

Four men are standing in front of a large window at night. The man on the far left is wearing a white sweatshirt with a small logo. The man next to him is wearing a maroon long-sleeved shirt. The man in the center is wearing a light grey hoodie. The man on the far right is wearing a black and white jacket with yellow accents. The window behind them shows a dark outdoor scene with some lights visible. The text "MEET OUR NEW REBELS" is overlaid on the bottom half of the image. The word "NEW" is in pink, and the word "REBELS" is in white. A small pink logo is at the end of the word "REBELS".

Rebel Militias in Eastern Ukraine Martin Laryš, 2024-08-27 This book extends principal agent theory to the case of pro Russian rebel militias in Eastern Ukraine Russia's war in Ukraine demonstrates the much discussed relations between the principal Russia and agent rebel militias in Eastern Ukraine Russia's aggression against Ukraine in 2014 was a frontal challenge to the post Cold War European regional order and since 2022 it has offered a challenge to the global order Filling the gap in the literature on indirect warfare and insurgencies this book offers systematic insights into structures and relations within the leaderless rebellion in the Donetsk and Luhansk Oblasts It introduces the concept of the delegation of leaderless rebellion based on the argument that it is a specific kind of rebellion when local elites do not actively participate as the leaders of the rebellion Random people without any fighting or political experience and with no social embeddedness become rebel commanders which means the principal Russia faces serious challenges but also benefits from opportunities to exercise complete control over the rebel forces and administration This book will be of much interest to students of civil wars and insurgencies political violence Eastern European politics and international relations in general

Humanitarian Intervention and Conflict Resolution in West

Africa John M. Kabia, 2009 Taking the empirical case of the Economic Community of West African States ECOWAS this volume locates the peacekeeping operations of ECOWAS within an expanded post Cold War conceptualization of humanitarian intervention It examines the organization's capacity to protect civilians at risk in civil conflicts and to facilitate the processes of peacemaking and post war peace building *The Spanish Republic and Civil War* Julián Casanova, 2010-07-29 The Spanish Civil War has gone down in history for the horrific violence that it generated The climate of euphoria and hope that greeted the overthrow of the Spanish monarchy was utterly transformed just five years later by a cruel and destructive civil war Here Julián Casanova one of Spain's leading historians offers a magisterial new account of this critical period in Spanish history He exposes the ways in which the Republic brought into the open simmering tensions between Catholics and hardline anticlericalists bosses and workers Church and State order and revolution In 1936 these conflicts tipped over into the sacas paseos and mass killings which are still passionately debated today The book also explores the decisive role of the international instability of the 1930s in the duration and outcome of the conflict Franco's victory was in the end a victory for Hitler and Mussolini and for dictatorship over democracy *The Empire at War* Sir Charles Prestwood Lucas, 1921 **The Empire at War: India, the Mediterranean, eastern colonies &c** Sir Charles Prestwood Lucas, 1921 **The Regal Throne — Power, Politics and Ribaldry** Nicholas Dobson, 2022-06-13 If advised essayist and critic William Hazlitt we wish to know the force of human genius we should read Shakespeare For if anyone profoundly understood the human condition in all its forms it was he Lovably drunken rogues dysfunctional kings cowardly preening braggarts to nobly inspiring heroes The remarkable series of plays engaged in under *The Regal Throne* moves from high political intrigue to lowlife bar room badinage From self indulgent regal decline to elevated and inspirational kingly valour From adolescent delinquency and father son tensions to exaltedly noble redemption The playwright launches us on our journey with the narcissistic Richard rapidly sowing seeds of his own decline with his callously imperious behaviour And the ruthlessly astute Bolingbroke returning from his banishment to take the sovereign's Crown and then his life But Bolingbroke as Henry IV has little chance to enjoy his prize For his tyranny breeds rebellion Meanwhile in Cheapside and to his father's chagrin the future Henry V as adolescent Prince Hal disports himself in seedy taverns amongst a gallery of Hogarthian lowlifes including the comedic heavyweight Falstaff while quietly planning a shrewdly redemptive personal remake as the exemplary war hero Henry V A rich tapestry indeed But whilst Shakespeare's early modern English is reasonably understandable many words and references aren't For slang is constantly shape shifting And particularly with Shakespeare's bar room banter it's helpful to know just what the characters are saying to and about each other The author explains each scene of all four plays in detail with copious quotations from Shakespeare's text throughout and substantial hypertext explanatory notes *The Regal Throne* is an invaluable companion for all who set sail on this vibrant Shakespearean voyage into power politics and ribaldry **The New York Times Index**, 1924 **Liberty or Death** Philip Jowett, 2019-08-22 A

highly illustrated study of the wars of Central and South America from 1900 through to 1970 featuring many rare and never before seen images From the Banana Wars of the early 20th century through to the Football War of 1969 South and Central America has been a hotbed of revolutions rebellions and conflicts as diverse as they are numerous Some were small scale affairs involving the poorly armed forces of Central American armies with rifles machetes and a few aged machine guns Others were full scale conflicts involving sophisticated armies equipped with tanks artillery and aircraft and hundreds of thousands of troops These wars often went largely unreported in the West which was preoccupied with its own problems in fighting two world wars and dealing with Cold War tensions Fully illustrated with a wealth of rare photographs this fascinating story sheds light on seven decades of a continent in conflict that is rarely covered in English

Life Journey Through Three Regimes, Two Countries and Two Systems Bo Shi, 2022-04-20

Brief to a New Book *Life Journey through Three Regimes Two Countries and Two Systems* This book is an autobiography It vividly describes author s complex life journey The author was born in a remote mountain village in China He went to a university in Beijing and worked in Chinese Academy of Science in Beijing for many years after graduation The author came to study in the United States of America in 1981 obtained Ph D in physics He later taught at American universities He went from the son of a farmer in a mountain village to a professor in the United States of America His childhood was in the era of Kuomintang rule of Communist Mao Zedong rule and then of Deng Xiaoping s reform The United States is his current country of citizenship and residence He loves this country But it somehow is still like a foreign country to him The United States is also typical of the capitalist system So the author experienced three regimes and two countries and two systems In his earlier life it is the richest part of Chinese history and also the richest part of world history He has been through all these The course of his life is very complex rich and colorful A lot of living things happen at his feet These stories have love and hate there is history and there is something personal Among them there is success there is failure there is experience there is a lesson and its path is rondo and fold Sometimes it is smooth sailing sometimes the waves roll sometimes it is breezy and sunny and sometimes is stormy In 1994 the author returned to his long lost hometown This was the second time he had come back after nearly twenty years The last time was in 1975 The author saw his classmates and friends when he was a kid Of course the American professor returning to his hometown still caused a lot of sensation in the village Some people who used to bully his family had also come to visit After a few decades the hometown had been unrecognizable After the reform and opening up the people s lives had improved considerably However local governments were lacking environmental awareness and the concept of uniform logging The construction of houses was extremely disorganized turning the beautiful mountain village into a mess The author was very sad seeing this He is always dreaming If he has hundreds of millions of dollars he must first go to transform his hometown He is going to dedicate this book to his hometown If only his book could be published he is going to use all his contributions as a fund to raise money for rebuilding his hometown This book is written in chronological order It is divided into eleven chapters
