwhile the role that the university plays in contemporary literary fiction is becoming increasingly complex and metafictional moving far beyond the campus novel of the mid twentieth century Martin Paul Eve's engaging and far reaching study explores the novel's contribution to the ongoing displacement of cultural authority away from university English Spanning the works of Jennifer Egan Ishmael Reed Tom McCarthy Sarah Waters Percival Everett Roberto Bolaño and many others *Literature Against Criticism* forces us to re think our previous notions about the relationship between those who write literary fiction and those who critique it

Women's University Fiction, 1880-1945 Anna Bogen, 2015-10-06 The rise of the middle classes brought a sharp increase in the number of young men and women able to attend university Developing in the wake of this increase the university novel often centred on male undergraduates at either Oxford or Cambridge Bogen argues that an analysis of the lesser known female narratives can provide new insights

Vladimir Nabokov in Context David Bethea, Siggy Frank, 2018-05-24 Vladimir Nabokov bilingual writer of dazzling masterpieces is a phenomenon that both resists and requires contextualization This book challenges the myth of Nabokov as a sole genius who worked in isolation from his surroundings as it seeks to anchor his work firmly within the historical cultural intellectual and political contexts of the turbulent twentieth century Vladimir Nabokov in Context maps the ever changing sites people cultures and ideologies of his itinerant life which shaped the production and reception of his work Concise and lively essays by leading scholars reveal a complex relationship of mutual influence between Nabokov's work and his environment Appealing to a wide community of literary scholars this timely companion to Nabokov's writing offers new insights and approaches to one of the most important and yet most elusive writers of modern literature

Diversity in Narration and Writing Kornélia Horváth, Judit Mudriczki, Sarolta Osztrólczyk, 2022-01-10 The essays in this volume focus on different prose and audiovisual narratives and their academic and cultural significance as seen in the twenty first century Their diverse interpretations of the novel as a genre provide a current academic overview on the variety of interpretive cultures and traditions Divided into three sections the book consciously takes an international perspective in both narrative theory and novel studies in order to deepen the reader's understanding of classic American and European authors including Gustave Flaubert Lewis Carroll James Joyce Doris Lessing Jack London J M Coetzee and David Lodge In addition it also offers a profound contribution to international scholarship as it covers works of classic and contemporary Hungarian and Central European writers that have not been discussed in English before With its unprecedented insights into the depth and diversity of narrative prose traditions the book will inspire innovative approaches to the concept of the novel in European academic criticism today

The Campus Novel ,2019-01-04 The Campus Novel Regional or Global presents innovative scholarship in the field of academic fiction Whereas the campus novel is traditionally considered a product of the Anglo American world the present study opens a new perspective it elucidates the intercultural exchange between the well established Western canon of British and American academic fiction and its more recent regional response outside the Anglo American territory

Englishness Revisited Floriane Reviron-Piégay,2020-10-27 What is Englishness Is there such a thing as a national temperament is there a character or an identity which can be claimed to be specifically English This collection of articles seeks to answer these questions by offering a kaleidoscopic vision of Englishness since the eighteenth century a vision that acknowledges stereotypes while at the same time challenging them Englishness is defined in contrast to Britishness the Celtic fringe Scotland in particular Europe and the Continent at large The effects of the Empire and of its loss are examined together with other socio economic factors such as the two World Wars de industrialization and the different waves of immigration Through a careful analysis of the arts literature philosophy historiography cultural and political studies produced in England and on the Continent over the last three centuries a composite image of Englishness emerges somewhere between centre and periphery tradition and innovation transience and timelessness rurality and urbanity commitment and isolation Englishness is thus revealed as a protean concept one which whether it is a historical or political construct a genuine emanation of a national desire or a simulacrum retains its fascination and this volume offers keys to understanding its diverse expressions

The Bloomsbury Handbook to Cold War Literary Cultures Greg Barnhisel,2022-06-30 Adopting a unique historical approach to its subject and with a particular focus on the institutions involved in the creation dissemination and reception of literature this handbook surveys the way in which the Cold War shaped literature and literary production and how literature affected the course of the Cold War To do so in addition to more traditional sources it uses institutions like MFA programs university literature departments book review sections of

newspapers publishing houses non governmental cultural agencies libraries and literary magazines as a way to understand works of the period differently Broad in both their geographical range and the range of writers they cover the book s essays examine works of mainstream American literary fiction from writers such as Roth Updike and Faulkner as well as moving beyond the U S and the U K to detail how writers and readers from countries including but not limited to Taiwan Japan Uganda South Africa India Cuba the USSR and the Czech Republic engaged with and contributed to Anglo American literary texts and institutions

The Titanic in Myth and Memory Tim Bergfelder, Sarah Street, 2004-08-27 Since its maiden voyage and sinking in April 1912 Titanic has become a monumental icon of the 20th century and has inspired a wealth of interpretations across literature art and media This book offers a comprehensive discussion of the diverse representations of the connections and differences in the way generations of artists and audiences have approached and used the tragedy In the final section is an in depth study of James Cameron s blockbuster film Titanic

Pedagogic Encounters Aristi Trendel, 2021-02-15 This book offers a new approach to the genre of the campus novel Through a critical analysis of eleven novels Aristi Trendel argues that the specificity and complexity of the pedagogic rapport between professor and student calls for a new genre the Master Disciple novel After the 1980s the professor student relationship was highly scrutinized and politicized making the Master Disciple novel essential to critical theorists and educators Furthermore the Master Disciple novel broadens the scope of the campus novel as the master pupil rapport can develop beyond the halls of academia Though some of the novels analyzed in this book have been thoroughly discussed before Trendel reads them through the lens of the pedagogic rapport and in constant dialogue with a broad range of themes such as gender sexuality and power The book will be important for academics students and all who are interested in the bond between teacher and student

Politics and the British Novel in the 1970s J. Russell Perkin, 2021-06-15 The 1970s in Britain saw a series of industrial disputes a referendum on membership in the European Economic Community conflict about issues of immigration and citizenship and emergent environmental and feminist movements It was also a decade of innovation in the novel and novelists often addressed the state of the nation directly in their works In Politics and the British Novel in the 1970s Russell Perkin looks at social novels by John Fowles and Margaret Drabble the Cold War thrillers of John le Carr Richard Adams s best selling fable Watership Down the popular campus novels of Malcolm Bradbury and David Lodge Doris Lessing s dystopian visions and V S Naipaul s explorations of post colonial displacement Many of these highly regarded works sold in large numbers and have enjoyed enduring success a testament to the power of the political novel to explain a nation to itself Perkin explores the connections between the novel and politics situating the works it discusses in the rich context of the history and culture of the decade from party politics to popular television shows Politics and the British Novel in the 1970s elucidates a period of literary history now fifty years in the past and offers a balanced perspective on the age revealing that these works not only represented the politics of the time but played a meaningful role in them
