

A romantic couple is seen from behind, walking along a sandy beach. The man, on the left, wears a light blue short-sleeved shirt and white shorts. The woman, on the right, wears a long, flowing white dress. They are holding hands and walking towards the ocean. The water is a vibrant turquoise color with white foam from the waves. In the distance, a range of blue mountains is visible under a bright blue sky with scattered white clouds. The entire scene is framed by a thin, dark, hand-drawn geometric border. There are some yellow and orange speckles in the top-left and bottom-left corners, resembling embers or stars.

who refuse to see things our way or we retreat to our echo chambers where everyone agrees with us But the real resistance the kind that helps us grow is learning to love others especially those who disagree with us If you re tired of seeing your real life and online communities in turmoil and you long to be an agent of peace understanding and reconciliation it s time to join a new kind of resistance movement one that pushes us toward personal transformation Grounded in Scripture and illustrated with compelling true stories this new book from Ashley Abercrombie will help you gain the confidence to communicate and connect with others stop avoiding necessary tension and resolve your internal and external conflicts When we make love our habitual reaction to the conflicts and divisions in our lives we ll find that we can stay true to our convictions without sacrificing our relationships
