Gospel Silvanus Oluoch, 2011-08-19 Concerning Prosperity gospel a popular brand of teachings has elicited extra passion in the recent Christian history having shaped and changed paradigms and beliefs within a section of the Christian community Prosperity Gospel therefore is here to challenge our understanding of prosperity in the scriptural sense It is filled with examples of inconsistencies and misinformation rampant within the pop gospel circles It argues for a prosperity that cannot be attained out there through giving or what have you but should be a condition within every believer As explained in this book the current prosperity gospel Is simply materialistic consumerism Christened Tries to use God as a means to an end V

success Tries tying God on to formulas V faith and other biblical principles Elevates Miracles above the Jesus who releases them Misinterprets the Bible V form texting mixed with catchy phrases Mixes law and grace as a means of unlocking blessings Presents a false God and Christ Tramples down Christ s redemption by twisting its meaning Does not encourage growth in grace Promotes wrong concepts of faith Encourages giving out of necessity if you have a need plant a seed Plays by the rules of secular media and cannot effectively communicate the true gospel The author hopes the reader will clearly see such falsehood for what they are The Apocalypse Explained According to the Spiritual Sense Emanuel Swedenborg,1899

An Exposition of the Prophet Ezekiel William Greenhill,1837 Freedom'S Song K. Wayne Keillor,2014-11-25 Freedom's Song is both an expanded translation and a one of a kind interpretation of the life of Jesus It is a fresh portrait of him based on primary source documents namely the four gospels of the Christian scriptures In this story these documents are harmonized and arranged into a highly probable chronological narrative To add depth and flavor and bring about a greater understanding of Jesus discourses illustrations homilies and deeds cultural and political beliefs and practices of the first century are incorporated into the book The Prologue opens with a celestial sign that appeared to Magi priests about fifteen months before Jesus was born This is followed with a discussion of his pedigree and his person Part I covers the Inauguration of Freedom from Jesus unique birth to his first Passover in Jerusalem as a youth It then jumps

forward eighteen years to his baptism personal testing as Gods Liberator recruitment of his first six disciples and finally his first power deed Part II focuses on the Battle for Freedom It covers approximately two years of Jesus ministryhis tour of Galilee with the gospel identification of himself as the God man sermon about Gods kingdom dispatching apostles to spread the good news teaching by parables visiting Jerusalem and his warning to the religious leaders of his day Part III includes Freedoms Victory coincidentally the denouement of Jesus life He is back in Jerusalem for another Passover and a final gathering with the apostles And here he is arrested tried and crucified as a common criminal The story ends with Freedoms SongJesus is alive

Jesus: Heaven's King James E. Smith, Ph.D.,2016-06-08 An introduction to the Gospel of Matthew is followed by a verse by verse commentary on the text of the first Gospel *Commentary on Matthew* Saint Hilary (Bishop of Poitiers),2012 When the writing of Latin biblical commentaries was still in its infancy a young bishop from Poitiers in Gaul penned a passage by passage exposition on the Gospel of Matthew It is the first of its kind to have survived almost completely intact Published now for the first time in English translation Hilary s commentary offers a close look at Latin theology and exegesis before the Nicene Creed was considered the sole standard of orthodoxy Likely the earliest of Hilary s writings this commentary has none of the polemic against the Arians that figured so prominently in most of his later works Nonetheless there exists in this text an oft stated concern with those who interpreted the Incarnation as grounds for construing Christ as only a man rather than professing Christ as God and man Other noteworthy features of the commentary include Hilary s interest in the relation between Law and Gospel and his articulation of a Pauline based view of justification by faith In his view the importance of the Law before the Gospel was indisputable and necessary For Jews it was considered the way of redemption With the advent of Christ it became an eschatological guide directing all future believers into the grace that comes by faith Hilary s emphasis on God s righteousness conferred on a helpless race represents a far more pronounced application of Paul s thought than in any previous Latin writer
