Making

Levantine Cuisine Anny Gaul,Graham Auman Pitts,Vicki Valosik,2021-12-08 Melding the rural and the urban with the local regional and global Levantine cuisine is a m lange of ingredients recipes and modes of consumption rooted in the Eastern Mediterranean Making Levantine Cuisine provides much needed scholarly attention to the region s culinary cultures while teasing apart the tangled histories and knotted migrations of food Akin to the region itself the culinary repertoires that constitute Levantine cuisine endure and transform are unified but not uniform This book delves into the production and circulation of sugar olive oil and pistachios examines the social origins of kibbe Adana kebab shakshuka falafel and shawarma and offers a sprinkling of family recipes along the way The histories of these ingredients and dishes now so emblematic of the Levant reveal the processes that codified them as national foods the faulty binaries of Arab or Jewish and traditional or modern and the global nature of foodways Making Levantine Cuisine draws from personal archives and public memory to illustrate the diverse past and persistent cultural unity of a politically divided region

Jewish Cultural Studies Simon J. Bronner,2021-05-04 Defines the distinctive field of Jewish cultural studies and its basis in folkloristic psychological and ethnological approaches Jewish Cultural Studiescharts the contours and boundaries of Jewish cultural studies and the issues of Jewish culture that make it so intriguing and necessary not only for Jews but also for students of identity ethnicity and diversity generally In addition to framing the distinguishing features of Jewish culture and the ways it has been studied and often misrepresented and maligned Simon J Bronner presents several case studies using ethnography folkloristic interpretation and rhetorical analysis Bronner building on many years of global cultural exploration locates patterns processes frames and themes of events and actions identified as Jewish to discern what makes them appear Jewish and why Jewish Cultural Studiesis divided into three parts Part 1 deals with the conceptualization of how Jews in complex heterogenous societies identify themselves as a cultural group to non Jews and vice versa such as how the Jewish home is socially and materially constructed Part 2 delves into ritualization as a strategic Jewish practice for perpetuating peoplehood and the values that it suggests for example the rising popularity of naming ceremonies for newborn girls simhat bat or zeved habat in the twenty first century Part 3 explores narration including the global transformation of Jewish joking in online

settings and the role of Jews in American political culture Bronner reflects that a reason to separate Jewish cultural studies from the fields of Jewish studies and cultural studies is the distinctiveness of Jewish culture among other ethnic experiences As a diasporic group with religious ties and varying local customs Jews present difficulties of categorization He encourages a multiperspectival approach that considers the Jewish double consciousness as being aware of both insider and outsider perspectives participation in ancient tradition and recent modernization and the great variety and stigmatization of Jewish experience and cultural expression Students and scholars in Jewish studies cultural studies ethnic religious studies folklore sociology psychology and ethnology are the intended audience for this book Day of Honey Annia Ciezadlo,2012-02-14
