Tom Easton,2006-10-01 Tom Easton has served as the monthly book review columnist for Analog Science Fiction for almost three decades having contributed during that span many hundreds of columns and over a million words of penetrating criticism on the best literature that science fiction has to offer His reviews have been celebrated for their wit humor readability knowledge and incisiveness His love of literature particularly fantastic literature is everywhere evident in his essays Easton has ever been willing to cover small presses obscure authors and unusual publications being the only major critic in the field to do so on a regular basis He seems to delight in finding the rare gem among the backwaters of the publishing field A reviewer's job he says is not to judge books for the ages but to tell readers enough about a book to give them some idea of whether they would enjoy it And this he does admirably whether he's discussing the works of the great writers in the field or touching upon the least amongst them This companion volume to Periodic Stars Borgo Wildside collects another 250 of Easton's best reviews from the last fifteen years of The Reference Library No one does it better and no other guide provides such lengthy or discerning commentary on the best SF works of recent times Complete with Introduction and detailed Index

Notes and Queries William John Thoms, 1868 The London Mercury Sir John Collings Squire, 1921 Leigh Hunt's Relations with Byron, Shelley and Keats Barnette Miller, 2022-08-01

In Leigh Hunt's *Relations with Byron Shelley and Keats* Barnette Miller offers a meticulously researched exploration of the intricate connections between the Romantic poet Leigh Hunt and his contemporaries Byron Shelley and Keats. Set against the backdrop of a burgeoning literary culture, Miller's study delves into the personal and professional intersections that shaped these poets' bodies of work. With a nuanced approach to both primary texts and a host of secondary sources, the book analyzes the symbiotic relationships and rivalries that influenced the era's poetic output. The literary context is vividly rendered with Miller's prose capturing the spirit of the age and providing insight into the emotional and intellectual interplay of these literary giants.

Barnette Miller, through his comprehensive examination, reveals himself to be not only a scholar deeply attuned to the Romantic period but also one with a keen interest in the human aspect behind the literary productions. His choice of subject likely stems from a recognition of the importance of interpersonal dynamics in the creative process, especially during a period as fraught with revolutions in thought and form as the early 19th century. This underpinning scholarly curiosity lifts Miller's writing beyond mere biography or criticism, ultimately weaving a narrative that underscores the profound impact of camaraderie and conflict among peers on the evolution of art.

Those with an interest in Romantic literature, the enigmatic figures of Byron, Shelley, and Keats, or the complex networks of literary fellowship will find Leigh Hunt's *Relations with Byron Shelley and Keats* to be a compelling read. Meticulously referenced and written with an authoritative yet engaging voice, Miller's book is recommended for scholars and enthusiasts alike who seek to better understand the fraught and fertile ground from which sprang some of the most celebrated poetry in the English language. It is an essential addition to the libraries of those who cherish the rich interconnections of literary history and the vibrant exchange of ideas that drive the human creative spirit.

Excerpt from *The Rebellion of the Beasts*: Or the Ass Is Dead Long Live the Ass
 Depend upon it my lord, humanity is as bad as patriotism. I cannot hear this fury for teaching and instructing and improving morally the condition of our inferiors. He was no friend to legitimacy that taught the learned pig and nothing is so cruel or so wicked as to make the lower orders wiser than their betters. A poor man and a poodle dog should never be taught to read; they are much happier in their present condition and a cow and a negro are infinitely more to be envied than the well taught and democratic peasant of England who would give their ears to be as well fed and as ignorant as our West Indian slaves.
