Van Dyke,Maria Kar-wing Mok,2015-09-01 Hundreds of Chinese export paintings of Canton trading houses and shopping streets are in museums and private collections throughout the world and scholars of art and history have often questioned the reliability of these historical paintings In this illustrated volume Paul Van Dyke and Maria Mok examine these Chinese export paintings by matching the changes in the images with new historical data collected from various archives Many factory paintings are reliable historical records in their own right and can be dated to a single year Dating images with such precision was not possible in the past owing to insufficient information on the scenes The new findings in this volume provide unprecedented opportunities to re date many art works and prove that images of the Canton factories painted on canvas by Chinese artists are far more trustworthy than what scholars have believed in the past *San shi nian ru cang wen wu xuan cui* ,2001 **The Directory of Museums & Living Displays** Kenneth Hudson,Ann Nicholls,1985-06-18 A Defiant Brush Yeewan Koon,2014-07-31 This book takes a fresh look at this underappreciated artist in the context of a nascent Chinese modernism **Between Heaven and Earth** Paul Moss,Sydney L. Before Hong Kong rose to prominence Guangzhou was one of China's primary trading posts and as a result it has a wide ethnic diversity including a large Hui Muslim population and a smattering of colonial architecture much of which is found on charming Shamian Island. Guangzhou is at the heart of the south's economic revolution. Although it is still undoubtedly a polluted city, attention is being paid to the environment albeit often only in the most aesthetic sense. Every time I visit I notice new areas of greenery and the city is becoming more and more visitor friendly. There is an ever expanding subway network, a new airport and improved links with other Pearl River Delta destinations. There are also a host of sights to visit within a two hour transport radius of Guangzhou and the city makes a good base from which to explore smaller towns such as Huizhou and Zhaoqing. This guide is based on our 640 page China Adventure Guide. Following are some reviews of that book. We travel to grow. Adventure Guides show you how. *Setting Off from Macau* Kaijian Tang, 2015-11-16. It is impossible to understand the early history of the Society of Jesus and the Catholic Church in China without understanding the preeminent role played by the island of Macau in the Jesuit missionary endeavor; indeed, it can even be said that Catholicism would not exist in China if there was no Macau. This book seeks to restore Macau to its proper place in the history of Catholicism and the Jesuit missions in China during the Ming and Qing dynasties by offering a unique insight into subjects ranging from the origins of Jesuit missionary work on the island to the history of Jesuit education and Catholic art and music on the Chinese mainland. Chinese Islamic studies have concentrated thus far on the arts of earlier periods with less attention paid to works from the Qing Dynasty, 1644-1912. This book focuses on works of Chinese Islamic art from the late seventeenth century to the present day and brings to the reader's attention several new areas for consideration. The book examines glass wares which were probably made for a local Chinese Muslim clientele, illustrating a fascinating mixture of traditional Chinese and Muslim craft traditions. While the
