Barbieri-Low, 2021-10-07 An award winning study of the ancient world now back in print Early China is best known for the dazzling material artifacts it has left behind These terracotta figures gilt bronze lamps and other material remnants of the Chinese past unearthed by archaeological excavations are often viewed without regard to the social context of their creation yet they were made by individuals who contributed greatly to the foundations of early Chinese culture With *Artisans in Early Imperial China* Anthony Barbieri Low combines historical epigraphic and archaeological analysis to refocus our gaze from the glittering objects and monuments of China onto the men and women who made them Taking readers inside the private workshops crowded marketplaces and great palaces temples and tombs of early China Barbieri Low explores the lives and working conditions of artisans meticulously documenting their role in early Chinese society and the economy First published in 2007 winner of top prizes from the Association for Asian Studies American Historical Association College Art Association and the International Convention of Asia Scholars and now back in print *Artisans in Early Imperial China* will appeal to anyone interested in Chinese history as well as to scholars of comparative social history labor history and Asian art history **The Early Chinese Empires** Mark Edward Lewis, 2010-10-30 In 221 bc the First Emperor of Qin unified the lands that would become the heart of a Chinese empire Though forged by conquest this vast domain depended for its political survival on a fundamental reshaping of Chinese culture With this informative book we are present at the creation of an ancient imperial order whose major features would endure for two millennia The Qin and Han constitute the classical period of Chinese history a role played by the Greeks and Romans in the West Mark Edward Lewis highlights the key challenges faced by the court officials and scholars who set about governing an empire of such scale and diversity of peoples He traces the drastic measures taken to transcend without eliminating these regional differences the invention of the emperor as the divine embodiment of the state the establishment of a common script for communication and a state sponsored canon for the propagation of Confucian ideals the flourishing of the great families whose domination of local society rested on wealth landholding and elaborate kinship structures the demilitarization of the interior and the impact of non Chinese warrior nomads in setting the boundaries of an emerging Chinese identity The first of a six volume series on the history of imperial

China The Early Chinese Empires illuminates many formative events in China's long history of imperialism events whose residual influence can still be discerned today *The Spring and Autumn Annals of Master Yan* Olivia Milburn, 2015-12-22 The Spring and Autumn Annals of Master Yan is the biography of the most important statesmen and political thinkers of the Eastern Zhou dynasty China Yan Ying d 500 BCE Living through an exceptionally troubled period he served three rulers and two dictators of the state of Qi in Shandong Province His experiences informed his revolutionary theories concerning the relationship between the individual and the state Long considered to be a forgery recent archaeological discoveries have proved the Spring and Autumn Annals of Master Yan to be a genuinely ancient text This book provides not only the first complete translation of the text into any Western language but a detailed analysis of the context in which it was produced

**Entombed Epigraphy and Commemorative Culture in Early Medieval China** Timothy M. Davis, 2015-11-09 In Entombed Epigraphy and Commemorative Culture Timothy M Davis presents a history of early muzhiming the most versatile and persistent commemorative form employed in the elite burials of pre modern China While previous scholars have largely overlooked the contemporary religious social and cultural functions of these epigraphic objects this study directly addresses these areas of concern answering such basic questions as Why were muzhiming buried in tombs What distinguishes commemorative biography from dynastic history biography And why did muzhiming develop into an essential commemorative genre esteemed by the upper classes Furthermore this study reveals how aspiring families used muzhiming to satisfy their obligations to deceased ancestors establish a multi generational sense of corporate identity and strengthen their claims to elite status **The History of China , Food, Sacrifice, and Sagehood in Early China** Roel Sterckx, 2011-03-28 In

ancient China the preparation of food and the offering up of food as a religious sacrifice were intimately connected with models of sagehood and ideas of self cultivation and morality Drawing on received and newly excavated written sources Roel Sterckx's book explores how this vibrant culture influenced the ways in which the early Chinese explained the workings of the human senses and the role of sensory experience in communicating with the spirit world The book which begins with a survey of dietary culture from the Zhou to the Han offers intriguing insights into the ritual preparation of food some butchers and cooks were highly regarded and would rise to positions of influence as a result of their culinary skills and the sacrificial ceremony itself As a major contribution to the study of early China and to the development of philosophical thought the book will be essential reading for students of the period and for anyone interested in ritual and religion in the ancient world

*The Politics of Mourning in Early China* Miranda Brown, 2012-02-01 The Politics of Mourning in Early China reevaluates the longstanding assumptions about early imperial political culture According to most explanations filial piety served as the linchpin of the social and political order as all political relations were a seamless extension of the relationship between father and son a relationship that was hierarchical paternalistic and personal Offering a new perspective on the mourning practices and funerary monuments of the Han dynasty Miranda Brown asks whether the early imperial elite did in fact imagine

political participation solely along the lines of the father son relationship or whether there were alternative visions of political association The early imperial elite held remarkably varied and contradictory beliefs about political life and they had multiple templates and changing scripts for political action This book documents and explains such diversity and variation and shows that the Han dynasty practice of mourning expressed many visions of political life visions that left lasting legacies

*Han Dynasty*, Héguanzî, the Dao of Unity Marnix Wells, 2019-12-27 Over two millennia ago in troubled times not unlike our own a mysterious figure distinguished by a pheasant feather in his cap emerged with poetic visions of a future world of peace and justice Like Laozi Pheasant Cap H guanz understood the underlying unity in things and the power of Dao to make things happen Facing the threat of conquest by the westerly state of Qin he looked to a messiah like figure the Ninth Augustan to inaugurate a new era according to the mandate of the god Grand Unity Here for the first time we get an insider's view of early Daoism as it influenced philosophy its ideas of an interlinked cosmos cyclical time and the perceived role of the northern Dipper Plough constellation A

rediscovered early Daoist cosmic philosophy and the messianic Nine Augustans Jiu Huang with their stars in the Northern Dipper are in this epic bilingual translation      **Routledge Handbook of Early Chinese History** Paul R. Goldin, 2018-05-15

The study of early China has been radically transformed over the past fifty years by archaeological discoveries including both textual and non textual artefacts Excavations of settlements and tombs have demonstrated that most people did not lead their lives in accordance with ritual canons while previously unknown documents have shown that most received histories were written retrospectively by victors and present a correspondingly anachronistic perspective This handbook provides an authoritative survey of the major periods of Chinese history from the Neolithic era to the fall of the Latter Han Empire and the end of antiquity AD 220 It is the first volume to include not only a comprehensive review of political history but also detailed treatments of topics that transcend particular historical periods such as Warfare and political thought Cities and agriculture Language and art Medicine and mathematics Providing a detailed analysis of the most up to date research by leading scholars in the field of early Chinese history this book will be useful to students and scholars of Chinese history Asian archaeology and Chinese studies in general      Writing and Literacy in Early China Feng Li, David Prager Branner, 2011-11-22

The emergence and spread of literacy in ancient human society an important topic for all who study the ancient world and the development of written Chinese is of particular interest as modern Chinese orthography preserves logographic principles shared by its most ancient forms making it unique among all present day writing systems In the past three decades the discovery of previously unknown texts dating to the third century BCE and earlier as well as older versions of known texts has revolutionized the study of early Chinese writing The long term continuity and stability of the Chinese written language allow for this detailed study of the role literacy played in early civilization The contributors to Writing and Literacy in Early China inquire into modes of manuscript production the purposes for which texts were produced and the ways in which they were actually used By carefully evaluating current evidence and offering groundbreaking new interpretations the book illuminates the nature of literacy for scribes and readers
