Real World Color Management Bruce Fraser,2005 [Real World Print Production with Adobe Creative Suite Applications](#) Claudia McCue,2010-04-14 Contrary to popular belief print is not dead With all the interest in online publishing here in the 21st century it s easy to lose sight of the fact that information is still widely disseminated through the good old medium of print The advent of desktop publishing granted new levels of power and control to the layout artist and graphic designer but it hasn t made the process of getting the perfect print foolproof Sometimes managing the disparate elements of fonts images colors and more while dealing with the quirks of page layout

applications makes even the bravest designer and production editor long for the hands on days of moveable type Creating a great layout on your monitor is only half the battle how do you make it work on paper Print production expert Claudia McCue takes on the challenge of putting ink to paper offering clear authoritative guidance to print professionals and anyone else who has been frustrated by the obstacles of getting electronic documents to print perfectly This new edition of Claudia s classic book is now fully Adobe centric and shows readers how to use the different applications in the Adobe Creative Suite 4 together to create and produce great print documents Use Photoshop and Illustrator to create raster and vector images and combine them with text in InDesign to create eye catching yet readable page layouts Learn the ins and outs of fonts and gain a better understanding of how ink and paper work together Finally preflight or prepare your job for submission to a printer to make sure the printing process goes off without a hitch

Real World Adobe InDesign CS4 Olav Martin Kvern,David Blatner,2009-06-02 Adobe InDesign is a full fledged sophisticated program tightly integrated with the other Adobe industry leading graphics and Web programs in the Creative Suite It s the essential tool for anyone doing page layout and design Real World Adobe InDesign CS4 offers industrial strength and time saving techniques for design professionals who need to start laying out proofing and printing pages with InDesign CS4 without missing a beat or a deadline in their fast paced production cycles Design pros will find everything they need here to successfully master InDesign s advanced page layout tools manage color snippets and use the program more efficiently They ll also find complete coverage of essential features in InDesign CS4 including live preflight customizable Links panel conditional text cross references interactive document capability with the new SWF file animated page transitions export to Flash CS4 functionality Smart Guides and Smart Spacing spread rotation and smart text reflow
