Poverty Rural Development Planners:

Poverty and Rural Development K. Puttaswamaiah, 1989 Papers presented at the seminar on Planners Peasants and Poverty held at Sussex University in 1983 Poverty and Development Planning in India K.L. Datta, 2014-01-01 This book covers a wide range of issues related to poverty and inequality in the context of development planning in India It presents an account of the planning and development strategy at the backdrop of the measures to effect poverty reduction It describes India's planning process and analyses the mathematical models of growth and investment which are at the back of Plan formulation and provides an account of the measures of poverty reduction The centrality of this analysis is the transition from growth measures pursued until the 1970s to a mix of growth and redistribution since the 1980s and then to inclusive growth This book covers four core areas First the treatise on mathematical models to chart out a growth path the manner and method of using poverty as a parameter in the consistency type growth models and the analytical details of the changes in the planning strategy during the period of economic reforms contained here give seminal insights into the role of planning in poverty reduction Second it comments on the methodology of the measurement of poverty comprehensively summarising the debates surrounding it Third the identification of poor and accrual to their income through direct attack on poverty has been chronicled with a critic's eye Here a clinical examination of the specific strategies and their outcomes with a quantitative analysis of the general growth process and the income redistributive anti poverty programmes is also done Fourth it undertakes a disaggregated quantification of poverty at the regional level in rural and urban areas and by social and occupation groups These reflect the stratified nature of Indian society and are integral to the formulation of meaningful plan for poverty reduction The issues addressed here are essential to understand poverty and inequality in India's rapidly growing economy Many of them are contentious and have been dealt with academic rigour so as to enable a fair assessment

Development Planning and Poverty Reduction D. Potts, P. Ryan, A. Toner, 2003-06-10 The stated aim of much development assistance is the reduction of poverty This book examines how development interventions might be more effectively targeted to achieve this aim Part One provides an overview of planning for poverty reduction and evidence on the extent and causes of poverty Part Two examines participatory approaches to development planning Part Three assesses macro economic strategies and programmes for poverty reduction Part Four concludes with a microeconomic analysis of the distribution of benefits from investment projects **Growth and Development Planning in India** K. L. Datta, 2020-11-30 The debate around growth has been an important feature of economic planning in India since Independence This book deals with the wide range of issues related to the country's growth and development between 1951 and 2011 covering the 11 Five Year Plans formulated and implemented during this period as well as in the decade after that The author traces the changing nature of planning over time from rigid state control on economic activities to reliance on market based planning in the time of economic reforms He has dealt with the transition from growth measures in the 1970s to the use of a mix of growth and

redistribution in the 1980s and the economic reforms and liberalization measures from 1991 onwards and the inclusive growth we have seen in the twenty first century The central theme of the book is to analyse the role that planning played in maximizing the rate of economic growth and in improving the living standards of the people Considering India s rapidly changing socio economic environment many of the issues around growth and development are contentious The author discusses them here with academic rigour and an insider s insight thus enabling a fair assessment District Development Planning Tarsem Lal,1986
