

A romantic sunset scene over a beach. The sky is filled with soft, orange and pink clouds. The ocean is calm, reflecting the warm light. On the left, a large, dark rock formation stands prominently. The overall mood is peaceful and intimate.

You ask me today if I love you, if I take you as
my own to have and to hold, and my heart
replies yes. Always, evermore, even after. Still.
Not just today before a crowd, but when we are
alone, you and I, through years, through pain,
My heart will answer again and again, still.

students of succession law per se but also those working in fields such as tax trusts tort and land law They raise issues as diverse as class colonialism familial dynamics expectations and obligations mental health and the proper roles of the legal profession and the welfare state The collection will provoke much discussion on what makes a landmark case as well as on the peculiarities and limitations of the case law method **Catalogue** Montgomery Ward,1926 **If You Find This Letter** Hannah Brencher,2016-04-19 A memoir of love and faith from Hannah Brencher who has dedicated her life to showing total strangers that they are not alone in the world Fresh out of college Hannah Brencher moved to New York expecting her life to look like a scene from Sex and the City Instead she found a city full of people who knew where they were going and what they were doing Lonely and depressed she noticed a woman who looked like she felt the same way on the subway Hannah did something strange she wrote the woman a letter She folded it scribbled If you find this letter it s for you on the front and left it behind When she realized that it made her feel better she started writing and leaving love notes all over the city eventually sending 400 handwritten letters as a result of an Internet post and starting the website The World Needs More Love Letters

Ancient Love Letters Anna Tiziana Drago,Owen Hodkinson,2023-01-30 This volume investigates the form of love letters and erotic letters in Greek and Latin up to the 7th Century CE encompassing both literary and documentary letters the latter inscribed and on papyrus and prose and poetry The potential for and utility of treating this large and diverse corpus as a genre is examined To this end approaches from ancient literary criticism and modern theory of genre are made mutual influences between the documentary and the literary form are sought and origins in proto epistolary poetic texts are examined In order to examine the boundaries of a form limit cases which might have less claim to the label love letter are compared with more clear cut examples A series of case studies focuses on individual letters and letter collections Some case studies situate their subjects within the history and literary evolution of the love letter using both intertextuality and comparative approaches others placing them in their cultural and historical contexts particularly uncovering the contribution of epistolarity to erotic discourse and to the history of sexuality and gender in diverse eras and locations within Classical to Late Antiquity **Skeptical Music** David Bromwich,2001-04-05 Skeptical Music collects the essays on poetry that have made David Bromwich one of the most widely admired critics now writing Both readers familiar with modern poetry and newcomers to poets like Marianne Moore and Hart Crane will relish this collection for its elegance and power of discernment Each essay stakes a definitive claim for the modernist style and its intent to capture an audience beyond the present moment The two general essays that frame Skeptical Music make Bromwich s aesthetic commitments clear In An Art without Importance published here for the first time Bromwich underscores the trust between author and reader that gives language its subtlety and depth and makes the written word adequate to the reality that poetry captures For Bromwich understanding the work of a poet is like getting to know a person it is a kind of reading that involves a mutual attraction of temperaments The controversial final essay How Moral Is Taste explores the points at which aesthetic and moral considerations uneasily

converge In this timely essay Bromwich argues that the wish for excitement that poetry draws upon is at once primitive and irreducible Skeptical Music most notably offers incomparable readings of individual poets An essay on the complex relationship between Hart Crane and T S Eliot shows how the delicate shifts of tone and shading in their work register both affinity and resistance A revealing look at W H Auden traces the process by which the voice of a generation changed from prophet to domestic ironist Whether discussing heroism in the poetry of Wallace Stevens considering self reflection in the poems of Elizabeth Bishop or exploring the battle between the self and its images in the work of John Ashbery Skeptical Music will make readers think again about what poetry is and even more important why it still matters **QST.** ,1923
