*Joyce C. Ghee and Joan Spence*

# Poughkeepsie Ny Halfway Up The Hudson

**Jacqueline A. McLeod**

## **Poughkeepsie Ny Halfway Up The Hudson:**

**Poughkeepsie 1898-1998** Joyce C. Ghee, Joan Spence, 1999 One hundred years ago the city of Poughkeepsie was a bustling marketplace for the mid Hudson Valley while the town of Poughkeepsie was essentially rural and substantially smaller than the city Two world wars and the arrival of IBM reversed the roles at least in part The town grew larger than the city and soon became the center of retail business for the county Four and six lane highways replaced trolleys and trains The city however remained the center of county government Poughkeepsie 1898 1998 A Century of Change explores not only how South Road became the new main street but also the whole history of Poughkeepsie from the end of the nineteenth century to the present Moving through this time period were incoming waves of Irish Jewish Italian Polish Greek and Mexican immigrants The railroads flourished and foundered and civic cultural and social organizations grew *Poughkeepsie* Joyce C. Ghee, Joan Spence, 1997-08-01 Since the colonial period the Poughkeepsie area has been a prime location on the Hudson midway between Albany and New York City Referred to as the Queen City of the Hudson accessibility scenic beauty and a dynamic economic and cultural environment have made Poughkeepsie an excellent community in which to live work and play Since the 19th century Poughkeepsie has been a favored site by society elites families like the Astors Rogers and Vanderbilts building palatial weekend homes there due to its natural beauty and proximity to New York City Numerous Americans have left their mark here including the Livingstons Samuel Morse Matthew Vassar whom local Vassar College is named for Franklin and Eleanor Roosevelt and Thomas Watson Sr Poughkeepsie has also been enhanced by the contributions of its African American community and by successive waves of immigrants seeking a better life From hosting New York's United States Constitutional Ratification Convention in 1788 to becoming the location of IBM during World War II Poughkeepsie has continued to be the site of world changing events **Downstate New York Rock Walks** C. Russell Dunn, 2023-11-01

Downstate New York Rock Walks is both a hiking guidebook and a history book calling attention to some of downstate New York's most spectacular and historic rocks balanced rocks perched rocks rock shelters talus caves glacial potholes split rocks rock profiles historic rocks and massive larger than life boulders Many large glacial erratics have a history going back thousands of years to when they were moved to their present location by advancing glaciers Many served as points of navigational reference at a time when the landscape was featureless and heavily forested and still others were ceremonial sites for Native Americans Rock shelters and talus caves have also been used for thousands of years by Native Americans and Europeans seeking refuge from the elements It is important that these amazing natural wonders of stone be remembered and recorded before they are lost to collective memory or destroyed by the encroachment of civilization Providing precise GPS location information along with length and degree of difficulty for each hike Downstate New York Rock Walks will appeal to casual hikers serious rock explorers historians geologists and anyone wishing to explore some of nature's greatest wonders within the reach of the lower Hudson River valley Main Street to Mainframes Harvey K. Flad, Clyde C. Griffen, 2010-03-25

The history of growth decline and revitalization in Poughkeepsie New York parallels that of many other small northeastern cities Main Street to Mainframes tells the story of Poughkeepsie s transformation over the past three centuries from an agricultural market town to a small city with a diversified economy centered on Main Street to an urban region dependent on the success of one corporation and how this transformation has affected the lives and landscape of its inhabitants As it adjusted to major changes in agriculture transportation and industry Poughkeepsie was also shaped by the forces and tensions of immigration and race The voices of immigrant and migrant newcomers from the Germans Irish and African Americans of the nineteenth century to the Italians Poles and Latinos of the twentieth enliven the narrative and offer personal perspectives on the social and demographic shifts that have taken place over the years The book also places Poughkeepsie in the context of the mid Hudson Valley s other cities Kingston Newburgh and Hudson as they competed from the colonial period onward Finally the book examines recent revitalization efforts based on tourism culture and the arts More than just a local history Main Street to Mainframes addresses important issues in urban and regional planning community development and sociology Like a palimpsest Poughkeepsie shows how past landscapes live on in the present and how over time popular perceptions both shape and reflect urban and rural realities

**Daughter of the Empire State** Jacqueline A. McLeod, 2011-11-01 This long overdue biography of the nation s first African American woman judge elevates Jane Matilda Bolin to her rightful place in American history as an activist integrationist jurist and outspoken public figure in the political and professional milieu of New York City before the onset of the modern Civil Rights movement Bolin was appointed to New York City s domestic relations court in 1939 for the first of four ten year terms When she retired in 1978 her career had extended well beyond the courtroom Drawing on archival materials as well as a meeting with Bolin in 2002 historian Jacqueline A McLeod reveals how Bolin parlayed her judicial position to impact significant reforms of the legal and social service system in New York Beginning with Bolin s childhood and educational experiences at Wellesley and Yale Daughter of the Empire State chronicles Bolin s relatively quick rise through the ranks of a profession that routinely excluded both women and African Americans Deftly situating Bolin s experiences within the history of black women lawyers and the historical context of high achieving black New Englanders McLeod offers a multi layered analysis of black women s professionalization in a segregated America Linking Bolin s activist leanings and integrationist zeal to her involvement in the NAACP McLeod analyzes Bolin s involvement at the local level as well as her tenure on the organization s national board of directors An outspoken critic of the discriminatory practices of New York City s probation department and juvenile placement facilities Bolin also co founded with Eleanor Roosevelt the Wiltwyck School for boys in upstate New York and campaigned to transform the Domestic Relations Court with her judicial colleagues McLeod s careful and highly readable account of these accomplishments inscribes Bolin onto the roster of important social reformers and early civil rights trailblazers

Principles of Linguistic Change, Volume 3 William Labov, 2011-07-05 Written by the world renowned pioneer in the field of modern

sociolinguistics this volume examines the cognitive and cultural factors responsible for linguistic change tracing the life history of these developments from triggering events to driving forces and endpoints Explores the major insights obtained by combining sociolinguistics with the results of dialect geography on a large scale Examines the cognitive and cultural influences responsible for linguistic change Demonstrates under what conditions dialects diverge from one another Establishes an essential distinction between transmission within the community and diffusion across communities Completes Labov s seminal Principles of Linguistic Change trilogy *American Illustrated Magazine* ,1947 **Poughkeepsie: Halfway Up the Hudson** Joyce C. Ghee,Joan Spence,1997-08 From the colonial period the Poughkeepsie area has been a prime location on the Hudson midway between Albany and New York City Accessibility scenic beauty and a dynamic economic and cultural environment have made both city and town of Poughkeepsie excellent communities in which to live work and play Numerous Americans have left their mark here including the Livingstons S F B Morse the Smith Brothers of cough drop fame Matthew Vassar Franklin and Eleanor Roosevelt and Thomas Watson Sr Poughkeepsie has also been enhanced by the contributions of its African American community and by successive waves of immigrants seeking a better life From hosting New York s United States Constitutional Ratification Convention in 1788 to becoming the location of IBM during World War II Poughkeepsie has continued to be the site of world changing events "Motor Trips", Eastern America ,1924 **Poughkeepsie** Joyce C. Ghee,2008 *American Magazine* ,1947 Engineering News-record ,1928 **The Bicentennial of the United States of America** American Revolution Bicentennial Administration,1977 Women's Recovery Programs ,1990 National directory of over 1 200 residential and in patient programs treating drug alcohol and behavioral disorders in women Source was a nationwide mail survey Current as of September 30 1989 Intended for professional personnel and general public Geographical arrangement Entries give identifying and descriptive information Organization addiction treatment method indexes Glossary *MotorBoating* ,1967-09 Hearings United States. Congress. House. Committee on Ways and Means,1953 *United States Coast Pilot* ,2001 *Pottery, Glass & Brass Salesman* ,1910 Official--Automobile Blue Book ,1906 **Boys' Life** ,1973-04 Boys Life is the official youth magazine for the Boy Scouts of America Published since 1911 it contains a proven mix of news nature sports history fiction science comics and Scouting
