The Making of Modern Corporate Finance Donald H. Chew, 2025-02-18

Why did the stagflation of the 1970s the improbable combination of high unemployment and runaway inflation prove so painful and protracted What explains the U S stock market s remarkable forty year run of 12 percent average annual returns since then Why is Japan still mired in a decades long recession and the Chinese economy in a tailspin And what accounts for the resilience of U S stock and labor markets in the wake of the COVID 19 pandemic and in the face of the Fed s record interest rate hikes Donald H Chew Jr argues that answers to these questions lie in the principles and methods of modern corporate finance Ideas formulated and tested by finance scholars notably an efficient stock market in which prices reflect the long run values of public companies and a market for corporate control that exerts continuous pressure on management informed and spurred the investor driven capitalism that has created the world s most productive and valuable companies Drawing on his career long relationships with leading academics and practitioners Chew profiles key figures in the development of modern corporate finance while emphasizing their counterintuitive lessons for shareholders companies and countries Corporate efficiency and value creation he contends are the fundamental source of the social wealth essential to addressing challenges such as poverty and climate change Lively and provocative this book makes corporate finance approachable and even admirable for readers interested in how the success and failure of companies affect their lives

Mergers, Acquisitions, and Other Restructuring Activities Donald DePamphilis, 2009-09-22

In the fifth edition of this well known text Dr DePamphilis explains the real world of mergers acquisitions and restructuring based on his academic knowledge and personal experiences with over 30 such

deals himself Important enhancements unique to the fifth edition all 99 cases involve real life deals made or announced within the last five years extensive discussions of all current valuation techniques and their strengths and weaknesses cross border transactions analyzed and explained in detail tax and legal issues covered comprehensively Focuses on the REAL WORLD not just theory The 99 case studies span every industry and dozens of countries and show how deals are done rather than just the theory behind them All cases fully updated for this edition Cases all involve transactions that have occurred or been announced within the past 3 5 years Extensive updating and enhanced content provided on reorganization bankruptcy and liquidation issues both inside and outside of bankruptcy court
