Roughnecking It:

Roughnecking it Chilton Williamson,1982 *Roughnecks, Drillers, and Tool Pushers* Gerald Lynch,2010-07-22 A working class history of the Texas oil fields as told by one of its workers Oil the black gold of Texas has given rise to many a myth Oil could turn a man overnight into a millionaire and did for some But these myths have obscured what life was really like in the oil patch a place that was neither the El Dorado of legend nor quite the unredeemed den of sin and iniquity that some feared In *Roughnecks Drillers and Tool Pushers* Gerald Lynch provides a much needed insider's view of the oil industry describing life in various oil fields in and around Texas He also chronicles changes in drilling methods and oil field technology and how these changes affected him and his fellow oil field workers No one else has written a working class history of the oil fields as colorful and articulate as this one

Fighting the Noonday Devil - and Other Essays Personal and Theological R. R. Reno,2011-02 In this stirring volume R R Reno a thoughtful literate writer with a zest for physical and theological adventure looks back on his time working in the oil fields of Wyoming his quests to the heights of Yosemite and the ice cliffs of the French Alps his daughter's bat mitzvah and more rendering seven diverse fragments of life in energetic prose *Fighting the Noonday Devil* resounds with Reno's depth of feeling and regard for the tangible things of life Through these narratives vignettes and reflections he shows that it is the real life manifestations of love and loyalty far beyond intellectual abstractions or theories that train us for true piety Whether defending Jack Kerouac describing work on a drilling rig or narrating his reception into the Roman Catholic Church Rusty Reno brings a writer's eye and a theologian's heart to the essayist's labors Many rewards await the reader of this book Alan Jacobs author of *Wayfaring and The Narnian* R R Reno's essays are intellectually stimulating and some even possess cinematic possibilities I find their Augustinian ethos deeply appealing in their consistent combination of wisdom and eloquence David K Naugle author of *Reordered Love Reordered Lives Learning the Deep Meaning of Happiness* In this smart and sparkling collection R R Reno applies his consummate literary skills to subjects as diverse as acedia mountain climbing religious conversion Jack Kerouac and interfaith marriage uniting them under a single glorious banner that of reclaiming the essential function of culture the cultivation of the soul A bravura performance Philip Zaleski coauthor of *Prayer A History* *Fighting the Noonday Devil* is the work of a pious intellect in all the best senses of the term Reno reads his life in parables in a way that provokes us to see our own lives anew In him we find a voice and style in the best tradition of Newman incisive affecting wise inviting I was captivated by this book James K A Smith author of *The Devil Reads Derrida and Other Essays on the University the Church Politics and the Arts* [The Timberlakes](#) Grey Stone,2016-08-17 Sometimes an author may write And the story continues This particular statement is appropriate while describing this novel *The Timberlakes* The beautiful love story between Clint and Irene continued to burn like an eternal flame From the deep jungles of Sumatra to the Spanish Trace Ranch in Texas time and distance would not destroy the love they had for each other Even though we were in a world war the boys out of Chicago would not forget about

the money Harvey Timberlake had won in the big poker game one cold Chicago night They wanted their money backplus Irene or any other woman that might be available Our nation and the nations around the world experienced horrors that were unbelievable to mankind This story will cover a small portion of the World War II saga in the South Pacific However enough is told to help us remember the war and with Gods grace guidance and help well never let it happen again
