**Rebellious Nuns** Margaret Chowning,2005-11-10 Nuns are hardly associated in the popular mind with rebellion and turmoil In fact convents have often been the scenes of conflict but what went on behind the walls of convents was meant by the church to be mysterious Great care was taken to prevent the scandal of factionalism in the nunneries from becoming widely known This has made it very difficult to reconstruct the battles fought the issues debated and the relationships tested in such convents Margaret Chowning has discovered a treasure trove of documents that allow an intimate look at two crises that wracked the convent of La Pur sima Concepci n in San Miguel el Grande New Spain Mexico At the heart of both rebellions were attempts by some nuns to impose a regimen of strict observance of their vows on the others and the resistance mounted by those who had a different view of the convent and their own role in it Would the community adopt as austere a lifestyle as they could endure doing manual labor suffering hunger and physical discomfort deprived of the society of family and friends Or would these women be allowed to lead comfortable and private lives when not at prayer Accusations and counteraccusations flew First one side and then the other seemed to have the upper hand For a time a mysterious and dramatic illness broke out among the rebellious nuns capturing the limelight Were they faking Were they unconsciously influenced by their ringleader the charismatic and manipulative young women who first experienced the mal **Rebellious Nuns** covers the history of the convent from its founding in 1752 to the forced eviction of the nuns in 1863 While the period of rebellion is at the center of the narrative Chowning also gives an account of the factors that led up to the crises and the rebellion s continuing repercussions on the convent in the decades to follow Drawing on an abundance of sources including numerous letters written by the bishop and local vicar as well as nuns of both factions Chowning is able to give us not just the voices but the personalities of the nuns and other actors In this way she makes it possible for us to empathize with all of them and to appreciate the complicated dynamics of having committed your life not only to God but to your community

Boyle, Sarah E. Owens, 2021-04-19 This interdisciplinary collection takes a deep dive into early modern Hispanic health and demonstrates the multiples ways medical practices and experiences are tied to gender **To Sin No More** David Rex Galindo, 2018-02-27 For 300 years Franciscans were at the forefront of the spread of Catholicism in the New World In the late seventeenth century Franciscans developed a far reaching systematic missionary program in Spain and the Americas After founding the first college of propaganda fide in the Mexican city of Quer taro the Franciscan Order established six additional colleges in New Spain ten in South America and twelve in Spain From these colleges Franciscans proselytized Indians in frontier territories as well as Catholics in rural and urban areas in eighteenth century Spain and Spanish America To Sin No More is the first book to study these colleges their missionaries and their multifaceted sweeping missionary programs By focusing on the recruitment of non Catholics to Catholicism as well as the deepening of religious fervor among Catholics David Rex Galindo shows how the Franciscan colleges expanded and shaped popular Catholicism in the eighteenth century Spanish Atlantic world This book explores the motivations driving Franciscan friars their lives inside the colleges their training and their ministry among Catholics an often overlooked duty that paralleled missionary deployments Rex Galindo argues that Franciscan missionaries aimed to reform or reawaken Catholic parishioners just as much as they sought to convert non Christian Indians Indigenous Writings from the Convent Mónica Díaz, 2017-12-01 Sometime in the 1740s Sor Mar a Magdalena an indigenous noblewoman living in one of only three convents in New Spain that allowed Indians to profess as nuns sent a letter to Father Juan de Altamirano to ask for his help in getting church prelates to exclude Creole and Spanish women from convents intended for indigenous nuns only Drawing on this and other such letters as well as biographies sermons and other texts M nica D az argues that the survival of indigenous ethnic identity was effectively served by this class of noble indigenous nuns While colonial sources that refer to indigenous women are not scant documents in which women emerge as agents who actively participate in shaping their own identity are rare Looking at this minority agency or subaltern voice in various religious discourses exposes some central themes It shows that an indigenous identity recast in Catholic terms was able to be effectively recorded and that the religious participation of these women at a time when indigenous parishes were increasingly secularized lent cohesion to that identity Indigenous Writings from the Convent examines ways in which indigenous women participated in one of the most prominent institutions in colonial times the Catholic Church and what they made of their experience with convent life This book will appeal to scholars of literary criticism women s studies and colonial history and to anyone interested in the ways that class race and gender intersected in the colonial world *Women's Roles in Latin America and the Caribbean* Kathryn A.
