The Self-Help Compulsion Beth Blum, 2020-01-28 Samuel Beckett as a guru for business executives James Joyce as a guide to living a good life The notion of notoriously experimental authors sharing a shelf with self help books might seem far fetched yet a hidden history of rivalry influence and imitation links these two worlds In *The Self Help Compulsion* Beth Blum reveals the profound entanglement of modern literature and commercial advice from the late nineteenth century to the present day Blum explores popular reading practices in which people turn to literature in search of practical advice alongside modern writers rebukes of such instrumental purposes As literary authors positioned themselves in opposition to people like Samuel Smiles and Dale Carnegie readers turned to self help for the promises of mobility agency and practical use that serious literature was reluctant to supply Blum unearths a series of unlikely cases of the love hate relationship between serious fiction and commercial advice from Gustave Flaubert s mockery of early DIY culture to Dear Abby s cutting diagnoses of Nathanael West and from Virginia Woolf s ambivalent polemics against self improvement to the ways that contemporary global authors such as Mohsin Hamid and Tash Aw explicitly draw on the self help genre She also traces the self help industry s tendency to popularize quote and adapt literary wisdom and considers what it might have to teach today s university Offering a new history of self help s origins appeal and cultural and literary import around the world this book reveals that self help s most valuable secrets are not about getting rich or winning friends but about how and why people read

The Rise of Corporate Publishing and Its Effects on Authorship in Early Twentieth Century America Kim Becnel, 2012-12-06 This study examines the way that the modernization and incorporation of the American publishing industry in the early twentieth century both helped to foment the emerging late industrial cultural hierarchy and capitalized on that same hierarchy to increase readership and profits More importantly however it attempts to trace the ways in which recently introduced marketing techniques reconceived ideas of audience and new paradigms in author publisher relations affected American writers of the 1930s and the literature they produced Using case studies of authors chosen from various points on the spectrum of so called high middle and lowbrow literature the author demonstrates that contrary to popular critical opinion this new publishing landscape dominated by big business practices and strict categorizations of audiences writers and works did not ruin or corrupt literature but in fact enriched our literary heritage by providing authors with inspiration and opportunity that they may not otherwise have had

Kidd, Joseph T. Thomas Jr., 2016-11-10 Children's book awards have mushroomed since the early twentieth century and especially since the 1960s when literary prizing became a favored strategy for both commercial promotion and canon making There are over 300 awards for English language titles alone but despite the profound impact of children's book awards scholars have paid relatively little attention to them This book is the first scholarly volume devoted to the analysis of Anglophone children's book awards in historical and cultural context With attention to both political and aesthetic concerns the book offers original and diverse scholarship on prizing practices and their consequences in Australia Canada and especially the United States Contributors offer both case studies of particular awards and analysis of broader trends in literary evaluation and elevation drawing on theoretical work on canonization and cultural capital Sections interrogate the complex and often unconscious ideological work of prizing the ongoing tension between formalist awards and so called identity based awards all the more urgent in light of the We Need

Diverse Books campaign the ever morphing forms and parameters of prizing and scholarly practices of prizing Among the many awards discussed are the Pura Belpr Medal the Inky Awards the Canada Governor General Literary Award the Printz Award the Best Animated Feature Oscar the Phoenix Award and the John Newbery Medal giving due attention to prizes for fiction as well as for non fiction poetry and film This volume will interest scholars in literary and cultural studies social history book history sociology education library and information science and anyone concerned with children s literature

Laboring Bodies and the Quantified Self Ulfried Reichardt, Regina Schober, 2020-10-06 The body has become central to practices of self tracking By focusing on the relations between quantification the body and labor this volume sheds light on the ways in which discourses on data collection and versions of the corporate self are instrumental in redefining concepts of labor including notions of immaterial and free labor in an increasingly virtual work environment The contributions explore the functions of quantification in conceptualizing the body as a laboring body and examine how quantification contributes to disciplining the body By doing so they also inquire how practices of self tracking self monitoring and self optimization have evolved historically

The Juggler of Notre Dame and the Medievalizing of Modernity. Jan M. Ziolkowski, 2018-08-29 This ambitious and vivid study in six volumes explores the journey of a single electrifying story from its first incarnation in a medieval French poem through its prolific rebirth in the nineteenth and twentieth centuries The Juggler of Notre Dame tells how an entertainer abandons the world to join a monastery but is suspected of blasphemy after dancing his devotion before a statue of the Madonna in the crypt he is saved when the statue delighted by his skill miraculously comes to life Jan Ziolkowski tracks the poem from its medieval roots to its rediscovery in late nineteenth

century Paris before its translation into English in Britain and the United States The visual influence of the tale on Gothic revivalism and vice versa in America is carefully documented with lavish and inventive illustrations and Ziolkowski concludes with an examination of the explosion of interest in The Juggler of Notre Dame in the twentieth century and its place in mass culture today Volume 3 The American Middle Ages hinges upon two figures influenced by the juggler Henry Adams scion of Presidents and distinguished cultural historian whose works contributed to the rise of medievalism in America during the Gilded Age and Ralph Adams Cram the architect whose vision of Gothic accounts directly or indirectly for the campuses of West Point Princeton Yale Chicago Notre Dame and many other universities across America The Juggler of Notre Dame and the Medievalizing of Modernity is a rich case study for the reception of the Middle Ages in modernity Spanning centuries and continents the medieval period is understood through the lens of its post modern reception in Europe and America Profound connections between the verbal and the visual are illustrated by a rich trove of images including book illustrations stained glass postage stamps architecture and Christmas cards Presented with great clarity and simplicity Ziolkowski s work is accessible to the general reader while its many new discoveries will be valuable to academics in such fields and disciplines as medieval studies medievalism philology literary history art history folklore performance studies and reception studies

Encyclopedia of the Chicago Literary Renaissance Jan Pinkerton, Randolph H. Hudson, 2009 The Chicago Renaissance began in the early 1900s and lasted until approximately 1930 The leading writers of the period including Theodore Dreiser Sister Carrie Pierre Berton Brian McKillop, 2011-06-22 The first ever biography of one of Canada s best known and most colourful personalities by an award winning author From his northern childhood on it was clear that Pierre Berton 1920 2004 was different from his peers Over the course of his eighty four years he would become the most famous Canadian media figure of his time in newspapers magazines radio television and books sometimes all at once Berton dominated bookstore shelves for almost half a century winning Governor General s Awards for Klondike and The Last Spike among many others along with a dozen honorary degrees Throughout it all Berton was larger than life full of verve and ideas he approached everything he did with passion humour and an insatiable curiosity He loved controversy and being the centre of attention and provoked national debate on subjects as wide ranging as religion and marijuana use A major voice of Canadian nationalism at the dawn of globalization he made Canadians take interest in their own history and become proud of it But he had his critics too and some considered him egocentric and mean spirited Now with the same meticulous research and storytelling skill that earned him wide critical acclaim for The Spinster and the Prophet Brian McKillop traces Pierre Berton s remarkable life with special emphasis on his early days and his rise to prominence The result is a comprehensive vivid portrait of the life and work of one of our most celebrated national figures **First the Black Horse , A Hero for the Atomic Age** Axel Andersson, 2010 Nomination for Best Foreign Film at the 2013 Academy Awards In English and many other languages the name Kon Tiki has become a byword for adventure and the exotic The journey of the Kon Tiki from Peru

to Polynesia in 1947 became one of the founding myths of the postwar world. In the voyage of six Scandinavians and a parrot on a balsa raft across the Pacific Ocean, the classic journey of discovery was reinvented for generations to come. Kon Tiki spoke of heroism, masculinity, free-spirited rebellion against scientific dogmatism, and the promise of an attainable exotic world while it updated these mythological staples to fit the times. After years of relentless media exploitation of the 101-day raft journey, Heyerdahl emerged as the protagonist in a legend that helped to create a new postwar West. A Hero for the Atomic Age tells the story of how Heyerdahl organized an expedition to sail a balsa raft from Callao in Peru to the Tuamotu Islands in French Polynesia and explains how he turned this physical crossing into an epic narrative that became imbued with a universal appeal. The book also addresses for the first time the problematic nature of Heyerdahl's theory that a white culture-bearing race had initiated all the world's great civilizations.

The Top Books of the Year Making The List A Cultural History Of The American Bestseller 19001999 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the captivating narratives that have enthralled audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Making The List A Cultural History Of The American Bestseller 19001999 : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papan, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is an exceptional and thrilling novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
