Levine author of *Turning Towards the Mystery* says This is a book of options an honoring of the continuum that few have believed possible It is a rare tale about the death of a child and the rebirth of the spirit in the hearts of all who were near and the skillful passing into what is available to us all our original nature And that is Robert s goal to offer each and every one of us the practical and spiritual means and resources we need to work with a moment in our lives that each and everyone of us will face Robert sees dying and death as the sum total of what we have ever learned about life and living Though for many a time filled with tragedy and sorrow it is in truth our finest moment and probably the most amazing part of our journey through life Thus in Robert s words *Rebirth Into Pure Land* is a guidebook to help us in the most amazing journey of our lives
