Restoring the First century Church in the Twenty first Century Essays on the Stone Campbell Restoration Movement in Honor of Don Haymes is a snap shot of a major American religious movement just after the turn of the millennium When the Disciples of Alexander Campbell and the Christians of Barton Warren Stone joined forces early in the 19th century the first indigenous ecumenical movement in the United States came into being Two hundred years later this American experiment in biblical primitivism has resulted in three possibly four large segments Best known is the Christian Church Disciples of Christ active wherever ecumenical Christians gather The denomination is typically theologically open having been reshaped by theological Liberalism and the Social Gospel in the twentieth century and has been re organized on the model of other Protestant bodies The largest group the Churches of Christ easily distinguished by their insistence on a cappella music singing only is theologically conservative now tending towards the evangelical and congregationally autonomous though with a denominational sense of brotherhood The Christian Churches Churches of Christ Independent are a via media between the two other bodies theologically conservative and evangelical congregationally autonomous pastorally oriented and comfortable with instrumental music The fourth numerically significant group the churches of Christ Anti Institutional is a conservative reaction to the a cappella churches much in the way that the Southern a capella churches reacted against the emerging intellectual culture and social location instrumental music and institutional centrism of the Northern Disciples following the Civil War Besides these four numerous smaller fragments typically one article splinter groups decorate the history of the Restoration Movement One Cup brethren Premillennialists No Sunday School congregations No Located Preacher churches and others This movement to unite Christians on the basis of faith and immersion in Jesus Christ and to restore New Testament Christianity is too little recognized on the American religious landscape and it has been too little studied by the academic community This volume is focused primarily on the a cappella churches and their interests but implications for the entire Stone Campbell Restoration Movement abound The voices that speak freely within were unimpeded in authoring these essays by standards of orthodoxy imposed from without All of the contributors are acquainted with Don Haymes the honoree of the volume and have been inspired by this friend and colleague a man with a rigorous and earthy intellect and a heavenly spirit David Bundy series editor Studies in the History and Culture of World Christianities

volume offers a rare and much needed window into the crucial ideas and positions currently shaping Japanese thought. In addressing the political, historical, and cultural issues that have dominated Japanese society, these essays cross a range of disciplines including literary theory, philosophy, history, gender studies, and cultural studies. Contributors examine Japan's imperialist and nationalist past as well as representations and remembrances of this history. They also critique recent efforts in Japanese right-wing circles to erase or obscure the more troubling aspects of Japan's colonial enterprise in East Asia. Other essays explore how Japan has viewed itself in regard to the West and the complex influence of Western thought on Japanese intellectual and political life. The volume's groundbreaking essays on issues of gender and the contested place of feminist thought in Japan discuss the similarities between the emotional bullying of women who do not accept traditional gender roles and teasing in schools, how the Japanese have adopted elements of Western orientalism to discredit feminism, and historical constructions of Japanese motherhood. *The Congregationalist*, 1923 **Discover Poland** William Jones, 2025-02-27

Religious Remembrancer, 1918 **Re-Forming the Liturgy** Paul Galbreath, 2019-04-18 Christian worship is always undergoing change as it adapts to particular contexts and concerns. This collection of essays explores ways 1) that liturgical change happened to address particular historical and theological concerns, 2) that worship and preaching are currently undergoing transition, and 3) that aspects of worship are in need of transformation in order to address primary issues of our time with a focus on environmental and ecological concerns. Special attention is paid to the role of the Sacraments and to preaching with an emphasis on the need to connect worship with daily life. These essays show readers ways that liturgical renewal worked in the past as well as offer a persuasive case for continual renewal that responds to key issues in our contemporary lives. *Christian Leadership Essentials* David S.
