Receiving Power From God:

God Gives Us Power Jeffrey B. Krall, Kristen Campbell, 2012-01-01 Do you have a sense of power in your life Not natural energy because you took your vitamins today but have you ever experienced a heavenly ability rush into your life before If you haven t would you like to If you are a Christian it probably won t be long before someone asks you if you have been filled with the Spirit of God Questions like Do you speak in tongues or Have you been baptized in the Holy Spirit will be asked of almost every Christian sometime in their life This subject has caused many Christians to divide into different theological camps One religious group denunciates the evils of speaking in tongues as a counterfeit of the original manifestation we see in the first century the other promotes the benefits and timelessness of God's supernatural gifts Researchers state that by the year 2050 there will be one billion Christians who have experienced this phenomenon God Gives Us Power will help Christians understand some of the common misconceptions and controversies surrounding the infilling and gift of the Holy Spirit Our heavenly Father has not left us ill equipped He has given us access to the same ability His Son utilized when He walked the earth It is our hope that regardless of what theological camp you are from you will truly remain open and hungry for the fullness of what God has for you May each of us be filled with the fullness of God's holy presence and power On the last day that great day of the feast Jesus stood and cried out saying If anyone thirsts let him come to Me and drink He who believes in Me as the Scripture has said out of his heart will flow rivers of living water But this He spoke concerning the Spirit whom those believing in Him would receive for the Holy Spirit was not yet given because Jesus was not yet glorified The Secret Place of God's Power Bill Vincent, 2023-03-16 Many have a desire to be a powerful man or John 7 37 39 woman of God The Secret Place of God's Power by Bill Vincent will truly stir your faith By using Biblical principles Bill outlines much revelation for today s saints of God to walk in power The power of God is the result of finding God it what is known as the Secret Place This book has been compiled from all the lessons I have learned and grown to know the Lord He has been my closest friend and all this is found in the secret place Before finding this revelation I flowed in little to no power of God It is time for the Church to grow in power Everyone wants someone to lay hands on them and impart the power of God There may be a truth to real impartation but it still will not come without a price This book has been a long time coming but is necessary You will learn to overcome religion get closer to God find the power of God and experience Heaven God spoke to me that this book has been brought to get His people to find the Secret Place and discover His Power Bill spends a lot of time seeking the face of God concerning current cutting edge things The ministry is more than just being a minister The First Chapter takes you into the Secret Place You will find by spending time with God will usher in provision promotion increase of Godly knowledge and so much more Bill has a way to say things many different ways until you get it There are many things that you will learn about Heaven on Earth and how to become a source that God can use in a mighty way The Secret Place of God's Power is more than a book it is learning to be led by the Holy Spirit being a deliverer to all who need set free and

increasing in the anointing and power of God You are going to be truly encouraged with this power packed book It is time for THE GLORY, PRESENCE, AND POWER OF GOD GODSWORD us all to find God in a deeper and intimate way The Power of God'S Grace Evangelist Francis Boafo, 2017-02-09 This world is increasingly becoming GODSWILL ONU, chaotic with sin self motivations and evils The grace of God therefore represents his love story to humanity to help you avoid the evils of this age Out of Gods love he gave Jesus Christ who came into the world full of grace He overcame the world and his grace wants to help you who saved by the unmerited grace of God to live a triumphant Christian life after your salvation If you claim to be under grace or in grace the fruit of grace must be evident in your life Your claim implies you have received the word the wisdom and the power of God to help you live a victorious Christian life in the present age The effectiveness in your Christian life in your ministry and in the function of your gifts depends on the grace of God The grace of God helps you overcome ungodliness and worldly lusts Note that Jesus gives you grace for your function of your gifts and for your ministry God expects you to find grace to help you orient your personal life to his pleasure in your attitudes behaviors and mindset after your gift and ministry Understand that the grace of God is not a covering which permits you to continue in your old lifestylea lifestyle that deviates from Gods expectations for your Christian life Rather the grace of God is here to help you live like a champion in this world overcoming ungodliness worldly lusts and to help you live soberly righteously and godly in this world Among others this is why the grace of God is the final solution to help humanity overcome the inconsistencies of the Adam generation The Relational Power of God Eleanor O'Donnell, 2023-01-23 When we find the courage to allow our rebel voice to speak many of us question traditional Christian beliefs about God's power and how it is exercised in the world and in the church We ask What if God is not in omnipotent control of everything What if God's exercise of power is relational and noncoercive instead What if it is the quality rather than the quantity of God's power that really matters This book focuses on the theology of power that emerges when we ask such questions It draws on the social Trinitarian theology of J rgen Moltmann and the process thought of Charles Hartshorne to image God as a Social Trinity in process This vision of God understands the Holy Trinity to be fully relational and thoroughly with us and all creation To think of God and God's power this way ensures freedom for creature and creation and enables a viable response to the problem of evil and suffering It also leads to the conclusion that human relationships in the world and in the church are best modeled on the power sharing solidarity of the Triune God A Testimony to the Truth of God, as Held by the People Called Quakers William Penn, 1874

The Power Within Dominic Correlli,2019-12-03 If life s challenges are dragging you down and you ve lost the will to fight then you need to hear this The path you ve been walking on does not need to determine where you ll end up Just as airplanes adjust to get back on course you can find another path to get to your desired destination It s not as hard as it may seem once you realize God has given you an internal power source to live an abundant life Sometimes all you need is a breakthrough In this book learn how to rethink what you ve been taught and believe about yourself make an accurate

assessment of your strengths and weaknesses decide whether it s time to make big life changes The author also examines how an individual s belief system can change their destiny and explains that God wants the best for each one of us Moreover he seeks to prove that to achieve our full potential we must embrace a deeper relationship with the Lord Your Mind Is My Experience Nwokorie Matthew, 2014-03-10 Your body is not your limitation as is generally believed by many Limitations in life are all a product of the mind Where you are today and where you will be tomorrow are a result of the functioning of your mind Many have been trained or indoctrinated to believe that they are limited in life because of their physical condition. The truth is they are limited by their poor vision. Their vision of the things they can accomplish can be so limited that they see goals as impossible Because they see things in these terms it makes them draw inspiration from only those things thereby limiting their physical aspect of life. The human mind was created not to function with any form of limitation but because of religious traditional and societal beliefs not based on fact men and women are held back from making the most of their lives. Do you want to live an unlimited life If so you need to have a vision that comes from God and not from men. The author was motivated to write this book because so many are being limited in their life endeavors while only a very few are in control of the wealth of this world. He states My dream is to reveal the truth to the world about the ability of what a mind can do
