# Poverty And Public Policy An Evaluation Of Social Science Research

**Augustin Holl, Jun Chen, Guiyun Guan**

## **Poverty And Public Policy An Evaluation Of Social Science Research:**

Why America Lost the War on Poverty--And How to Win It Frank Stricker,2011-02-01 In a provocative assessment of American poverty and policy from 1950 to the present Frank Stricker examines an era that has seen serious discussion about the causes of poverty and unemployment Analyzing the War on Poverty theories of the culture of poverty and the underclass the effects of Reaganomics and the 1996 welfare reform Stricker demonstrates that most antipoverty approaches are futile without the presence or creation of good jobs Stricker notes that since the 1970s U S poverty levels have remained at or above 11% despite training programs and periods of economic growth The creation of jobs has continued to lag behind the need for them Stricker argues that a serious public debate is needed about the job situation social programs must be redesigned a national health care program must be developed and economic inequality must be addressed He urges all sides to be honest if we don t want to eliminate poverty then we should say so But if we do want to reduce poverty significantly he says we must expand decent jobs and government income programs redirecting national resources away from the rich and toward those with low incomes Why America Lost the War on Poverty And How to Win It is sure to prompt much needed debate on how to move forward Poverty and Public Policy Vincent T. Covello,1980 **Applied Poverty Research**

Richard Goldstein,Stephen M. Sachs,1984-03 No descriptive material is available for this title **Poverty and Austerity amid Prosperity** Gregg M. Olsen,2021-10-25 Drawing from a cross national perspective and a range of comparative vantage points *Poverty and Austerity amid Prosperity* provides a comprehensive introduction to the study of poverty

**Clearinghouse Review** ,1977 *A Decade of Federal Antipoverty Programs* Robert H. Haveman,2013-10-22 *A Decade of Federal Antipoverty Programs Achievements Failures and Lessons* presents papers on the war on poverty dealing with its origins its education health and income maintenance programs and its community action legal services and antidiscrimination policies The book discusses poverty and social policy in the 1960s and 1970s the social and political context of the war on poverty and a decade of policy developments in the income maintenance system The text also describes a decade of policy developments in improving education and training for low income populations a decade of policy developments in providing health care for low income families and the mobilization of low income communities through community action 10 Years of legal services for the poor and a decade of policy developments in equal opportunities in employment and housing are also considered Historians and people involved in political sciences will find the book invaluable

*Library of Congress Catalogs* Library of Congress,1981 **The Future of Evaluation** Wolfgang Meyer,Reinhard Stockmann,2016-01-26 Evaluation has become an important instrument for rational governance and is used in an increasing number of countries and policy fields Recent developments at the global national and local level are changing the conditions and functions of evaluation worldwide This book examines current global development trends and changing demands for evaluation It addresses issues surrounding professionalisation and globalisation examining the need to strengthen

accountability for social development in various different policy fields regions and countries to improve governance and its impacts on social betterment It also considers issues of quality utility and further education and the upgrading of evaluation in a broad variety of different organisations such as multilateral donor organisations national public administrations private consultancies civil society organisations universities and research institutes With contributions from 30 different countries this book combines a broad variety of viewpoints to examine the global future of evaluation Handbook of Public Policy Evaluation in the Global South Anis Ben Brik,2025-06-09 This insightful Handbook delves into public policy evaluation in the Global South Drawing on in depth case studies it analyzes the complex interplay of historical political economic and social factors that shape evaluation practices in Africa Asia Latin America and the Middle East *Poverty Policy and Poverty Research* Robert H. Haveman,1997-05-15 The War on Poverty instituted in 1965 during the administration of Lyndon B Johnson was one of the chief elements of that president s Great Society initiative This book describes and assesses the major social science research effort that grew up with and in part because of these programs Robert H Haveman s objective is to illuminate the process by which social and political developments have an impact on the direction of progress in the social sciences Haveman identifies the policy measures most closely tied to the War on Poverty and the Great Society and describes the nature of these policies and their growth from 1965 to 1980 He examines the extent and growth of resources devoted to the poverty related research that accompanied these programs and assesses the impact of the growth in this research commitment over the 1965 1980 period Haveman s was the first full overview of recent poverty related research and an overview of methodological developments in the social sciences in the post 1965 period which were stimulated by the antipoverty effort *Poverty Law and Legal Activism* Adam Gearey,2018-06-14 Linking critical legal thinking to constitutional scholarship and a practical tradition of US lawyering that is orientated around anti poverty activism this book offers an original revisionist account of contemporary jurisprudence legal theory and legal activism The book argues that we need to think in terms of a much broader inheritance for critical legal thinking that derives from the social ethics of the progressive era new left understandings of creative democracy and radical theology To this end it puts jurisprudence and legal theory in touch with recent scholarship on the American left and indeed with attempts to recover the legacies of progressive era thinking the civil rights struggle and the Great Society Focusing on the theory and practice of poverty law in the period stretching from the mid 1960s to the present day the book argues that at the heart of both critical and liberal thinking is an understanding of the lawyer as an ethical actor inspired by faith or politics to appreciate the potential and limits of law in the struggle against economic inequality **The Geography of United States Poverty** Wendy Shaw,2015-11-19 Until this book was originally published in 1996 there had been little detailed research concerning the geographic location of the poor in America The book examines the spatial distribution of the poor within the US and discusses the general characteristics of the poverty population It explores the complex web of theory pertaining to poverty

presenting different categories no fault theories individual responsibility theories societal responsibility theories governemntal and institutional responsibility theories and responsibility of the economic system theories Information on poverty from the 1980s and 90s in the US is provided as well as historical background The problems and complexities associated with defining and measuring poverty are also discussed The Great Recession and the Distribution of Household Income Stephen P. Jenkins,2013 The so called Great Recession that followed the global financial crisis at the end of 2007 was the largest economic downturn since the 1930s for most rich countries To what extent were household incomes affected by this event and how did the effects differ across countries This is the first cross national study of the impact of the Great Recession on the distribution of household incomes Looking at real income levels poverty rates and income inequality it focusses on the period 2007-9 but also considers longer term impacts Three vital contributions are made First the book reviews lessons from the past about the relationships between macroeconomic change and the household income distribution Second it considers the experience of 21 rich OECD member countries drawing on a mixture of national accounts and labour force and household survey data Third the book presents case study evidence for six countries Germany Ireland Italy Sweden the UK and the USA The book shows that between 2007 and 2009 government support through the tax and benefit system provided a cushion against the downturn and household income distributions did not change much But after 2009 there is likely to be much greater change in incomes as a result of the fiscal consolidation measures that are being put into place to address the structural deficits accompanying the recession The book's main policy lesson is that stabilisation of the household income distribution in the face of macroeconomic turbulence is an achievable policy goal at least in the short term

#### Proceedings of the 2022 5th International Conference on Humanities Education and Social Sciences (ICHESS 2022)

Augustin Holl,Jun Chen,Guiyun Guan,2023-02-09 This is an open access book ICHESS started in 2018 the last four sessions of ICHESS have all been successfully published ICHESS is to bring together innovative academics and industrial experts in the field of Humanities Education and Social Sciences to a common forum And we achieved the primary goal which is to promote research and developmental activities in Humanities Education and Social Sciences and another goal is to promote scientific information interchange between researchers developers engineers students and practitioners working all around the world 2022 5th International Conference on Humanities Education and Social Sciences ICHESS 2022 was held on October 14-16 2022 in Chongqing China ICHESS 2022 is to bring together innovative academics and industrial experts in the field of Humanities Education and Social Sciences to a common forum The primary goal of the conference is to promote research and developmental activities in Humanities Education and Social Sciences and another goal is to promote scientific information interchange between researchers developers engineers students and practitioners working all around the world The conference will be held every year to make it an ideal platform for people to share views and experiences in Humanities Education and Social Sciences and related areas Poverty and Power Edward Royce,2009 Poverty and Power suggests

that today's poverty results from deep rooted disparities in income wealth and power The rate and severity of poverty remain high because millions of Americans are trapped in low wage jobs inadequately served by government policy excluded from mainstream policy debates and victimized by discrimination and social exclusion

**The Oxford Handbook of Poverty and Child Development** Valerie Maholmes, Rosalind B. King, Ph.D., 2012-05-21 Comprehensive and integrative The Oxford Handbook of Poverty and Child Development describes the contextual and social ecology of children living in poverty and illuminates the biological and behavioral interactions that either promote optimal development or that place children at risk of having poor developmental outcomes

*Research in Education*, 1973

**Resources in Education**, 2000-10

**Social Protection in East Asian Chinese Societies** Peter Saunders, Alex Jingwei He, 2019-06-20 Despite its impressive economic growth East Asia is facing daunting challenges in mitigating its social problems including chronic poverty and worsening social inequality The past decade has seen growing scholarly interest in the development of East Asian social policies not only because of the sheer size of the population and its global impact but also due to the stark contrast between this region's economic prosperity and the ongoing issue of severe social inequality This book presents a collection of studies on aspects of social protection in East Asian Chinese societies including Mainland China Taiwan and Hong Kong Contributions by leading social policy scholars working in and on the region aim to promote scholarly understanding of the pressures facing social protection systems in East Asia identify existing gaps and emerging social policy issues and review the effectiveness of existing programmes The evidence presented and insights generated will promote further debate and facilitate meaningful comparative social policy studies in the region and beyond This book was originally published as a special issue of the Journal of Asian Public Policy

**International Development Cooperation of Japan and South Korea** Huck-ju Kwon, Tatsufumi Yamagata, Eunju Kim, Hisahiro Kondoh, 2022-01-01 This book examines the evolution of foreign aid policy in Japan and South Korea analyzing policy rationales institutional developments and policy choices The book searches for new strategies of international development cooperation in an uncertain world The book compares two countries policies in a unique way pairs of Japanese and Korean scholars examine same policy themes in separate chapters contrasting differences and similarities This book will be of great value to scholars of international development cooperation public policy and East Asian politics

## **Poverty And Public Policy An Evaluation Of Social Science Research Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Poverty And Public Policy An Evaluation Of Social Science Research PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational

resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Poverty And Public Policy An Evaluation Of Social Science Research PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Poverty And Public Policy An Evaluation Of Social Science Research free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

### **FAQs About Poverty And Public Policy An Evaluation Of Social Science Research Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Poverty And Public Policy An Evaluation Of Social Science Research is one of the best book in our library for free trial. We provide copy of Poverty And Public Policy An Evaluation Of Social Science Research in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Poverty And Public Policy An Evaluation Of Social Science Research. Where to download Poverty And Public Policy An Evaluation Of Social Science Research online for free? Are you looking for Poverty And Public Policy An Evaluation Of Social Science Research PDF? This is definitely going to save you time and cash in

something you should think about.
