

Defeated in the English Civil War which had raged since 1642, King Charles I was under house arrest at Carisbrooke for 10 months in 1647-48.

As first he had freedom of the island but early in 1648 John Burton of Nassau tried to free him, failed, and was hanged. Afterwards Charles was confined to the castle. Still, he could walk and play tennis on a green made for him.

As for his page - Henry Freston, the boy tried to escape twice more in the first attempt, he climbed through a window in the back garden, but he got stuck in the bars (the king's back garden is now inside the museum).

The second attempt was made in this area, where gardens and backrooms had been built by George Carter 40 years before. Charles tried to climb out of the window above you but he was betrayed by his gun 15. They had shot round to better escape, but they really turned him in.

Royal Prisoner Charles I At Carisbrooke

Jack D. Jones

Royal Prisoner Charles I At Carisbrooke:

The Royal Prisoner. Charles I at Carisbrooke. [With Portraits, Facsimiles and Maps]. Jack Davies JONES, 1965

The Royal Prisoner Jack D. Jones, 1965 England's Islands in a Sea of Troubles David Cressy, 2020-10-30

England's Islands in a Sea of Troubles examines the jurisdictional disputes and cultural complexities in England's relationship with its island fringe from Tudor times to the eighteenth century and traces island privileges and anomalies to the present. It tells a dramatic story of sieges and battles, pirates and shipwrecks, prisoners and prophets as kings and commoners negotiated the political, military, religious and administrative demands of the early modern state. The Channel Islands, the Isle of Wight, the Isles of Scilly, the Isle of Man, Lundy, Holy Island and others emerge as important offshore outposts that long remained strange, separate and perversely independent. England's islands were difficult to govern and were prone to neglect, yet their strategic value far outweighed their size. Though vulnerable to foreign threats, their harbours and castles served as forward bases of English power. In civil war, they were divided and contested, fought over and occupied. Jersey and the Isles of Scilly served as refuges for royalists on the run. Charles I was held on the Isle of Wight. External authority was sometimes light of touch as English governments used the islands as fortresses, commercial assets and political prisons. London was often puzzled by the linguistic differences, tangled histories and special claims of island communities. Though increasingly integrated within the realm, the islands maintained challenging peculiarities and distinctive characteristics. Drawing on a wide range of sources and the insights of maritime, military and legal scholarship, this is an original contribution to social, cultural and constitutional history.

The Cult of King Charles the Martyr Andrew Lacey, 2003. The first study to deal exclusively with the cult of King Charles the Martyr, Charles I as suffering innocent king walking in the footsteps of his Saviour to his own Calvary at Whitehall and the political theology underpinning it, taking the story up to 1859.

A 17th Century Knight Ben Norman, 2024-12-30. Sir Simonds D'Ewes, a seventeenth-century gentleman bred in Dorset but ultimately shaped by a deep and lasting love for Suffolk, was not destined for greatness. Nor did he have greatness thrust upon him in his short lifetime. Yet this was hardly the point. Son to a respectable family, D'Ewes rose through local, legal and political ranks to become a first-hand witness to a succession of monumental events in England. As MP for Sudbury from 1640, he was one of those who saw with agonising immediacy from the benches of Westminster the rapid decline of the political situation in the mid-1600s. Simonds held his breath along with the rest when Charles I forcibly entered the Commons in 1642 and he was there to survey the stunning rise of Oliver Cromwell through the 1640s. When civil war arrived, D'Ewes observed the battle lines being drawn before his very eyes. A 17th Century Knight has two aims. Firstly, it seeks to chart the life of Simonds D'Ewes himself, the husband, father, friend, antiquary, devout Protestant, even widower. His was an affecting story of personal loss, professional and recreational gain and complex familial relationships that is deserving of study. Secondly, it endeavours to weave a fresh narrative of the tempestuous first half of the 1600s, including the English Civil War, using D

Ewe's experiences and wealth of written material as a focal point. As this book shows, there is still much to be uncovered about a period in history that we think we all know. AA Walks Through Britain's History Automobile Association (Great Britain), 2001. Experience the abundant history of Britain firsthand with this scenic, thorough, and altogether superlative guide.

The Civil War in Hampshire (1642-45) George Nelson Godwin, 1904. *Letters Archaeological and Historical Relating to the Isle of Wight* Edward Boucher James, 1896. *Letters archaeological and historical relating to the Isle of Wight, collected and arranged by R. Boucher James* Edward Boucher James, 1896.

Paris Bride John Schad, 2020-02-19. In July 1905 in Paris, a young woman, a bride, becomes Marie Schad. In April 1984 in London, Marie Schad is declared to be no more; indeed, to never have been, and returns to France. Paris Bride pursues this woman in a wild attempt to glimpse her face in the modernist crowd. With increasing desperation, the pages of Stéphane Mallarmé, Oscar Wilde, Franz Kafka, Virginia Woolf, Katherine Mansfield, Louis Aragon, André and Walter Benjamin are all ransacked for traces of Marie. What is pieced precariously together is an experimental life, a properly modernist life, a life that by its very obscurity lives the obscure life of modernism itself.

Decoding **Royal Prisoner Charles I At Carisbrooke**: Revealing the Captivating Potential of Verbal Expression

In a time characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force.
