The Upanishads Demystified Ved Prakash Bhatia,2017-12-27 The Upanishads are a great mine of strength for leading a tension free and peaceful life Today most of us feel a lot of turmoil and tensions due to an overemphasis by leading a materialistic style of living Meditation Upasana and looking into our pure consciousness and the Divine sitting inside us has been forgotten altogether Hence the need for going back to Upanishads has become quite relevant to be imbibed There is also a growing urge in us to realize your true self keenly feeling the need to make our knowledge flow into wisdom and a yearning to know about the infinite and the eternal inspires us The Upanishads form the core of Indian philosophy a fantastic collection of writings aptly described by Shri Aurobindo as the supreme work of the Indian mind The Upanishads are summits of thought on humanity and the universe The Upanishads asks a man to cultivate righteousness dharma and to enjoy wealth artha and seek pleasures kama but with a sense of detachment Meditation on OM and enquiry into our inner divine Self are some of the essentials of the Upanisads Eleven Major Upanisads have been covered by Mr Ved Bhatia in a lucid easy comprehensible style

The Spatiotemporal Eschatology of Hebrews Luke Woo,2024-07-11 There are two coexisting realities classified under New Testament eschatology the temporal and spatial While much scholarly attention has focused on the temporal Luke Woo argues that the spatial aspect is either neglected or relegated to Platonic or cosmological categories Woo thus seeks to provide a holistic understanding by investigating these realities for believers under the heavenly tabernacle motif in the Epistle to the Hebrews Woo posits that the author of Hebrews presents the heavenly tabernacle and all its high priestly activity in order to eschatologically situate orient and ground believers thus enabling believers to actualize their heavenly priestly identity by serving as priests on earth Woo uses Edward Soja s Tripartite Critical Spatiality to analyze the heavenly tabernacle s Firstspace Secondspace and Thirdspace features found in Hebrews 4 14 8 1 5 9 1 14 He suggests that Christ in

his resurrection and ascension enters an actualized heavenly tabernacle which allows believers to spiritually occupy that sanctuary space in the presence of God establishing a spatial orientation for believers who can identify as heavenly priests and be motivated to serve as such as they live on earth *Herald of Gospel Liberty* Elias Smith,1914 **Soviet Life** ,1969

The Iron Age ,1896 **Life on the Edge** Brother John of Taize,2017-10-26 Is the Christian faith something that can peacefully exist alongside all the other aspects of an ordinary human life or does it by its very nature turn that life into something else The author of this book a member of a monastic community for over forty years obviously has a vested interest in the answer But even for believers caught up in the day to day life of society work and family the question is an important one at least if they are seeking a measure of consistency in the life they are living And does not the very fact that the question of the importance and urgency of faith needs to be asked witness to the eclipse of an eschatological outlook among Christians at any rate in the mainstream Churches Could this oversight not explain why an eschatological understanding of faith one which sees it as a radical world changing reality has been forced to take refuge often deformed to the point of being unrecognizable in small fanatical groups on the margins of the Christian world
