Jo Pratt, 2013-03-01 Oh, how Jo Pratt's life has changed over the last few years. Gone are the days of spending a day or two preparing for elaborate dinner parties using ingredients she hunted down in back street markets and fancy deli shops. That was all pre-children; now things are very different. She's a busy mum who has to juggle work, children and all the associated chaos. She lives in a madhouse. Bestselling author Jo has devised a cookbook full of delicious and healthy food that addresses one of the most challenging problems experienced by busy parents: finding time to cook meals for their family. The recipes are simple, easy to shop for and quick to make, with shortcuts and prepare-ahead tips. But there's much more to the book than this: there are also Lifesaver mini recipes that give you staples for your freezer and store cupboard, and Leftovers mini recipes too to show you how to be clever and get more value out of time spent in the kitchen. There are three chapters: Monday to Friday Survival, Busy Weekends and Cling onto your Social Life. These chapters feature recipes for every meal and eventuality, including weekday kids' teatime recipes that will go down a storm, dinners that will wow your friends, and Sunday lunches to make the most of those precious moments of relaxation with your family. **La Cucina Siciliana di**
