magic the sacred and the secular **The Archaeology of Late Antique 'Paganism'** ,2011-06-22 There is no agreement over how to name the pagan cults of late antiquity Clearly they were more diverse than this Christian label suggests but also exhibited tendencies towards monotheism and internal changes which makes it difficult to describe them as traditional cults This volume which includes two extensive bibliographic essays considers the decline of urban temples alongside the varying evolution of other foci of cult practice and identity The papers reveal great regional diversity in the development of late antique paganism and suggest that the time has come to abandon a single compelling narrative of the end of the temples based on legal sources and literary accounts Although temple destructions are attested in some regions the end of paganism was both gradual and untraumatic with more co existence with Christianity than one might have expected Contributors are Javier Arce B atrice Caseau Georgios Deligiannakis Koen Demarsin Jitse H F Dijkstra Demetrios Eliopoulos James Gerrard Penelope J Goodman David Gwynn Luke Lavan Michael Mulryan Helen G Saradi Eberhard W Sauer Gareth Sears Peter Talloen Peter Van Nuffelen and Lies Vercauteren **Monotheism Between Pagans and Christians in Late Antiquity**

Stephen Mitchell,Peter Van Nuffelen,2010 This volume studies how similarities between paganism and Christianity were obscured in the polemic that was waged by Christianity against paganism and in the pagan responses to it *Roman History: Late Antiquity: Oxford Bibliographies Online Research Guide* Eric Rebillard,2010-05 This ebook is a selective guide designed to help scholars and students of the ancient world find reliable sources of information by directing them to the best available scholarly materials in whatever form or format they appear from books chapters and journal articles to online archives electronic data sets and blogs Written by a leading international authority on the subject the ebook provides bibliographic information supported by direct recommendations about which sources to consult and editorial commentary to make it clear how the cited sources are interrelated A reader will discover for instance the most reliable introductions and overviews to the topic and the most important publications on various areas of scholarly interest within this topic In classics as in other disciplines researchers at all levels are drowning in potentially useful scholarly information and this guide has been created as a tool for cutting through that material to find the exact source you need This ebook is just one of many articles from Oxford Bibliographies Online Classics a continuously updated and growing online resource designed to provide authoritative guidance through the scholarship and other materials relevant to the study of classics Oxford Bibliographies Online covers most subject disciplines within the social science and humanities for more information visit [www aboutobo com](http://www.aboutobo.com)

Recent Research on the Late Antique Countryside William Bowden,Luke Lavan,Carlos Machado,2004-01-01 This book surveys a variety of themes relating to the late antique countryside It covers social and economic life the archaeology of pilgrimage and the fate of rural temples villas monasteries and landscape change There is a special section on rural survey in Turkey a region of the Roman empire for which our knowledge of the countryside is poor A bibliographic essay on the rural archaeology of the entire empire provides an excellent introduction to the volume and to the subject as a whole Essays range

from Northern Gaul to Egypt and draw on many sources from papyrology and epigraphy to field survey and paleobotany A complex picture of differing regional trajectories emerges whilst cultural change is everywhere apparent in phenomena such as Christianisation settlement nucleation and fortification Contributors include Beat Brenk Beatrice Caseau Douglas Baird Archie Dunn Etienne Louis Fabio Saggioro John Mitchell Joseph Patrich Lynda Mulvin Carla Sfameni Marcus Rautman Peter Sarris Frank Trombley Joanita Vroom and Marc Waelkens

Christianizing Asia Minor Paul McKechnie, 2019-08 Explores the growth of Christianity in inland Roman Asia as cities and rural communities moved away from polytheistic Greco Roman religion

John of History, Baptist of Faith James F. McGrath, 2024-10-04 Studies of the historical Jesus typically reduce John the Baptist to a subordinate role in the story of Christian origins This meticulous historical study focuses on John himself revealing his extensive and enduring influence In the popular imagination John the Baptist plays the supporting role of Jesus s unkempt forerunner But meticulous historical study reveals his wide reaching and enduring influence on the history of religion The first study of its kind John of History Baptist of Faith sheds light on the historical John the Baptist and his world James F McGrath applies historical critical methodology not only to the New Testament but also to the Mandaean Book of John a holy text of the last extant gnostic sect McGrath uses the teachings of John s pupil Jesus as a window into his mentor s beliefs Along the way he brings new clarity to questions of contention among scholars such as John s use of immersion as a substitute for temple sacrifice Bold in its claims yet careful in its method John of History Baptist of Faith lends fresh insight into John Jesus and their world McGrath s pioneering monograph will challenge and intrigue students and scholars of the New Testament and Second Temple Judaism

A History of the Later Roman Empire, AD 284-641 Stephen Mitchell, 2014-08-25 The Second Edition of A History of the Later Roman Empire features extensive revisions and updates to the highly acclaimed sweeping historical survey of the Roman Empire from the accession of Diocletian in AD 284 to the death of Heraclius in 641 Features a revised narrative of the political history that shaped the late Roman Empire Includes extensive changes to the chapters on regional history especially those relating to Asia Minor and Egypt Offers a renewed evaluation of the decline of the empire in the later sixth and seventh centuries Places a larger emphasis on the military deficiencies collapse of state finances and role of bubonic plague throughout the Europe in Rome s decline Includes systematic updates to the bibliography

Rabbinic Scholarship in the Context of Late Antique Scholasticism Catherine Hezser, 2024-12-12 Based on an understanding of scholasticism as a cross cultural phenomenon undertaken by rabbinic Graeco Roman and Christian scholars in late antiquity this book examines the development of Palestinian rabbinic compilations from social historical and literary historical perspectives The book focuses on the compilation of the Talmud Yerushalmi in the context of late antique scholarly practice aimed at preserving past

knowledge for future generations This book provides insight into how rabbinic scholarship in the Land of Israel participated in the wider intellectual practices of Roman Byzantine times Beginning with the social educational and legal contexts that generated rabbinic knowledge Catherine Hezser goes on to investigate the oral and written transmission of rabbinic traditions to eventually examine the compilation of the Talmud Yerushalmi with a comparative and redaction historical approach Integrating Palestinian rabbinic education and scholarship into the context of late antique Graeco Roman and Byzantine Christian scholarly practices Catherine Hezser demonstrates how rabbinic compilatory techniques resembled but also differed from those of Hellenistic Roman and Christian scholars The book highlights how rabbinic compilations are idiosyncratic and create a distinct rabbinic identity Overall Hezser argues that rabbinic scholarship was an integral part of late antique intellectual life in the Near Middle East and should be recognized as an Eastern equivalent to Western paideia based forms of scholarship in the Roman Byzantine period and beyond **Imperial Rome AD 284 to 363** Jill

Harries,2012-03-07 This book is about the reinvention of the Roman Empire during the eighty years between the accession of Diocletian and the death of Julian *Gifts of Clothing in Late Antique Literature* Nikki Rollason,2016-07-15 Both clothing and gifts in the ancient world have separately been the subject of much scholarly discussion because they were an integral part of Greek and Roman society and identity creating and reinforcing the relationships which kept a community together as well as delineating status and even symbolising society as a whole They have however rarely been studied together despite the prevalence of clothing gifts in many ancient texts This book addresses a gap in scholarship by focusing on gifts of elite male clothing in late antique literature in order to show that when they appeared in texts these items were not only functioning in an historical or real life sphere but also as a literary space within which authors could discuss ideas of social relationships and authority This book suggests that authors used items which usually formed part of the costume of authority of the period the trabea of the consul the chlamys of the imperial court and the emperor and the pallium of the Christian bishops to over write wearers and donors as confident figures of official authority when this may have been open to doubt

Change and Confusion in Catholicism Nathan R. Kollar,2022-10-07 We live in a liminal time The anthropologist Victor Turner describes liminality as a time of severe disorientation for individuals and societies that lies between one stage of life and another All the former signposts that provided people with an identity are in a state of upheaval as they transit between these stages This book uses the lifelong personal and professional experiences of the author to analyse how Catholics experience liminality today and dealt with it yesterday It provides the reader with an historical case study of frightening experiences both in teaching what to expect during such a time and what to assume when it ends Edinburgh Companion to Ancient Greece and Rome Edward Bispham,2006-07-24 The Edinburgh Companion newly available in paperback is a gateway to the fascinating worlds of ancient Greece and Rome Wide ranging in its approach it demonstrates the multifaceted nature of classical civilisation and enables readers to gain guidance in drawing together the perspectives and methods of

different disciplines from philosophy to history from poetry to archaeology from art history to numismatics and many more
