Realm of Unknowing Mark Rudman,1995-04-21 Powerful meditations on the nature and limits of human understanding

Realm of Unknowing Mark Rudman,2012-01-01 Powerful meditations on the nature and limits of human understanding

International Who's Who in Poetry 2005 Europa Publications,2004 Provides up to date profiles on the careers of leading and emerging poets **The Prairie Schooner Anthology of Contemporary Jewish American Writing** Hilda Raz,1998-01-01 A vivid collection bringing together a wide selection of contemporary poets essayists and fiction writers that demonstrates the continuing vitality of Jewish American writing The collection embraces tradition and innovation and is as diverse as it is consistently stimulating sure to become required reading for enthusiasts of contemporary American literature

Provoked in Venice Mark Rudman,2012-01-01 In these powerfully conceived and understated poems Mark Rudman asks how culture is created and shared and how historical events and figures are known through direct experiences of place The title Provoked in Venice alludes to the structure of the book wherein a trip to Italy becomes the catalyst for a meditative view of the convergence of imagination history and the 20th century attempt to recover them both The narrator enters the maze of Venice like a contemporary Dante guided only by the voice of the rider interlocuter Rich in allusions to literature film and the past this final volume of the trilogy will engage and sustain all mental travelers *The Techne of Giving* Timothy C.

Campbell,2017-01-02 Over the last five years corporations and individuals have given more money more often to charitable organizations than ever before What could possibly be the downside to inhabiting a golden age of gift giving That question lies at the heart of Timothy Campbell s account of contemporary giving and its social forms In a milieu where gift giving dominates nearly everything given and received becomes the subject of a calculus gifts from God from benefactors from those who have Is there another way to conceive of generosity What would giving and receiving without gifts look like A lucid and imaginative intervention in both European philosophy and film theory The Techne of Giving investigates how we hold the objects of daily life indeed how we hold ourselves in relation to neoliberal forms of gift giving Even as instrumentalism permeates giving Campbell articulates a resistant techne locatable in forms of generosity that fail to coincide with biopower s assertion that the only gifts that count are those given and received Moving between visual studies Winnicottian psychoanalysis Foucauldian biopower and apparatus theory Campbell makes a case for how to give and receive without giving gifts In the conversation between political philosophy and classic Italian films by Visconti Rossellini and Antonioni the potential emerges of a generous form of life that can cross between the visible and invisible the fated and the free

Sundays on the Phone Mark Rudman,2005-10-20 Intimate account of the fierce unsettling connection between son and mother **Infinity (stage)** Spencer Golub,2001 A moving and genre defying text written after a great loss that blurs the boundaries between writing and performance

The Millennium Hotel Mark Rudman,1996 In this captivating sequel to his award winning Rider Mark Rudman reclaims a sacred space for poetry The Millennium Hotel is a world of dazzling imitations

a vast casino where personal narrative is recognized as a fiction and death always holds the winning hand Rudman asks How not to be seduced by the new as he illustrates the intimate ways in which facade gender and memory inform both our private and public realms Here the interlocutor s voice shifts and freely crosses gender lines especially in poems about early erotic experience Mothers daughters lovers and wives are passionately engaged Its inclusiveness and wide range of tonal registers enable The Millennium Hotel to blend seamlessly the intimate the social the comic and the apocalyptic The book moves like a series of sonatas melding childhood the diaspora and eros The Book of Samuel Mark Rudman,2009-03-21 Crisis

breakdown rejuvenation this is the territory of poetry that Rudman takes readers into with this set of essays Constructed as a series of character studies the essays are rooted in autobiographical material with biographical counterpoints tying the poets distinctly to places Even as they are placed however they are displaced Rudman s subjects from D H Lawrence to Czeslaw Milosz to T S Eliot are almost all exiles either geographically or within themselves This exile spins anger into energy transmuting emotion into imagination the same way that Passaic Falls known to William Carlos Williams turns water into power The mosaic style of the essays touches on nerve after nerve avoiding the snags of academic jargon to ease towards an illuminating truth about the artists shifting work and worlds Some of the Samuels Beckett and Fuller were able to navigate these shifts while others Coleridge and Johnson are shown to be less able to transmute their energy into motion *The Complete Cloud of Unknowing* ,2014-03-01 Central to the Christian mystical tradition is the inspired work of the anonymous author of The Cloud of Unknowing Rich with insights and perceptions of the obscurity and unknowability of God this work reveals God as being on an entirely different plane of existence from human beings so different that time bound human language is inadequate to describe God exhaustively or accurately Intellect and emotion both fail in seeking God who can only be encountered by rejecting all common earthly means in a cloud of forgetting and the discovery of Godself in the dark cloud of unknowing that can be pierced only with a lance of longing love Now we finally have a translation that captures all of this beauty and complexity without minimizing the nuances all of which are explained with extensive introductions and accompanying notes If I could keep with me only two books and a journal this book would be one of the books As far as I m concerned it s the most important book and among the most influential on Christian prayer in the last two millennia I m delighted to endorse this fine new translation and commentary The Rev Dr Chris Neufeld Erdman University Presbyterian Church Fresno CA author of Beyond Chaos Living the Christian Family in a World Like Ours and Returning to the Center Living Prayer in a Distracting World The Complete Cloud of Unknowing includes two classics of medieval Christian contemplative spirituality essential reading for anyone seeking to deepen their relationship with God through the practice of silent prayer They are rich texts full of nuanced wisdom that often gets lost in modern translations Father John Julian has captured the beauty humor and literary elegance of the original versions but also has supplemented his translation with detailed notes that convey the subtle spiritual insight that makes these works required reading I m excited about this book it
